2. In requiring the submission of detailed plans and specifications as herein set forth, Developer has in mind the development of Olde Farm Plat Three as an architecturally harmonious, artistic and desirable residential subdivision. In approving or withholding its approval of any detailed plans and specifications so submitted, the Architectural Control Committee may consider the appropriateness of the improvements contemplated with relation to improvements on contiguous or adjacent lots, its artistic and architectural merits, its adaptability to the lot on which it is proposed to be constructed and such other matters as may be deemed to be in the interest and benefit of the owners of lots in Olde Farm Plat Three as a whole. In keeping with these guidelines the Architectural Control Committee shall have the right to waive strict compliance with the terms of these restrictions so long as the plans and specs are deemed to present substantial compliance. Any determination made by the said Architectural Control Committee, in good faith, shall be binding on all parties in interest.

3. The Developer, acting as the Architectural Control Committee, reserves the sole and exclusive right to establish grades and slopes of lots and to fix the grade at which any building or structure shall hereafter be erected or placed thereon, so that the same may conform to a general plan for the development and use of Olde Farm Plat Three.

4. The Architectural Control Committee may assign and approve driveway locations for each lot.

5. Within eighteen (18) months after the recording of the deed to each lot in Olde Farm Plat Three from Developer to the purchaser thereof, the owner of each lot shall construct sidewalks across the frontage of such lots as per construction specifications and location requirements of Lucas County, Ohio. Should a lot owner fail to construct sidewalks in accordance with the preceding sentence, suit may be brought under Article VI of this Declaration to enforce such restriction as in the case of the violation of any other covenant or restriction contained in this Declaration. Further upon such failure of a lot owner to construct sidewalks Developer or Lucas County shall have the right to enter upon the lot(s) in question and to construct such sidewalks or cause the same to be constructed at the expense of the owner of such lot(s). In such event, the costs of construction of such sidewalks shall be and become a lien against the lot on which the sidewalks have been constructed from the date of perfection thereof as hereafter provided and, as the costs of construction of such sidewalks shall not be paid immediately upon demand therefor, such lien may be foreclosed by an action brought by the Developer or Lucas County, as in the case of foreclosure of liens against real estate. The holder of any such lien may perfect such lien against third parties by filing an affidavit stating the facts giving rise to the lien with the Recorder of Lucas County, Ohio.

ARTICLE V

1. These covenants and restrictions shall run with the land and shall be binding upon the Developer and all persons claiming under or through the Developer until the first day of January, 2030, at which time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years.

interpreted by Developer, and Developer shall not, by reason thereof be deemed guilty of any manner of trespass for such entry, abatement or removal. A failure of Developer to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained herein shall in no event be construed, taken or held to be a waiver thereof or acquiescence in or consent to any continuing further or succeeding breach or violation thereof, and Developer shall at any and all times have the right to enforce the same.

2. These covenants and restrictions may not be amended, except by the Developer, until the Developer, or his assigns, releases control after which time they may be amended prior to January 1, 2020 by the written approval of the then owners of not less than two-thirds (2/3) of the lots in Olde Farm Plat Three which amendment shall become effective from and after the filing with the Recorder of Lucas County, Ohio of an instrument stating the amendment and signed by all approving lot owners with the formalities required by law. However, the Developer's total annual assessment for each year shall not exceed the per lot cost of any other lot owner based on the total number of platted lots the Developer owns as of January 1 of each year (pro-rated accordingly).

3. Each annual assessment shall become a lien against each residential lot on the first day of the calendar year in which it becomes due and payable. Judicial foreclosure proceedings of a mortgage thereon shall extinguish such lien with respect to payments which become due and payable prior thereto but shall not relieve such lot from liability for assessments thereafter becoming due or payable or from the lien thereof.

5. Any lot owner may request and upon payment of the reasonable expense thereof, shall receive, from the Developer and/or the Secretary of the Association, a certificate setting forth whether all assessments have been paid for such owner's lot and the total amount of any unpaid assessments.
