This restriction as to the distance at which said dwelling house shall be placed from the front, side and rear lines of said premises shall apply to and include porches, verandas, portes cochere, and other similar projections of said dwelling. The parcel of land upon which a dwelling is to be constructed and/or maintained together with the land adjacent thereto and used in conjunction therewith may include one lot or part of one, two, or more lots delineated on the recorded plat of Runnymede Meadow, but only with the written consent of Developer. Developer may require dwellings to be erected farther from the street than the building set-back line or lines.

SECTION 4. No garage or any addition thereto or alteration thereof shall be erected, reconstructed, placed or suffered to remain upon said premises except for the exclusive use of the family occupying said dwelling and the servants thereof, nor unless, such garage be made an integral part of said dwelling, nor unless nor until the size, location, type, style of architecture, cost, use, the materials of construction thereof, the color scheme therefore, the grade elevations thereof, and the plans, specifications and details of said garage, including the driveway approach, the garage entrance shall have been first approved in writing by Developer, and a true copy of said plans and specifications and details of said garage shall have been

SECTION 6. No portion of the within described premises nearer
to any highway than the building set-back line or lines shown upon the

preventing the use of such portion of said premises for walks (and
drives if otherwise permitted), the planting of trees or shrubbery, the
growing of flowers or ornamental plants, or statuary foundations and
similar ornamentations, for the purpose of beautifying said premises,
but no vegetables, so-called, nor grains of the ordinary garden or

SECTION 7. In connection with the provisions contained in Section 3 above, it is hereby provided that if, in the opinion of Developer, by reason of the shape, dimensions or topography of the premises herein described, or by reason of the type of dwelling to be erected thereon, or for any other reason satisfactory to it, the endorsement of the provisions of said Section would work a hardship, Developer may modify such provisions so as to permit variations in cost, size, type, location or otherwise that will not, in its judgment, do material damage to any abutting or adjacent property.

SECTION 8. Developer reserves the exclusive right to grant consents for the construction, operation, and maintainence of electric light, telephone, cable television systems and telegraph poles, lines and conduits, and for water, gas, sewer and pipes and conduits or any other public utilities facilities, together with the necessary or proper incidents and appurtenances, in, through, under and/or upon any and all highways, now existing or hereafter established, upon which any portion of said premises may now or hereafter front or abut.

SECTION 9. Developer reserves to itself, its successors and assigns, a perpetual easement in, through, under and/or over those portions of the rear and sides of each lot, as shown on the plat of Runnymede Meadow designed as utility rights-of-way, for the constructions, operation and maintenance of electric lights, telephone, cable television systems, and telegraph poles, lines and conduits, and for water, gas and sewer lines, and conduits, or any other public utility facilities, together with the necessary or proper incidents and appurtenances, and no building or other structure, or any part thereof, shall be erected or maintained upon any part of the property in Runnymede Meadow, over or upon which easements nor the installation and maintenance of public utilities and storm sewers will be or have been granted. No advertising sign, billboard or other advertising device shall be erected, placed or suffered to remain upon said premises or upon or visible from the outside of said dwelling without the consent of Developer first having been obtained. A standard real estate sign not exceeding six (6) square feet in area on a side and advertising the lot or dwelling "For Sale" or "For Rent" shall, however, be permitted. The right is reserved by Developer to erect small structures and place signs on any unsold lot or improvements thereon.

SECTION 11. No animals, rabbits or poultry of any kind, character or species of fowl or livestock, shall be kept upon or maintained on any part of any lot or tract. Developer reserves the right to adopt reasonable regulations governing the keeping within any dwelling house of domestic dogs, cats or other household pets, calculated not to become and not becoming a nuisance to the owners or inhabitants of Runnymede Meadow.

SECTION 12. No boats, trailers, motor homes, recreational vehicles, motor coaches or trucks (except pick-up trucks not exceeding one (1) ton and window and panel vans not exceeding one (1) ton, so-called) shall be parked, stored or suffered to remain upon said premises or in the streets within Runnymede Meadow unless parked or stored within a garage on said premises and out of view.
SECTION 13. No clothes lines, clothes, sheets, blankets, or other articles shall be hung out or exposed on any part of said premises.

SECTION 14. All dwelling shall be equipped with a "rustic cedar" mailbox (so-called) approved by The United States Postal Service. Furthermore, each Builder of dwellings on any lots in Runnymede Meadow, shall comply with the site grading plan prescribed by the Lucas County Ohio Engineer. Said Lucas County Ohio Engineer may determine that certain lots may require retaining walls in order to preserve trees presently located on said lots. If said retaining walls are necessary and if the owner of said lots desires to preserve said trees, then said retaining walls will be constructed only after the plans have been approved by the Lucas County Ohio Engineer and the Developer as herein provided. If the owner of any of said lots does not wish to construct retaining walls which may be necessary, then in that event the site grading plan prescribed by the Lucas County Ohio Engineer shall be complied with including grading to accomplish the required slope along the public road rights-of-way.

SECTION 15. No above ground swimming pools shall be constructed, reconstructed, allowed or suffered to remain upon said premises unless said above ground swimming pools have a total water surface of less than seventy-five (75) square feet and a depth of less than twenty-four (24) inches.

SECTION 16. Developer, subject to Section 14 above, reserves the sole and exclusive right to establish grades and slopes on the premises herein described, and to fix the grade at which any dwelling shall hereafter be erected of placed thereon, so that the same may conform to a general plan.

SECTION 17. Developer reserves the right to install decorative fencing over a four (4) foot wide strip of land along each lot adjoining public rights-of-way. Developer shall not be compelled to install such decorative fencing. If it so elects to install fencing on all or any part of said lots, once installed, such fence shall become the property of the owner of said lot. Thereafter it shall be
the lot owners responsibility to maintain said decorative fencing in substantially the same condition as when the fencing is originally installed. Such fencing shall be constructed of masonry and/or wood and/or shrubbery or other vegetation or any combination thereof in the sole discretion of Developer. In addition, Developer retains the right to install decorative entrance structures into the Subdivision. The design and materials used in constructing said decorative entrance structures shall be determined by Developer in its sole discretion. Decorative entrance structures may be constructed by Developer on all or any portion of the above mentioned lots and each decorative entrance structure shall not exceed one hundred (100) square feet of ground area. Once constructed, maintenance of said decorative entrance structures shall be the sole responsibility of each lot owner upon which a decorative entrance structure is located. Said lot owner shall maintain said decorative entrance structure in substantially the same condition as when the decorative entrance structure was originally constructed.

SECTION 18. All rubbish and debris, combustible and non-combustible, and all garbage shall be stored in underground containers or stored and maintained in containers, entirely within the garage, basement or in the rear of at the side of the dwelling. In no event shall any rubbish, debris or containers be visible from any street in the front or at the side of the dwelling. Additional regulations for the storage, maintenance and disposal of rubbish, debris, leaves, and garbage may, from time to time, be established by Developer.

SECTION 19. Developer reserves and is hereby granted the right in case of any violation or breach of any of the restrictions, rights, reservations, limitations, agreements, covenants, and conditions herein contained, to enter the property, upon or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the owner thereof, any erection, thing or condition that may
be or exists thereon contrary to the intent and meaning of the provisions hereof as interpreted by Developer and Developer shall not, by reason thereof, be deemed guilty of any manner of trespass for such entry, abatement or removal. A failure of Developer to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants, and conditions contained herein shall in no event be construed, taken or held to be a waiver therefor or acquiescence in or consent to any continuing further or succeeding breach or violation thereof, and Developer shall at any and all times have the right to enforce the same.

SECTION 20. No grantee or successor in title shall subdivide or convey less than the whole of any lot without first obtaining the written consent of Developer.

SECTION 21. In all instances where plans and specifications are required to be submitted to and are approved by Developer, if subsequent thereto there shall be any variance in the actual construction and location of any alteration or addition, fence, wall, hedge, or roadway, any such variance shall be deemed a violation of these restrictions.

SECTION 22. Whenever any of the foregoing covenants, reservations, agreements or restrictions provide for any approval, designation, determination, modification, consent or any other action by Developer, any such approval, designation, determination, modification, consent or any other such action shall be valid if accomplished by persons authorized to sign deeds on behalf of Developer, or its assigns.

ARTICLE TWO

SECTION 1. Upon the completion, sale and occupancy of not less than fifteen (15) dwellings in said Runnymede Meadow, Developer may cause to be incorporated a non-profit corporation under the laws of the State of Ohio, to be called the "Runnymede Meadow Property Owners Association" or a name similar thereto, and upon the formation of such association, every owner (meaning a full building site) shall become a member thereof, and each such owner, including Developer shall be
entitled to one vote on each matter submitted to a vote of members for each lot owned by him or it; provided, however, that where title to a lot is in more than one person, such co-owners acting jointly shall be entitled to but one vote. Until such Association is formed, Developer shall retain all the rights, privileges and powers as are herein provided.

SECTION 2. The Association, by vote of two-thirds (2/3) of its members may adopt such reasonable rules and regulations, including the right to levy reasonable assessments for the maintenance of common areas or other activities undertaken by the Association, as it may deem advisable for the maintenance, conservation and beautification of the property, and for the health, comfort, safety and general welfare of residents on said property and all parts of said property shall at all times be maintained subject to such rules and regulations.

SECTION 3. Developer by an instrument in writing, in the nature of an assignment, shall vest the Association, if and when formed, with the rights, privileges and powers herein retained by the said Developer, which said assignment shall be recorded in the office of the Recorder of Deeds of Lucas County, Ohio.

ARTICLE THREE

SECTION 1. Each grantee of Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, easements and the jurisdiction, rights, and powers of Developer, created or reserved by this Declaration of Restrictions or by plat or deed restrictions heretofore recorded, and all easements, rights, benefits, and privileges of every character hereby granted, created, reserved or declared and all impositions and obligations hereby imposed, shall run with the land and bind every owner of any interest therein, and inure to the benefit of such owner, in like manner as though the provisions of the Declaration were recited and stipulated at length in each and every deed of conveyance. The violation of any restriction or condition, or the breach of any covenant or provision herein contained shall give Developer or its successors or assigns, or the Association, the right (a) to enter upon
the land upon which or as to which, such violation or breach exists, and to summarily abate and remove, at the expense of the owner of said lot or lots any structure, thing or condition that may exist contrary to the intent and meaning of the provisions hereof, and Developer or its successors and/or assigns, or the Association, or its agents, shall not thereby be deemed guilty of any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either in law or equity, the continuance of any breach.

SECTION 2. All restrictions, covenants, conditions, agreements and other provisions herein contained shall be deemed subject to and subordinate to all mortgages or deeds of trust in the nature of a mortgage now or hereafter executed, encumbering any of the real property herein described, and none of said restrictions, covenants, conditions, agreements or other provisions shall supercede or in any way reduce the security or affect the validity of any such mortgage or deed of trust in the nature of a mortgage. It is distinctly understood, and agreed, however, that if any portion of said property is acquired in lieu of foreclosure, or is sold under foreclosure of any mortgage, or under the provisions of any deed of trust in the nature of a mortgage, or under any judicial sale, any purchaser at such sale, his heirs, successors or assigns shall hold any and all property so purchased or acquired subject to all of the restrictions, covenants, conditions, agreements and other provisions of this Declaration.

SECTION 3. No restrictions imposed hereby shall be abrogated or waived by any failure to enforce the provisions hereof, no matter how many violations or breaches may occur.

SECTION 4. The invalidity of any restriction hereby imposed, or of any provisions hereof, or any part of such restriction or provision, shall not impair or affect in any manner the validity, enforceability, or effect of the rest of this Declaration.

SECTION 5. Developer reserves the right to change, modify, alter or rescind any of the restrictions and covenants herein contained, except those set forth in Section 8 of Article One hereof.
SECTION 6. A violation of any of the rules and regulations adopted by Developer or by the Community Association shall be deemed a violation of this Declaration and may be enjoined as herein provided.

SECTION 7. The rights, privileges and powers herein retained by Developer shall be assignable to, and shall inure to the benefit of their successors and assigns.
