For the erection, construction and maintenance of poles, wires and conduits, and the necessary or proper attachments in connection therewith for the transmission of electricity and for telephone and other purposes;

For the construction and maintenance of storm-water drains, land drains, ditches, lagoons, public and private sewers, pipe lines for supplying gas, water and heat, and for any other public or quasi-public utility or function conducted, maintained, furnished or performed by or in any method beneath the surface of the ground.

The Company shall have the right to enter and to permit others to enter upon said reserved strips of land for any of the purposes for which said easements and rights of way are reserved.

The Company shall have the right to enter and permit others to enter upon any property abutting upon the shore of Lake Erie for the purpose of erecting, constructing and maintaining break-waters, piers, abutments, and for any and all purposes necessary or proper for the protection of the shore line of said premises, and shall have the right to erect and maintain the same on any part of the property aforesaid without liability to the owners of said property, if the Company, shall, in its discretion, deem the same necessary for the protection of any part of the land covered by this deed or of the land included in said 427 Acre tract, but the Company shall not be obligated to erect such break-waters, piers, or abutments except as hereinafter provided and neither the Company nor the Bank shall be deemed to have made any representations or warranties as to said shore line or lake, each purchaser hereunder being familiar with the said lake, its tendencies and action upon the tract covered by this deed.

The Company reserves an easement for the benefit of all the owners of lots in said plats for bathing, boating, recreation and similar purposes over the strip of beach along the entire water front of the said Plats, lying adjacent to the water line of Lake Erie, and for a reasonable distance back therefrom, (said distance to be determined by the Company), the title to said strip to remain in the respective owners of the lots abutting on said beach, but said strip to be open at all times to all owners of land in said plats for bathing, boating, recreation and similar purposes as specified in Article IX hereof, and no owner or other person without the written permission of the Company shall erect, construct or maintain any fence, dock, pier, wall or other structure on or along said strip of beach nor in the Lake along said water front which will in any way obstruct the free passage of any owner of land in said plot over said strip and along the water front in the lake.

No owner of any of the lots shown on said Plats shall have the right to reserve or grant any easements or rights of way in, upon or over any of the lots in said Plats without the written consent of the Company.

ARTICLE IX

Streets, Parks and Beaches

It is expressly agreed that nothing herein contained or indicated or expressed on said plats shall constitute a dedication of any street, road, way,
lane, path, alley, easement, right of way, park, beach or common ground herein referred to or shown on said plats, but the title to all property so shown, designated or described, is expressly reserved to the Company, and neither this deed, nor any deed hereafter made by the Company or the Bank or their successors or assigns, conveying any of the lots in said tract, shall be held to convey the title to or to dedicate the bed of any land covered by any street, road, way, lane, path, alley, easement, right of way, park, beach, or common ground, except it shall be so stated expressly in such deed.

The Company hereby gives and grants to each owner, hereafter acquiring title to any of the land included in said plats, the right to such use of the streets shown on said plats as may be necessary for reasonable and convenient ingress and egress to and from the land belonging to such owner.

The Company hereby gives and grants to each owner, as aforesaid, the right to use in common with other owners such portions of the beach along Lake Erie as may be indicated on said plats as parks, and also the strip of beach adjacent to the water line of Lake Erie and for a reasonable distance back therefrom (said distance to be determined by the Company) along the entire water front of said Plats, for bathing, boating, recreation and similar purposes, and the right of free passage along said water front subject only to the piers, breakwaters and jetties necessary to protect the lands from the action of the Lake as herein provided.

But subject to such uses by said owners, the title to both the surface and beds of all said streets, ways and parks, shall remain in the Company, and the Company shall have the right to use and occupy the same or to allow others so to do in any manner that does not materially interfere with said uses of ingress and egress and for bathing purposes, and the Company further expressly reserves the exclusive right to grade, change the grade or regrade, change the location of, close or partly close any street or private lane or way shown on said Plats but no change of location or closing shall be made that will materially interfere with the said right of convenient ingress and egress to and from, or take any portion of, any lot sold or conveyed by the Company prior to such change of location or closing.

The Company reserves the right to close streets, beaches and parks or otherwise interrupt the use of the same by the public so as to prevent the public from acquiring any rights or easements.

The Company reserves the right to use and occupy or allow others to use and occupy any park or parks or common grounds for any purposes or in any manner that does not materially interfere with the use thereof by owners of lots.

The Company reserves, however, the right to dedicate, sell or lease to public use and the right to convey to any public authority or to any corporation having power to acquire the same, all its right, title and interest in and to any street, park, beach owned by the Company, or common ground, or any right or easement therein.

The Company reserves the right to consent to the use of any street, road, way, lane, path, alley, or park in said plats for street railway purposes, and no owner either before or after the dedication of the streets to public use, shall consent to the use of a street, road, way, lane, path, alley or park for street railway purposes, unless the Company shall first consent.

ARTICLE X

Maintenance and Emergency Charges

All the lots included in said Plats, whether owned by the Bank, the Company or by others, except streets, ways, parks, beaches and lots maintained for the general use of the owners of land included in said Plats, and except land taken or sold for public improvements or uses, shall be subject to an annual maintenance and emergency charge as follows:

On each beach lot Six Dollars and Fifty Cents ($6.50); on each of the other lots in said Plats Five Dollars ($5.00).

Commencing on January 1, 1922, and on the second day of January of each year thereafter, each owner of property in said plats shall pay to the Company in advance the maintenance charge against his property.

- 7 -
Thirty per cent (30%) of such payments shall be used by the Company to create and continue an Emergency Fund to be used as hereinafter stated, and the remainder of such payments shall be used to create and continue a Maintenance Fund to be used as hereinafter stated.

The annual charge may be adjusted, increased or reduced from year to year, by the Company as the needs of the property may, in its judgment, require.

The Company agrees to pay into said fund the annual charge on all lots in said plat owned by it and by the Bank on January 2nd of each year, beginning with the year 1922.

The Company agrees to apply the total amounts credited to said Maintenance Fund as far as the same may be sufficient, towards the payment of the so-called maintenance expenses incurred, for the following purposes:

For the payment of any taxes which may accrue on land held for the common benefit;

For lighting, improving and maintaining the streets, maintained for the general use of the owners and occupants of land included in said plats, including all grass and planted areas within the boundaries of such streets;

For operating and maintaining any storm-water drains, land drains, ditches, lagoons and dykes now or hereafter constructed in said tract that are not or will not be under the direct supervision of the state or county; said maintenance to include the expense of pumping, ordinary repair and care of said drains, ditches, lagoons, dykes and the equipment therefor.

For cleaning beaches in said Plats, including that portion of said beaches reserved to common use but owned by individual owners;

For building and maintaining dykes, break-waters, piers, pilings, abutments, and other structures for the protection of the shore line of said tract;

For collecting and disposing of garbage, ashes and rubbish;

For employing policemen and watchmen and for fire protection;

For caring for vacant and unimproved land included in said Plats on which said Maintenance Charge is being paid, removing the grass and weeds therefrom and doing all other things necessary or desirable, in the opinion of the Company, to keep the property neat and in good order, or, which, in the opinion of the Company, may be of general benefit to the owners or occupants of the land included in said Plats;

The Company agrees to apply the sums paid into the Emergency Fund as far as the same may be sufficient towards the payment of the so-called emergency expenses incurred, for the following purposes:

To replace dykes, break-waters, piers, pilings, abutments, lagoons, engines, pumping stations, and any other property used for the common welfare and protection of the owners of land in said Plats or in the tract as a whole, which property shall have been destroyed through storms, accidents or any agent other than the normal wear and tear of operation;

For any purpose which may arise demanding immediate action for the common protection of the owners of land in said Plats or in said tract.

In case the emergency fund shall be insufficient to meet the expenditures made necessary by any of the foregoing causes the Company shall have the right to levy and collect a special emergency assessment on all of the property in said tract in the same manner and proportion as the original assessment shall have been levied, in such amounts as the Company may deem necessary to meet the said emergency. Said special emergency assessment shall be payable at such time as the Company may deem necessary, and shall be a lien on the land in the same manner as other assessments.

The Company shall order or supervise or do all the work, and furnish all materials properly payable out of the Maintenance and Emergency Funds and shall charge therefore the cost of such labor, service, and materials and a commission of fifteen (15) per cent, of the expenditures.
The Company shall have a lien on all the lots in said Plats to secure the payment of Maintenance and Emergency Charges due and to become due and said lien shall be superior to all other liens, and the record owners of such Lots shall be personally liable for all Maintenance and Emergency Charges.

Upon demand the Company shall furnish to any owner or mortgagor or person interested a certificate showing the unpaid Maintenance and Emergency Charges against any lot or lots.

The Company may, in its discretion, waive in writing, for limited periods of time, the liens of the Company against any lot or lots for the benefit or better security of a mortgagee, but in case of any such waiver, the Company shall be responsible for the prompt payment of the charges against such land, so that the Funds shall not thereby be impaired or additional expense fall on other owners.

When and as the property contained in the 427 Acre Tract is platted, the Maintenance Funds of all the property platted shall be treated as a single Maintenance Fund and the Emergency Funds as a single Emergency Fund. From said Maintenance Fund shall be paid such proportion of the total cost of maintaining the lagoons, ditches, drains, dykes, pumps, break-waters, piers, piling and abutments used to protect all of said 427 Acre Tract, as the total acreage of the property so platted bears to the 427 Acres. From said Emergency Fund shall be paid a like proportion of the total cost of replacing dykes, break-waters, piers, piling, abutments, lagoons, engines and pumping plants, used in protecting the said 427 Acre Tract as a whole.

The Company agrees to pay for the unplatted land in said 427 Acre Tract such proportion of the maintenance cost specified in the preceding paragraph as the acreage unplatted bears to the said 427 acres; and further, to pay a like proportion of the emergency expense specified in the preceding paragraph.

ARTICLE XI

Right to Abate Violations

Violation of any restriction or condition or breach of any covenant, or agreement herein contained, shall give the Company, in addition to all other remedies, the right to enter upon the land upon or as to which such violation or breach exists and summarily to abate and remove, at the expense of the owner thereof, any erection, thing, or condition that may be or exist thereon contrary to the intent and meaning of the provisions hereof; and the Company shall not thereby be deemed guilty of any manner of trespass for such entry, abatement or removal.

ARTICLE XII

Right to Enforce

The provisions herein contained shall run with and bind the land and shall inure to the benefit of and be enforceable by the Company, the Bank or the owner of any land included in said Plats, their respective legal representatives, heirs, successors and assigns, and failure by the Company, the Bank or any landowner, however, long continued, to object to any violation, or to enforce any restriction, condition, covenant or agreement herein contained, shall in no event be deemed a waiver of the right to do so thereafter as to the same breach or as to the one occurring prior or subsequent thereto.

ARTICLE XIII

Duration of Restrictions

All of the restrictions, conditions, covenants, charges, easements and agreements contained herein shall be in perpetuity, except the provisions contained in Articles III, IV, V, VI, VII, which shall continue in force only until January 1, 1947, but which, in whole or in part, may be extended for a period of twenty-five (25) years from that date and thereafter for successive periods of twenty-five (25) years, provided that prior to January 1, 1947, and prior to the expiration of each extension, appropriate instruments in writing consenting to such extension shall be filed for record, signed, executed and acknowledged by the Company and by the owners (not including mortgagees) of not less than two-thirds in area of the land, subject to maintenance charges,
included in said Plats, exclusive of streets and parks intended for the general use of the owners of land included in said Plats.

**ARTICLE XIV**

**Acceptance of Trusts**

The Company hereby accepts each of the trusts, duties and obligations imposed upon it by this Deed and Agreement, and agrees to discharge the same without charge for its services, except that for the collection and disbursement of the Maintenance Fund and the Emergency Fund provided for in Article X hereof and for all overhead and office expenses, and for the use of all hand tools in connection with the work to be done in applying said Funds the Company shall be entitled to charge Fifteen (15) per cent. of the amount of all expenditures made by it from said Fund, including in such expenditures payment to the Company, at current market prices for labor and materials furnished and work done by it.

The Company shall exercise its discretion and judgment as to the amount of said Funds to be expended in connection with each of the purposes for which said Funds are collected and its decision in reference thereto shall be binding upon all parties interested.

The Company does not guarantee the sufficiency of the Funds provided for in Article X hereof for the purposes hereinafter set forth, and its liability in respect thereto shall be limited to the payment of its proper share thereof, in proportion to the land owned by it and by the Bank, and liable therefor.

The Company shall not be or become liable to owners or other persons for any act or thing done or omitted in good faith in or about the performance of terms, covenants, agreements, provisions and restrictions in this Deed, and it shall be liable only for acts or things done or omitted to be done in bad faith, or for its gross negligence, and any liability which may otherwise accrue against the Company as owner of any part of said premises, which are held for the common benefit, shall be deemed an emergency expense and shall be paid out of the Emergency Fund.

It is understood and agreed by the Company, and the Bank and all purchasers of any portion of said Plats that all parties who are or may become interested in any portion of said Plats are familiar with Lake Erie and its action on the property in question and that neither the Company nor any of its successors in title make any representations or warranties as to the land in question or the operation of the Lake on the same, and no damage to any private property by said Lake, or the elements shall be charged to the said Emergency Fund nor to the Company nor the Bank nor their successors in title.

The Bank in accepting title to the property herein described, assumes no liability for any of the charges or assessments herein provided, nor shall it be liable for the enforcement of restrictions, nor for any representation, warranty, duty, charge, loss, tax or any liability arising out of this deed, and agreement, or out of the ownership of said land, nor for any acts of the Company, or of any lot owner or other person, nor shall it be liable for any loss or damage arising from the overflow or action of the waters of Lake Erie or the elements nor for the insufficiency or use or misuse of Maintenance or Emergency Funds, but shall be liable only for its own acts of gross negligence or wilful neglect.

**ARTICLE XV**

**Right to Assign**

Any or all of the rights and powers, maintenance charges, titles, easements, trusts and estates reserved or given to the Company in this Deed may be assigned to any one or more corporations or associations, public or private, that will agree to assume said rights, powers, duties and obligations and carry out and perform the same.

If at any time the owners of a majority of the lots in said Plats shall cause to be incorporated, under the laws of the State of Ohio, a corporation with appropriate powers, in which corporation under its regulations and by-laws owners of lots in said Plats may become members and whose membership is limited only to such lot owners, and which, by its regulations and by-laws shall afford to all said lot owners a voice in the management and control of its affairs, according
to the number of lots owned by each; the company or any corporation to which the
Company has as hereinabove provided transferred the same may, upon demand of the
owners of a majority of the lots in said Plats convey to such corporation the
rights, powers, titles, easements, estates, liens, and charges aforesaid.

Any such assignment or transfer shall be made by appropriate instrument
in writing in which the assignee or transferee shall join for the purpose of
evidencing its consent to the acceptance of such rights and powers; and such
assignee or transferee shall thereupon have the same rights and powers and be
subject to the same obligations and duties as are herein given to and assumed by
the Company, the company thereupon being released therefrom and from all further
liabilities.

ARTICLE XVI

Right to Modify

The Company hereby expressly reserves the right in its absolute discretion
at any time to annul, waive, change or modify any of the restrictions, conditions,
covenants, agreements or provisions contained in Articles III, IV, V, VI and VII,
hereof, as to any part of said Plats then owned by the Company, and with the
consent of a majority in number of the then owners as to any other land included
in said Plats.

The right is hereby expressly reserved to annul, waive, change, enlarge or
modify any of the covenants, agreements, easements, restrictions, provisions,

acknowledged by the Company and by a majority in number of the owners of lots
in said Plats.

The Company expressly reserves the right in its absolute discretion to treat
these Plats, and any other adjoining or nearby tracts having the same or similar
restrictions as a single tract, so far as it may consider proper and whenever by
appropriate instrument it shall have so declared, the action of a majority in
number of the owners of lots in all such tracts, taken in the manner herein pro-
vided, at the option of the Company, may be effective to annul, waive, change,
enlarge, or modify any of the covenants, agreements, easements, restrictions,
provisions, conditions and charges herein contained.

All instruments executed for the purpose of annulling, waiving, changing,
enlarging or modifying any of the covenants, agreements, provisions, conditions
