BY-LAWS OF ORCHARD VILLA HOMEOWNER’S ASSOCIATION

ARTICLE 1 Name and Purpose

Name
The name of the association is Orchard Villa Homeowner’s Association, Inc. (OVHOA), an Ohio non-profit corporation.

Purpose
The association exists:
• To enhance the livability of the neighborhood by establishing communication among the residents;
• To provide an open process for all residents to be involved in the affairs of the neighborhood;
• To provide members a means to keep informed of any proposed actions which affect them.

ARTICLE 2 Membership and Voting

Membership
The members of this association are everyone who owns or lives on a building site in Orchard Villa and who are buying that site under a contract of agreement to purchase.

Membership in the association stops when any member is no longer the owner of record of a building site. Membership also stops if the member no longer lives there or is not purchasing the site under a purchase agreement.

Voting
Each building site is entitled to one vote. When two or more residents are purchasing a building site, the members of that site have one vote. There will be one vote per household.

To vote, the member needs to be in good standing, that is, not delinquent in paying dues nor in violation of the Declaration of Restrictions or the By-Laws.
ARTICLE 3 Privileges and Duties of Membership

The privileges and duties of membership are:
- To participate in a civil and mature manner related to all business conducted by the association.
- To attend any and all meetings and to speak from the floor on any issue being considered by the association.
- To vote on all motions placed before the general membership at regular or special meetings, including participation in the election of Officers and to run for any office of the association.

ARTICLE 4 Meetings

Regular meetings of the Officers can be held at such time and place and with such notice as determined by a majority of the Officers. At least two Officers need to be present to conduct business.

The annual meeting of members will be held on any day in December in each year. The President, Secretary, or Treasurer may call special meetings at any time. A special meeting can also be called by a written request of at least 12 members who have the right to vote.

The Secretary will give notices of annual and special meetings in writing to the members. Notice may be given personally, through the mail, or by e-mail. Members who prefer e-mail need to register their e-mail addresses with the Secretary. Written notices of each meeting will be given at least seven days before the meeting and will specify the place, date, time of the meeting and the general nature of the business to be transacted.

Generally the meetings will follow Roberts’ Rules of Order (Revised). However, the presiding Officer, with the members’ approval, may suspend Roberts’ Rules in the interest of facilitating the business meeting. A quorum at the meeting may vote to reinstate Roberts’ Rules.

ARTICLE 5 Proxies

At all meetings of members, each household may vote in person or by proxy. All proxies need to be in writing and filed with the Secretary. The proxy automatically lapses at the end of the meeting for which the proxy was given.

ARTICLE 6 Quorum

A quorum for any membership meeting will be the number of members in attendance or by proxy who sign the attendance sheet. The minimum number of members present for a quorum is three. Decisions shall be made by a majority vote.
ARTICLE 7 Officers

The Officers of this corporation are a President, a Secretary, and a Treasurer. The Officers will be elected by the members at the annual meeting. The election can be by show of hands or by secret ballot. Each Officer will hold office for two years unless he or she resigns or is removed from office. The Officers need to be members of the association. Two Officers constitute a quorum for the transaction of business.

Any Officer may be removed by a majority of the members at any annual, regular, or special meeting. Any Officer may resign by giving a written notice to the Secretary or the President.

No Officer receives compensation for any service to the association. However, an Officer may be reimbursed for expenses incurred performing duties of the office.

Article 8 Vacancies

If there is a vacancy in the Officers because of death, resignation, or removal, the Officers have the power to appoint a successor to take effect at the time the vacancy becomes effective. The appointed Officer serves for the remainder of the term.

ARTICLE 9 Duties

President:
The President presides over all meetings and has the general supervision, direction, and control of the business affairs of the association.

Secretary:
The Secretary keeps a record of all meetings and proceedings of the Officers and the members. The Secretary serves notice of formal meetings of the Officers. Also, the Secretary keeps a record of the members of the association including names, addresses, phone numbers, and e-mail addresses if applicable.

Treasurer:
The Treasurer receives and deposits in the appropriate account all monies of the association; disburses funds as directed by the Officers; signs all checks; keeps proper books of accounts; causes an annual audit by an independent auditor at the end of each fiscal year; prepares an annual budget and income-expense statement; displays expenditures to the members at the annual meeting and delivers copies to the members. If the President resigns or is replaced, the Treasurer becomes the interim President until a President is appointed.
ARTICLE 10 Committee
The Officers can create committees as they deem necessary to carry out the business and purposes of the association. Volunteers are welcome to serve on these committees.

ARTICLE 11 Books and Records
The books, records and papers of the association are subject to inspection by any member during reasonable business hours.

Article 12 Dues and Assessments
Each member is obligated to pay the annual and special assessments agreed on by the members. The annual increase in monthly dues cannot exceed 10% of the present dues. If the money is not paid within 10 days of being due, the Officers can assess a late charge. If the money is not paid within 30 days, the assessment bears interest at 10% per year simple interest, and the association may bring an action against the owner to pay the money, or foreclose the lien against the property. Interest, costs, and attorney’s fees will be added to the amount of the assessment.

ARTICLE 13 Grievance Procedure
A person or group adversely affected by a decision or policy of the association may submit a complaint in writing to any Officer.

Within 14 days of receiving the complaint, the Officers will meet with the petitioner at an acceptable place and try to resolve the grievance. No later than 30 days after the meeting, a written report is made of the action taken. The Officers’ action may be affirmed, modified, or reversed by the membership at an annual or special meeting.

Article 14 Amendments to By-Laws
These By-Laws can be amended by a two-thirds vote of the members present at the annual or special meeting, provided the proposed amendment has been distributed to the membership seven days in advance.

ARTICLE 15 Fiscal Year
The fiscal year of the association begins the first day of January and ends the 31st of December of every year.
ARTICLE 16 Indemnity

Every person who is, will be, or has been an Officer is indemnified by the association against all costs and expenses reasonably incurred or imposed from any action, suit or proceeding to which he or she is a party by being an Officer of the association. The exception is if he or she acted in bad faith or is liable by reason of willful misconduct in performing the duty as an Officer. Costs and expenses include attorney’s fees, damages, and reasonable amounts paid in settlement.

ARTICLE 17 Declaration of Restrictions

The use of land is limited by the Declaration of Restrictions as more particularly described on the Declarations of Restrictions filed as 01-5590A01 with the Lucas County Recorder’s Office and attached as Exhibit A hereto and made a part hereof. The Properties shall be used only for residential, recreational, and related purposes; which may include, without limitation, offices for any property manager retained by the Association or business offices for the Developer or the Association, as may more particularly be set forth in this Declaration and amendments hereof. Any Supplemental Declaration or additional covenants imposed on the property within any Neighborhood may impose stricter standards than those contained in this Article. The Association, acting through its Board of Trustees ("the Board"), shall have the authority to make and to enforce standards and restrictions governing the use of the Properties, in addition to those contained herein, and to impose reasonable user fees for use of Common Area facilities.

2.2 Except for such signs as may be posted by the Developer for promotional or marketing purposes or by the Association, no signs of any character shall be erected, posted or displayed in a location on any other Lot without prior written approval of the Board.

2.3 Parking. Vehicles shall be parked only in the garage or driveway serving the subject Lot, or in other such areas as have been approved by the Board of Trustees for parking vehicles. A maximum of two (2) occupant vehicles may be parked outside of the garage serving the Lot. For purposes of this provision, a vehicle shall be considered an "occupant vehicle" if it is parked on the Lot for four (4) or more hours per day, four (4) or more days in any seven (7) day period. No garage shall be converted, modified or otherwise used so as to reduce its capacity for parking vehicles below that ordinarily approved by the Architectural Control Committee. Notwithstanding the foregoing, a Builder may temporarily convert a garage into a sales or construction office, provided that it is converted back to a garage within thirty (30) days after cessation of construction and sale of new homes within the Properties by such builder. Garage doors visible from any street within the Properties shall remain closed except during ingress or egress or when the garage is actively being used by the Owner or Occupant.

Notwithstanding the foregoing, service and delivery vehicles may be parked in the Properties during daylight hours for such period of time as is reasonably necessary to provide service or to make a delivery to a Lot. Any vehicle parked in violation of this Section or parking rules promulgated by the Board may be towed in accordance with Article VII of the Code of Regulations. This restriction shall not apply to construction activities associated with the development of the Property or the construction of any Lot or Dwelling Unit.

2.5 Residents Bound. All provisions of the Declaration, Code of Regulations, 
any applicable Supplemental Declaration, and any rules and regulations promulgated 
thereof which govern the conduct of Owners and which provide for sanctions 
against Owners shall also apply to Occupants, guests and invitees of any dwelling unit 
in The Orchard. Every Owner shall cause all residents of his or her Lot to comply with 
the Declaration, Code of Regulations and applicable Supplemental Declaration, and the 
rules and regulations adopted pursuant thereto, and shall be responsible for all 
violations caused by such residents, notwithstanding the fact that such residents of a

permitted to roam free, constitute a nuisance or inconvenience to the Owners of other 
Lots, or the owner of any portion of the Properties, shall be removed upon request of the 
Board. If the owner fails to honor such request, the pet may be removed by the Board. 
No pets shall be kept, bred, or maintained for any commercial purpose. Dogs shall at

leash held by a responsible person. No pet shall be allowed to roam freely, except 
within a confined area upon the lot premises of the owner.

part, for the storage of any property or thing that will cause it to appear to be in an 
unclean or untidy condition or that will be obnoxious to the eye, nor shall any 
substance, thing, or material be kept upon any portion of the Properties that will emit 
foul or obnoxious odors or that will cause any noise or other condition that will or might
disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property.

Any such apparatus permitted by the Board or its designee must be screened from view of adjacent lots by an approved fence or other approved structure no more than six (6) feet in height. This section shall not be construed as prohibiting any act inconsistent with the Telecommunications Act of 1996, and as amended thereafter.

Except as may be permitted by the Developer or the Architectural Control Committee during initial construction within the Properties, no tent, shack, mobile home or other structure of a temporary nature shall be placed upon a lot or any part of the Properties. 2.19 Business Use. No garage sale, moving sale, rummage sale or similar activity may be conducted except with approval of the Board of Trustees and in accordance with guidelines adopted by the Board for such activities. No trade or business may be conducted in or from any lot, except that an Owner or occupant residing in a lot may conduct business activities within the lot so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the lot; (b) the business activity conforms to all zoning requirements for the Properties; (c) the business activity does not involve persons coming onto the Properties who do not reside in the Properties or door-to-door solicitation of residents of the Properties; and (d) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Board.

The terms "business" and "trade" as used in this provision, shall be construed to have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider received a fee, compensation or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time, (ii) such activity is intended to or does generate a profit, or (iii) a license is required therefore. Notwithstanding the above, the leasing of a lot shall not be considered a trade or business within the meaning of this section. This section shall not apply to any activity conducted by the Developer or conducted by a Builder with approval of the Developer, with respect to its development and sale of the Properties or its use of any lots which it owns within the Properties, including the operation of a timeshare or similar program.

Developer shall have the sole and exclusive right to establish grades, slopes and swales on the Common Areas and on all Residential Lots and to fix the grade at which any building or Structure shall be erected or placed thereon, so that the same may conform to a general plan for the development and use of The Orchard.

3.7 Construction in Violation of Approved Plan. In all instances where plans and specifications are required to be submitted to and approved by the Architectural Control Committee, if subsequent to receiving such approval there shall be any variance from the approved plans and specifications in the actual construction or location of the improvement without the written consent of the Architectural Control Committee, such variance shall be deemed a violation of these restrictions.

3.8 Voting by Architectural Control Committee: Necessity of Determinations. Determinations by the Architectural Control Committee shall be made by a majority of the members present at any meeting. Unless waived by all members of the Committee, not less than two (2) days notice of a meeting shall be given each member in writing or by telephone at his residence address. A majority of the members of the Architectural Control Committee shall constitute a quorum. Although the Architectural Control Committee and Developer are granted by this Declaration of Restrictions certain discretions and rights of approval, disapproval and interpretation, the Owners of Residential Lots in The Orchard, as further consideration for the conveyance to them of such Residential Lots, do, for themselves, their heirs, personal representatives, successors and assigns, and their successors in the ownership of such Residential Lots, release and forever discharge the Architectural Control Committee and Developer from any claims they may have against either the Architectural Control Committee or
Developer arising out of their exercise of such discretion and such rights of approval, disapproval and interpretation and/or for their failure to exercise such discretion, rights of approval, disapproval and interpretation.

ARTICLE D
THE ORCHARD HOMEOWNERS’ ASSOCIATION

4.1 Membership in Association. On or before the conveyance of the first Residential Lot in The Orchard by the Developer, the Developer shall cause to be formed an unincorporated association made up of the Owners of each Residential Lot in The Orchard. Upon the formation of the Association, every Owner of a Residential Lot in The Orchard shall become a member thereof, and each such Owner, including the Developer, shall be entitled to one (1) vote on for each Residential Lot in The Orchard owned by him or it, or any matters to be duly voted upon. Where title to a Residential Lot is in more than one (1) person, such co-owners acting jointly shall be entitled to all of the rights and privileges of such membership and subject to all of the duties and obligations thereof as set forth in the recorded plat and/or this Declaration, as to the one (1) vote for said lot.

4.2 Rights of Members. Each member of the Association, in common with all other members, shall have the right to use the roads and the utility easements in the subdivision for all purposes incident to the use and occupancy of his Residential Lot as a place of residence and shall have a nonexclusive easement, together with the other Owners of Residential Lots, to the use and enjoyment of the roads and utility easements. All members of the Association shall use the roads and the utility easements in such a manner as will not restrict, impede or interfere with the use thereof by other members and their respective families, guests, invitees, and servants.

4.3 Association Rights. The Association, by a three-fourths (3/4) vote of its members by written action without a meeting of its members at a duly called meeting, shall have the power and right:

(a) to enforce all provisions herein and in the recorded plat of The Orchard;

(b) to adopt rules and regulations or general application governing the maintenance of dwellings and utility easements on the recorded plats of the subdivision;

(c) in the event an Owner of any Residential Lots fails to repair and maintain the exterior of his residence in first class condition within forty-five (45) days after delivery of notice from the Association to his residence or to such other address as to which such Owner shall have designated to the Association in writing specifying the remedy required (if such notice is not hand delivered it shall be sent by registered mail, postage, return receipt requested) then the Association, upon the affirmative vote of a majority of its Trustees, shall have the right to enter...
upon said Residential Lot and to repair and maintain the exterior of such
residence with the cost of any such repair or maintenance being added to and
becoming a part of the Association’s assessment against said Residential Lot;

(d) to carry out all other purposes for which it was organized or which it may
hereafter be authorized to undertake.

4.4 Membership in The Orchard Development Association. Upon the first to
occur of the following:

(i) five (5) years from the date of the recording of this Declaration; or

(ii) the sale by the Developer to third parties of all the Residential Lots in The
Orchard Development,

at the time of such conveyance, each Owner of a Residential Lot in The Orchard, and
all persons who thereafter acquire title to a Residential Lot in the subdivision, shall
automatically become members of The Orchard Development Association and shall be
entitled to all the rights and privileges of such membership and subject to all of the
duties and obligations thereof as set forth in the recorded plat, this Declaration of
Restrictions and the Articles of Incorporation and Code of Regulations of The Orchard
Development Association. Furthermore, and at the time of such conveyance, the
Association shall be deemed to have been dissolved and all of the rights, powers,
duties or obligations of the Association shall be deemed vested in The Orchard
Development Association and any reference herein to the Association shall be deemed
at all times thereafter to mean and refer to The Orchard Development Association.
Each Lot Owner, by the acceptance of a deed to a Residential Lot, shall be deemed to
have acknowledged that The Orchard Development Association is an independent legal
entity not affiliated in any way with the Developer and that The Orchard Development
Association shall in no way be responsible for any obligations of the Developer, except
as expressly provided for in this Declaration.

4.5 Association Expenses. All expenses incurred by the Association shall be
borne equally by each Owner of a Residential Lot in The Orchard, except that any
Residential Lot Owner may be subject to an additional landscape maintenance
assessment in the event, in the reasonable judgment of the Association, the nature of
the landscaping on such Owner’s Residential Lot requires significant additional time
and materials to maintain such landscaping over and above the normal landscaping
and maintenance of other Residential Lots in The Orchard Development.
ARTICLE E
ASSESSMENT OF OWNERS

5.1 Annual Assessment. For the year commencing January 1, 2002, and each
calendar year thereafter, each and every Residential Lot and Residential Lot Owner in
The Orchard shall be a subject to an annual assessment in such amount as may be
annually determined by the Association. The assessment for each calendar year shall
be determined by the Association prior to the end of the preceding calendar year and
shall be paid to the Association in not more than four (4) equal instalments not later
than the first days of January, April, July and October of each year. The annual
assessment shall become a lien against each Residential Lot on the first day of the
year in which it is due and shall also be the personal obligation of the Owner (and the
joint and several obligation of the Owners) of each Residential Lot at the time when the
assessment becomes a lien. If default occurs in any payment of the annual
assessment for a period of sixty (60) days after its due date, a "Notice of Lien" in
substantially the following form may be filed and recorded in the lien records at the
office of the Recorder of Lucas County, Ohio:

The foregoing instrument was acknowledged before me this _____ day
of ____________ in the year of ____________, by

President of The Orchard Development
Homeowners’ Association, on behalf of the Association.

Notary Public
In the event any payment of the annual assessment is not paid when due, the Association may, when and as often as delinquencies occur, proceed by process of law to collect the amount then due by foreclosure of the above-described lien or otherwise and in such event the Association shall also be entitled to recover and have and enforce against each Residential Lot a lien for its costs and expenses, including attorney fees. No Owner may waive or otherwise escape liability for the annual assessments provided for herein by notice of any service provided by assessments. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage encumbering a Residential Lot. Sale or transfer of any Residential Lot shall not affect the assessment lien; provided, however, that the sale or transfer of any Residential Lot pursuant to foreclosure of a first mortgage shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve a Residential Lot from liability for any assessments thereafter becoming due or from the lien thereof.

5.2 Application of Assessments. The annual assessments shall be levied against all Residential Lots in The Orchard. The assessments shall be applied toward the payment of the following costs and expenses:

(a) Lawn maintenance and snow removal;
(b) Employment of security personnel and facilities, if any, for the benefit of all of the Owners of the Residential Lots in the subdivision;
(c) Employment of services and personnel required for the maintenance or operation, including legal and accounting services and to enforce, if necessary, the terms and conditions of the Declaration of Restrictions, the governing documents of the Association, and any violations of infractions thereof;
(d) Operation and maintenance of all underground utility lines, if any, owned by the Association;
(e) Any other costs and expenses reasonably incurred by the Association in performing its obligations under this Declaration of Restrictions or its governing documents;
(f) The establishment of reserves to pay the estimated future costs of any of the foregoing;
(g) Payments to The Orchard Development Association for maintenance items as set forth herein in The Orchard;
Annual assessments may be increased, decreased or adjusted from year to year by the Association as the interests of the Residential Lot Owners may, in its judgment, require. The Association shall exercise its discretion and judgment as to the amount of its funds to be expended in connection with each of the purposes for which its funds are collected, and its discretion in reference thereto shall be binding upon all interested parties. Upon demand of any Residential Lot Owner and after payment of a reasonable charge therefor the secretary or treasurer of the Association shall promptly issue a certificate setting forth whether all assessments have been paid for such Owner's Residential Lot, and, if not, the total amount of any unpaid assessments. Any such certificate stating that all assessments have been paid shall be conclusive evidence of such payment.

5.3 Initial Payment. The initial payment of a Residential Lot in The Orchard Development from the Developer shall pay to the Association an initial assessment of Fifty Dollars ($50.00) per month. All or any part of such initial assessment may be used in the operation and maintenance of the Association.

5.4 Special Individual Lot Assessments. The Board may levy an assessment against an individual Lot, or Lots, as fines levied for the violation of the restrictions set forth herein (including, without limitation, fines for the violation of covenants restricting construction of improvements not complying with approved plans, or for parking violations), and to reimburse the Association for those costs incurred properly chargeable by the terms hereof to a particular Lot (such as, but not limited to, the cost of enforcement of covenants and restrictions against a particular Lot, or of causing compliance with the restrictions and covenants set forth herein, or arbitration costs properly chargeable against such Lot owner). Any such assessment shall become due and payable on such date as the Board determines, and given written notice thereof to the lot owner.

5.5 Subordination of the Lien to First Mortgages. The lien of the assessments and charges provided for herein shall be subject and subordinate to the lien of any duly executed first mortgage on a Lot recorded prior to the date on which such lien of the Association arises, and any holder of such first mortgage which comes into possession of a Lot pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or deed or assignment in lieu of foreclosure, and any purchaser at a foreclosure sale shall take the property free of any claims for unpaid installments of assessments or charges against the mortgaged Lot which became due and payable prior to the time such holder or purchaser took title to that Lot, provided that the Association has been made a party to such action.

5.6 Certificate Regarding Assessment. The Board shall, upon demand, for a reasonable charge, furnish a certificate signed by the president, treasurer, secretary or other designated representative of the Association, setting forth whether the assessments on a specified Lot have been paid. This certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.
ARTICLE F
EASEMENTS

6.1 Reservation of Easement Rights. Developer reserves to itself, and to its successors and assigns, the exclusive right to grant consents, easements and rights of way for the construction, operation, maintenance and use of electric light, cable vision, telephone and telegraph poles, wires and conduits, including underground facilities, for the private roadways within the subdivision; and for drainage, sewers and any other facilities or utilities deemed convenient or necessary by Developer or its successors and assigns for the service of the subdivision on, over, below, or under all of the areas designated as "Utility Easements", or with words of similar import, on the recorded plat of The Orchard, and along and upon all roadways now existing or hereafter established and abutting all the Residential Lots in the subdivision. Developer also reserves to itself, and to its successors and assigns, the right to go upon or permit any public or quasi-public utility company to go upon the Residential Lots from time to time to install, maintain and remove such utility lines and to trim trees and shrubbery which may interfere with the successful and convenient operation of such equipment. No structures, or any part thereof, shall be erected or maintained over or upon any part of the areas designated as "Roadways", "Utility Easements", or with words of similar import, upon the recorded plat of The Orchard, except as expressly authorized under paragraph 3.4 hereof. The term "Structures" as used in the preceding sentence shall include houses, garages, other buildings or swimming pools, but shall not include Residential Lot improvements such as driveways, paved parking areas and fences. No Owner of any Residential Lot shall have the right to reserve or grant any easements or rights of way upon or over any of the Residential Lots without the prior written consent of the Developer, its successors and assigns.

ARTICLE G
DURATION OF RESTRICTIONS

7.1 Term. These covenants and restrictions shall run with the land and shall be binding upon Developer, the Association and all persons claiming under or through Developer or the Association for fifty (50) years from the date hereof, at which time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years.

ARTICLE H
AMENDMENTS

8.1 Power to Amend. Except as hereinafter provided, amendment of these Articles of the Association shall require the consent of Lot owners exercising not less than Seventy-five percent (75%) of the voting power of Lot owners. Notwithstanding the foregoing:
(a) the consent of all Lot owners shall be required for any amendment effecting a change in:
   i. the number of votes in the Association appertaining to any Lot;
   or
   ii. the fundamental purposes by the Association are restricted;

(b) the consent of eligible holder of first mortgages on Lots to amendments to the Association Organizational Documents shall not be required except in those instances in which the eligible holder of first mortgages on Lots are entitled to written notice of such proposed amendment; and

(c) in any event, Developer reserves the right and power, each Lot owner by acceptance of a deed to a Lot is deemed to and does give and grant to Declarant a power of attorney, which right and power is coupled with the interest and runs with the title to the land and is irrevocable (except by Declarant), for the period of three (3) years from the date of the filing of these Covenants, to amend the Association Organizational Documents, to the extent necessary to conform to the requirements then governing the purchase or insurances of mortgages by The Mortgage Corporation, Federal National Mortgage Association, Government National Mortgage Association, Mortgage Guaranty Insurance Corporation, the Federal Housing Administration, the Veterans Administration, or any other such agency or organization, provided that the appropriate percentage (as described elsewhere herein) of eligible holders of first mortgage liens is obtained, or to correct typographical errors or obvious factual errors the correction of which would not impair the interest of any Lot owner or mortgagee.

An eligible holder of a first mortgage on a Lot who received written request to approve amendments who does not deliver or post to the requesting party a negative response within thirty (30) days shall be deemed to have approved such request.

8.2 Method to Amend: An amendment to these Covenants, adopted with the consent herefore provided, shall be executed with the same formalities as these Covenants by two officers of the Association and shall contain their certification that the amendment was duly adopted in accordance with the foregoing provisions. Any amendment adopted by the Declarant or a duly empowered successor Declarant pursuant to authority granted it pursuant to these Covenants and shall contain the certification of such signors that such amendment is made pursuant to authority vested in the Declarant or any duly empowered successor Declarant by these Covenants. Any amendment duly adopted and executed in accordance with the foregoing provisions shall be effective upon filing with the Recorder of Lucas County, Ohio.
ARTICLE I
ENFORCEMENT OF RESTRICTIONS, OTHER GENERAL MATTERS

9.1 Violations Unlawful. Any violation or attempt to violate any of the covenants or restrictions herein shall be unlawful. Developer, the Association, the Architectural Control Committee, The Orchard Association or any person or persons owning any Residential Lot in the subdivision may prosecute any proceedings at law, or in equity, against the person or persons violating or attempting to violate any such restrictions to prevent him or them from so doing, to cause the removal of any violation, and/or to recover damages for such violation or attempted violation.

9.2 Saving Clause. Developer shall have the right to construe and interpret these restrictions, and its construction and interpretation, in good faith, shall be final and binding as to all persons and property benefited by such restrictions. Developer reserves the right to relinquish its power to construe and interpret these restrictions by written instrument delivered to the Association whereupon all rights with respect thereto shall thereafter be exercised by the Association.

9.7 Limitation of Warranties, Indemnification or Trustee, etc., of Association. By acceptance and recording of a deed to a Residential Lot in The Orchard, each Residential Lot Owner shall be deemed to have acknowledged and agreed that there are no representations or warranties, express or implied, by the Developer with respect to the merchantability, fitness, or suitability of the Residential Lots for the construction of residences or with respect to the subdivision other than of residences or with respect to the subdivision other than as expressly stated in writing (i) by the Developer to the Residential Lot Owner; or (ii) in this Declaration of Restriction.

9.8 Waiver of Restrictions by Architectural Control Committee. Each Residential Lot Owner, by acceptance of a deed to a Residential Lot, agrees and consents, and shall be deemed to agree and consent, for himself and for his heirs, personal representatives, successors and assigns, that if, in the opinion of the Architectural Control Committee, the shape, number of structures, location of natural features such as trees, or topography of the Residential Lot upon which a building or improvement is proposed to be made, is such that a strict construction or enforcement of the requirements of the recorded plat or of any provision of these restrictions would work a hardship, the Architectural Control Committee may, in writing, grant waivers from these restrictions as to such Residential Lot so as to permit the erection of such building or the making of the proposed improvements.

9.9 Modification of Restrictions, Hardship. In the event of a material change in conditions or circumstances from those existing at the time these restriction are adopted which would cause the enforcement of these restrictions to become a hardship upon any of the Owners of Residential Lots, or which would cause such restrictions to cease being beneficial to the Owners of such Residential Lots, Developer and/or the Association shall have the right to modify these restrictions so as to remove the hardship, or make the restrictions such as to be beneficial to all Residential Lot Owners, by filing for record with the Lucas County, Ohio Recorder an instrument adopting such modification to these restrictions. The provisions of this paragraph shall not be construed as a limitation upon the right of the Architectural Control Committee to modify the provisions of these restrictions as provided in paragraph 10.8 of this Article J, nor shall it limit the provisions of Article H hereof.
