SUPPLEMENTAL RESTRICTION AGREEMENT

THIS SUPPLEMENTAL RESTRICTION AGREEMENT is made and entered
into this 21st day of August, 1986, by and between SPRING MEADOWS
SHOPPING CENTERS ASSOCIATES, a general partnership, whose address is c/o
Kemco-Gershenson, Inc., 31313 Northwestern Highway, Suite 201,
Parramore Hills, Michigan 48018 (herein referred to as "Developer") and
K MART CORPORATION, a Michigan corporation, whose address is 3100 West
Big Beaver Road, Troy, Michigan 48084 (herein referred to as "K mart").

WITNESSETH:

WHEREAS, Developer is the owner of a certain parcel of land
located in the City of Toledo, County of Lucas, State of Ohio, and
located as shown outlined in green on the plot plan attached hereto as
Exhibit A and described in Exhibit B attached hereto (the "Developer
Site-Phase II"); and

WHEREAS, K mart is the owner of that certain parcel of land
adjacent to the Developer Site-Phase II, which parcel of land is located
as shown outlined in pink on Exhibit A and is described in Exhibit C
hereto (the "K mart Site"); and

WHEREAS, the Developer Site-Phase II and the K mart Site shall
be collectively referred to as "Phase II"; and

WHEREAS, Developer, K mart, JCP Realty, Inc., ("JCP") and
Service Merchandise Company, Inc. ("SMC") have entered into a Reciprocal
Easement Agreement (the "REA"), which REA encumbers Phase II as well as
parcels of property owned by Developer, SMC and JCP which are adjacent
to Phase II and are identified collectively as "Phase I" on Exhibit A; and

PARTNERSHIP CERTIFICATE IN COMPLIANCE
WITH SEC. 1777.02, MICROCHIE NO. 86-
62210111, FILED 3/11/86
BILL COPELAND, RECORDER, BY

Toledo, OH
8/11/86

86 343A01
WHEREAS, Developer and K mart, as the sole owners of the property comprising Phase II, desire to amend some of the provisions of the EEA with respect to the development and operation of Phase II and establish further agreements, rights, restrictions, and obligations with respect to the development and operation of Phase II.

NOW, THEREFORE, in consideration of the foregoing, and of the mutual covenants contained herein the parties hereto hereby covenant and agree to and with each other as follows:

1. Notwithstanding the provisions of Article III of the EEA the Developer, SNC and JCP, their successors and assigns, shall not have an easement in, over, on and to the K mart Site for the construction and maintenance of footings and foundations, and K mart, its successors and assigns, shall not have an easement in, over, on and to the Developer Site-Phase II for the construction and maintenance of footings and foundations.

2. The Common Area on Phase II shall be lighted to a minimum of 1 1/2 foot candles average on ground level from 9:00 a.m. to 10:30 p.m. Monday through Sunday. The lights for the Common Area on the K mart Site shall be controlled by K mart from the building to be constructed on the K mart Site and shall be separately metered to measure only the electricity consumed to light the lights on the K mart Site. K mart may extend the hours the Common Areas on the Developer Site-Phase II are lighted and shall at all times have access to and the right to use the light controls for the Developer Site-Phase II to light the Common Areas thereon, provided that it shall pay the cost of all electricity consumed in lighting the Developer Site-Phase II Common Area after 10:30 p.m. and before 9:00 a.m. Developer shall light the Access Roads during all hours of darkness.

3. (a) Developer shall maintain and light the Common Areas on Phase II (including the detention pond) and the Access Roads identified
as "A", "B", "C", "D" and "P" on Exhibit A hereto to the standards specified in Article V of the REA and herein.

(b) K mart shall reimburse Developer for the actual cost of maintaining and lighting the Common Areas on the K mart Site and, until a second store is opened for business on the Developer Site-Phase II (exclusive of the Developer Outlots, as hereinafter defined), the actual cost of maintaining and lighting the portion of Phase II outlined in orange on Exhibit A hereto (the "Additional Common Area"). K mart shall also pay the actual cost of electricity consumed in lighting any additional areas requested by K mart to be lighted after 10:30 p.m. and before 9:00 a.m. After a second store is opened for business on the Developer Site-Phase II (exclusive of the Developer Outlots), the cost of maintaining and lighting the Phase II Common Areas (said costs are herein referred to as the "Phase II Common Area Maintenance Costs") shall be apportioned between K mart and Developer, each paying a percentage equal to the gross land area of their respective portion of Phase II which has been improved with either buildings or Common Area divided by the total gross land area in Phase II that has been improved with either buildings or Common Area. The Phase II Common Area Maintenance Costs shall not include the cost of any work which does not benefit Phase II. The Developer shall, to the extent possible, obtain separate statements for the Phase II Common Area Maintenance Costs, but to the extent separate statements are not possible or it would be less expensive to divide a cost between Phase II and other property, the Developer shall do so and only the proportionate share of such costs attributable to Phase II shall be included in the Phase II Common Area Maintenance Costs. In this event, the cost to be attributed to Phase II shall be determined by multiplying such costs by a fraction the numerator of which is the gross land area of Phase II for which the work was done and the denominator of which is the gross land area for all the property for which the work was done. The Phase II Common Area
Maintenance Costs shall not include the real property taxes on the Access Road identified as "D" on Exhibit A hereto. Developer shall not include any capital improvements in the Common Area Maintenance Costs for Phase II in excess of Ten Thousand Dollars ($10,000.00) per calendar year unless such excess capital improvements have been approved by the owner of the K mart Site, which approval shall not be unreasonably withheld or delayed.

(c) K mart shall pay 16.23% of the real property taxes on the Access Road identified as "D" on Exhibit A hereto.

(d) In addition to the foregoing, K mart shall reimburse Developer for K mart's pro rata share of the Developer's actual cost of (i) maintaining, lighting and insuring the Access Roads and the detention pond, and (ii) the cost of real property taxes on the property on which the detention pond and Access Roads "A", "B", "C" and "M" are located (said costs are herein collectively referred to as the "Developer's Off-Site Costs"). This work is part of the work the Developer may elect to perform under Article X of the Total Improvement and Maintenance Agreement dated July 1, 1986 (the "TIMA"), and, if the Developer makes this election under Article X of the TIMA Developer may be reimbursed by others up to sixty-five percent (65%) of such costs, thereby limiting the Developer's Costs to thirty-five percent (35%) of the actual costs of such work. The Developer has represented to K mart that it intends to make this election (although Developer may elect to stop performing such work after the commencement thereof in its sole discretion) and that the conditions precedent to its being entitled to reimbursement for sixty-five percent (65%) of such costs will be satisfied. The Developer has agreed for purposes of this Agreement that the Developer's Off-Site Costs shall be limited to thirty-five percent (35%) of the actual cost of such work. Therefore, K mart shall reimburse the Developer for the Developer's Off-Site Costs work in the manner herein-after set forth:
(i) For one (1) year after the building constructed on the Kmart Site is first opened for business to the public or until a store opens for business on the Developer Site-Phase II (exclusive of the Developer Outlots), whichever shall first occur, Kmart shall pay 15% of the Developer's Off-Site Costs (this percentage represents the gross area of Phase II, 18.27 acres, divided by the gross area of Phase I and Phase II, 43.12 acres, multiplied by 35%).

(ii) Thereafter, Kmart shall pay 13.4% of the Developer's Off-Site Costs (i.e., the gross area of the Kmart Site, 7 acres, divided by the total gross area of Phase II, 18.27 acres, multiplied by 35%) provided that until any business opens on the Developer Outlots Kmart shall pay 14% of the Developer's Costs (i.e., the gross area of the Kmart Site, 7 acres, and Additional Common Area, 1.35 acres, divided by the gross area of Phase II, 18.27 acres, multiplied by 35%).

; provided, however, that notwithstanding the foregoing, if the Developer discontinues performing such work under the TIN, thereafter and notwithstanding any provision in the REA to the contrary, Kmart shall not be required to pay to the Developer any sums in excess of sixteen and 2/100 percent (16.2%) of the actual cost of maintenance, taxes and insurance on Access Roads "A", "B", "C", "D" and "F" and the detention pond, provided further that Kmart shall not be obligated to pay any costs with respect to the Access Roads if the owners of the property designated "Phase 1" on Exhibit A hereto are not obligated to reimburse Developer for their pro rata share of the costs thereof.

(a) There shall be added to the cost Kmart is required to pay to the Developer for its share of the Common Area Maintenance Cost and Developer's Off-Site Costs a maintenance fee equal to ten percent (10%) of the amount Kmart is otherwise required to pay to the Developer.

(f) Except as provided above in paragraphs (a), (b), (c) and (d), Kmart shall not pay to Developer any sums Kmart would otherwise be liable to pay to Developer under the REA; provided, however, that Kmart shall pay the charges set forth in Article V, paragraph (vi) of the REA for repairs to utilities, pay for the pylon sign for Phase II.
as required by Article VI of the REA, obtain the liability and casualty insurance as required by Article VIII of the REA and pay the real estate taxes and utility charges for its property as required by Article XIX of the REA.

4. In the event that Developer fails to maintain the K mart Site, the Additional Common Area, Access Roads "C", "D" and "F" or the detention pond in a first class condition, the owner of the K mart Site, after written notice to Developer and failure of Developer to commence to cure within fifteen (15) days thereafter or diligently proceed to cure, shall have the right to perform such work that Developer has failed to do. For so long as the owner of the K mart Site performs such work, the Developer shall reimburse K mart for the cost of such work in excess of the cost K mart would have had to pay the Developer if the Developer had performed the work. Payment to K mart shall be on the date that K mart would have paid the Developer for the work if the Developer had performed the work. The Developer shall resume performing the work within thirty (30) days after K mart requests that it do so, whereupon Developer shall be responsible to perform the work and K mart shall pay to Developer its pro rata share of the cost thereof as set forth herein.

5. K mart shall have the right to install one sign panel on each side of the pylon sign for Phase II, as described in Article VI of the REA. Each panel shall be at the top of the pylon sign, second only to a shopping center identification panel installed by Developer, if any. K mart shall have the right to determine the color and design of its sign panels. Developer shall erect such pylon sign at least sixty (60) days before the date that K mart opens for business. Developer shall have the right to install as many as four (4) panels on each side of the pylon sign beneath the K mart panels for identifying tenants (or owners) of portions of Phase II. The Developer shall not install any panels on the pylon sign which would preclude K mart from installing its
panels on the pylon sign. The K mart panels shall be larger than the Developer panels. In this regard, the space available for tenant signage on the pylon sign shall be allocated between K mart and Developer as follows: the K mart panels shall be 25% of the total available signage, and both sides of each of the four (4) Developer panels shall not be greater than 18.75% of the total available signage. The cost of such sign shall be allocated on the basis of the number of panels on the sign, the shopping center identification panels for which Developer is responsible and any panel divided vertically being considered as two one-half panels.

6. If permitted by law, and to the extent that Developer has the right, Developer shall permit K mart to install one sign panel of its color and design on each side of the pylon sign to be constructed adjacent to I-475 by either the Developer or the owner of the property on which the sign is located. K mart shall have the right to install such panels in the top position granted to Developer (but second to any shopping center identification panel installed by Developer, if any) and shall pay all costs Developer is required to pay in connection with the panels installed by K mart and its pro rata share (based upon the square footage of each panel on the sign, any shopping center identification panels being considered panels for which Developer is responsible) of the cost of construction and maintenance of the pylon. Developer shall use its best efforts to construct a pylon sign or have the pylon sign constructed and permit K mart to install its panels thereon as aforesaid.

7. Pursuant to the provisions of Article VII of the REA with respect to outdoor sales, K mart and Developer hereby consent to let each other have outdoor sales within the Common Area of Phase II located within their respective Sites, upon the following terms and conditions:

(i) the party desiring to use its Common Area for such purpose shall give the other owners of property in Phase
II (excluding the Developer Outlots) at least thirty (30) days prior notice;

(iii) the portion of the Common Area used for such outdoor sales shall be within sixty (60) feet of the buildings contained in each party’s respective Site and outdoor sales for the business operated on the K mart Site shall not be East of the main entrance to the store to be constructed upon the K mart Site;

(iii) the use of such Common Area shall not unreasonably interfere with the operations of the businesses located on Phase II or with the Access Roads;

8. Anything contained in Article IX of the REA to the contrary notwithstanding, the parties hereto agree at all times during the term of the REA to maintain sufficient parking areas in Phase II to comply with (i) local zoning requirements in effect as of the date of execution of this Agreement, or (ii) 4.75 cars for each one thousand (1,000) square feet of gross floor area, whichever is greater. No party shall take any action which would create a violation of this provision by any other party.

9. No owner of any portion of Phase II shall grant parking rights within Phase II to the owner or Tenant of any other parcel of property, except as already granted to the owner of any portion of the Total Site pursuant to the REA.

10. No party shall stockpile dirt or other building materials in front of the K mart Site, except that Developer shall have the right to stockpile dirt upon the Outlots in front of the K mart Site so long as such dirt is removed at least one week prior to the opening of the store upon the K mart Site. K mart shall give the Developer at least thirty (30) days prior notice of the proposed date of such opening in order for the Developer to have removed any stockpiled dirt by the store opening.
11. Each owner of the outlots located within Phase II which
are identified as buildings, L, M, N and O on Exhibit A (the "Developer
Outlots") shall have the right to construct a building upon its respec-
tive Outlot in the approximate location shown on Exhibit A, provided
that such building shall not be greater than one story or twenty seven
(27) feet in height (including all signs and/or parapets) and shall not
be greater than the square footage set forth for each Developer Outlot
on Exhibit A. The parties acknowledge that the building configurations
set forth on Exhibit A for the Developer Outlots are approximations only
and are subject to change.

12. There shall at all times be maintained for the benefit of
K mart, its successors and assigns, a paved circular drive around the
building located on the K mart Site not less than 45 feet wide behind
the building to be constructed on the K mart Site and not less than
thirty (30) feet wide behind the buildings to be constructed on the
Developer Site-Phase II. Such drive need not circle such buildings if
the Access Road upon the Easterly boundary of the Developer Site-Phase
II (Access Road "u" on Exhibit A hereto) is completed and paved and the
drive behind the buildings extends to such Access Road. Such circular
drive may be relocated from time to time at Developer's expense. The
Developer shall have the right to surcharge that portion of the Devel-
oper Site which is more than 25 feet from the Easterly boundary of the
K mart Site provided that it first obtains the approval of K mart, which
approval shall not be unreasonably withheld. If requested by K mart the
Developer shall construct a temporary security fence around the area
being surcharged while the area is being surcharged. K mart shall have
the right to approve the design of the fence, which approval shall not
be unreasonably withheld. The circular drive may be relocated to go
around the area being surcharged.

13. Developer hereby grants and conveys to K mart a
perpetual and permanent exclusive easement for the placement and
operation of an electrical transformer on the Developer's Site-Phase II in the location set forth in Exhibit A hereto and a permanent and perpetual non-exclusive easement leading directly from the transformer to the Kmart Site under and across the Developer Site-Phase II for the installation of electrical service lines from the transformer to the Kmart Site. Kmart shall have the right to enter the Developer's Site-Phase II for the purpose of maintaining, repairing and replacing the electrical transformer and electrical service lines, provided that all of such work is done in accordance with the requirements of Article II of the REA.

14. All the covenants, agreements, conditions and restrictions set forth in this Agreement are intended to be and shall be construed as covenants running with the land, binding upon, inuring to the benefit of and enforceable by the parties hereto, their respective successors and assigns, upon the terms, provisions and conditions hereinabove set forth.

15. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio. If any provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and each provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

16. Each notice, consent, demand or other document or instrument required or permitted to be served upon either of the parties hereto shall be in writing and shall be deemed to have been duly served if mailed by certified or registered United States mail, postage prepaid, return receipt requested, addressed to the respective parties as the addresses stated below:
17. Except as amended hereby the REA shall continue in full force and effect. The capitalized terms not defined herein shall have the meaning given to each in the REA. Exhibits A, B and C are attached hereto and made a part thereof. Nothing contained in this Agreement shall be deemed to limit the excusal clause set forth in Article XXIII of the REA in any manner and such excusal clause shall be applicable hereto and incorporated herein as if fully set forth herein.

IN WITNESS WHEREOF, the parties hereto have set their hands the day and year first above written.

SUPPLEMENTAL RESTRICTION AGREEMENT

THIS SUPPLEMENTAL RESTRICTION AGREEMENT is made and entered into this 1st day of January, 1987, by and between SPRING MEADOWS SHOPPING CENTER ASSOCIATES, a general partnership, whose address is c/o Ramco-Gershenson, Inc., 27600 Northwestern Highway, Suite 200, Southfield, Michigan 48034 (herein referred to as "Developer") and THE KROGER CO., an Ohio corporation, whose address is 4450 Poth Road, Columbus, Ohio 43213 (herein referred to as "Kroger").

WITNESSETH:

WHEREAS, Developer is the owner of a certain parcel of land located in the City of Toledo, County of Lucas, State of Ohio, described in Exhibit "A", attached hereto and made a part hereof (the "Developer Site"); and

WHEREAS, Kroger is the owner of that certain parcel of land adjacent to the Developer Site, which parcel of land is described in Exhibit "B" attached hereto and made a part hereof (the "Kroger Site"); and

WHEREAS, Developer, K mart Corporation ("K mart"), JCP Realty, Inc. ("JCP"), and Service Merchandise Company, Inc. ("SMC") have entered into a Reciprocal Easement Agreement (the "REA") recorded in Deed Records 86-304A08 and Volume III of Plats, Page 1, Lucas County, Ohio Records, which REA encumbers, among other parcels of property, the Developer Site and the Kroger Site; and

WHEREAS, Developer and Kroger as the sole owners of the Developer Site and the Kroger Site, desire to establish further agreements, rights, restrictions, and obligations with respect to the development and operation of the Developer Site and the Kroger Site and to modify certain obligations set forth in the REA with respect to the Developer Site and the Kroger Site.

NOW, THEREFORE, in consideration of the foregoing, and of the mutual covenants contained herein, the parties hereto hereby covenant and agree to and with each other as follows:

1. With respect to the obligation of the owner of the Kroger Site to pay a portion of the Common Area costs as set forth in Article V of the REA, to the extent that the Internal Revenue Code of 1954, as amended, requires that any cost incurred by Developer in connection with maintaining the Common Areas be capitalized, rather than expensed, Kroger shall only pay its prorata share of that part of such cost which is depreciated in each year, and the administrative charge with respect to such cost shall only be calculated on the depreciated portion of such cost for such year.

Post to Lots 2, 5, 7, 8, 9, 10, 11, 12, 13, 17, and 1

SPRING MEADOWS PLACE PHASE ONE

C

87 021208
2. Notwithstanding anything to the contrary contained in Article XX of the REA, in the event that the building located upon the Supermarket Site, which Site is defined herein as the "Kroger Site", is closed as a result of labor dispute, strike, or walk-out, Developer shall not exercise its right of repurchase as set forth in Article XX, provided, however, that if such store remains closed for a period in excess of two (2) years as a result of a labor dispute, strike, or walk-out, Developer may, at the end of such two (2) year period, exercise its rights pursuant to Article XX within one hundred twenty (120) days after the end of such two (2) year period. Developer shall have the right to request Occupancy Agreements for the Closed Site within forty-five (45) days prior to the end of such two (2) year period, and the owner of the Kroger Site shall comply with such request as is set forth in Article XX.

3. The owner of the Developer Site shall not lease, rent, occupy or suffer or permit to be occupied, any part of the Developer Site for the purpose of conducting therein or for use as a drug store or a drug department requiring services of a registered pharmacist, or a food store or a food department or for the sale for off-premises consumption of groceries, meats, produce, dairy products or bakery products, beer, wine, liquor, or any of them; provided, however, that nothing contained herein shall prevent any lessee or user of a portion of the Developer Site from selling such products as an incidental part of its other and principal business so long as the total number of square feet devoted by such lessee or user to the display for sale of such products does not exceed five (5%) percent of the total number of square feet of building area leased by such lessee or user; or 500 square feet (including, in either such case, half of the aisle space adjacent to any display area), whichever is smaller, and further provided this covenant shall cease to be in force and effect if the owner of the Kroger Site or a lessee, sublessee or assignee hereof, does not conduct a business in the Kroger Site for the sale of groceries, meats, produce, dairy products, bakery products or any of them, for off-premises consumption for a period of 180 days or longer, except when such failure is caused by strikes, labor disputes or conditions beyond the control of the owner of the Kroger Site or its lessee, sublessee or assignee. Nothing contained herein shall prohibit any portion of the Developer Site from being used for the sale of ice cream and related products or for the sale of various types of popcorn. Furthermore, the foregoing restrictions shall not apply to those portions of the Developer Site identified as Major Store E and Major Store G on Exhibit "A" to the REA. Neither Major Store E nor Major Store G shall be used by anyone for the following (but the incidental use of Major Store E and Major Store G for the following purposes shall be permitted): drug store, supermarket, grocery store (including a convenience store or a produce/fruit market). Notwithstanding the foregoing, the pro-
hibition of drug store use shall not apply to a drug store whose operation commenced in Major Store E and Major Store G following the second anniversary of the opening for business of Major Store E or Major Store G and during any period (hereinafter, a "No Drug Store Phase"), during which no drug store or drug department requiring the services of a registered pharmacist is operated in the Kroger Site. For the purpose of the foregoing sentence, the term "No Drug Store Phase", shall be deemed to exclude temporary closings of any then existing drug store or drug department requiring the services of a registered pharmacist within the Kroger Site and a one (1) year period following the closing of any drug store or drug department requiring the services of a registered pharmacist within the Kroger Site.

4. All the covenants, agreements, conditions and restrictions set forth in this Agreement are intended to be and shall be construed as covenants running with the land, binding upon, inuring to the benefit of and enforceable by the parties hereto, their respective successors and assigns, upon the terms, provisions and conditions hereinafter set forth.

5. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio. If any provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and each provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

6. Nothing contained in this Supplemental Restriction Agreement shall be deemed to limit the exculpatory clause set forth in Article XXIII of the REA in any manner and such exculpatory clause shall be applicable hereto and incorporated herein as if fully set forth herein.

7. All defined terms herein shall have the same meaning as is set forth in the REA.

8. Each notice, consent, demand, or other document or instrument required or permitted to be served upon either of the parties hereto shall be deemed to have been duly served if mailed by certified or registered United States mail, postage prepaid, return receipt requested, addressed to the respective parties at the addresses stated below:

AMENDMENT TO SUPPLEMENTAL RESTRICTION AGREEMENT

This Amendment to Supplemental Restriction Agreement ("Amendment") is made and entered into this 27th day of June, 1989, by and between Spring Meadows Shopping Center Associates, a general partnership, whose address is c/o Eason-Gerhensson, Inc., 27600 Northwestern Hwy., Suite 200, Southfield, Michigan 48034 (herein referred to as "Developer") and The Kroger Co., an Ohio corporation, whose address is 4450 Poth Road, Columbus, Ohio 43213 (herein referred to as "Kroger").

WITNESSETH:

WHEREAS, Developer, K mart Corporation, JCP Realty, Inc., and Service Merchandise Company, Inc. have entered into a Reciprocal Easement Agreement (the "REA") recorded in Deed Records 86-304408 in Volume 3 of Plat, Page 1, Lucas County, Ohio Records; and

WHEREAS, pursuant to the terms of a certain Assignment and Assumption Agreement executed the 4th day of February, 1987 by Kroger and Developer, which Assignment and Assumption Agreement was recorded in Deed Records 87-023103, Lucas County, Ohio Records, Kroger has become a party to the REA; and

WHEREAS, simultaneously with the execution of such Assumption Agreement, Kroger and Developer entered into that certain Supplemental Restriction Agreement (the "Supplemental Restriction Agreement") dated February 4, 1987 and recorded in Deed Records 87-021305 Lucas County, Ohio Records; and

WHEREAS, Developer and Kroger now desire to amend the terms of the Supplemental Restriction Agreement and, in so doing, further amend the terms of the REA with respect to property owned by Developer and Kroger within the area encumbered by the REA.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties hereto, intending to be legally bound hereby, hereby agree as follows:

1. Kroger hereby agrees that the site plan attached as Exhibit "A" to the REA shall be modified in the manner set forth in Exhibit "A" attached hereto and made a part hereof. The size of the building on the cut parcel in front of Kroger is changed to reflect a new total building area of 2600 sq. ft. It is outlined in Paragraph 3 of the Supplemental Restriction Agreement shall be amended by adding the following paragraph to the end of Paragraph 3 thereof:

Notwithstanding anything to the contrary contained in this Paragraph 3, Kroger agrees that the restrictions set forth in this Paragraph 3 with respect to food stores, food departments, or the sale of off premises consumption of groceries, meats, produce, dairy products or bakery products, beer, wine, liquor or any of them, shall not be applicable to that portion of the Developer Site located within Phase II and set forth on Exhibit "A" hereto as the 'Target Site', but rather, in lieu thereof, the following restrictions shall be applicable against the 'Target Site': so long as a supermarket/grocery store containing at least forty five thousand (45,000) square feet of floor area (as calculated as set forth in the Supplemental Agreement) is operating on the Kroger Site, not more than ten thousand (10,000) square feet of floor area shall be used within the Target Site for the sale of food items (i.e., animal or human consumption) including but not limited to meats, produce, dairy products or bakery products, or any of them for off premises consumption; provided, however, that if, after the date hereof, a supermarket/grocery store containing forty five thousand (45,000) square feet of floor area fails to operate within the Kroger Site for a period of
one hundred eighty (180) consecutive days, then the
foregoing restriction on the Target Site shall be forever
released, even if such operation subsequently occurs.

3. Anything to the contrary contained within Article V of the EEA
notwithstanding, Developer and Kroger hereby agree that from and after the
date of execution hereof, Kroger shall be responsible for maintaining the
Common Areas located within the Kroger Site, which areas shall be maintained
strictly in accordance with the terms of Article V of the EEA. The foregoing
notwithstanding, Developer shall continue to provide snow removal service on
the Kroger Site. The parties acknowledge that, since Kroger will be
maintaining its own Common Areas as set forth in this Paragraph, Kroger
shall no longer participate in contributing to Common Area costs with
respect to those charges relating to Common Area maintenance which Kroger
will now be performing, and Kroger's participation will be reduced
accordingly. Furthermore, Kroger will not participate in paying charges
incurred under the Total Improvement Agreement, but will participate in
paying its prorata share of common area liability insurance. In the event
that Kroger fails to maintain its Common Areas in the manner required by
Article V of the EEA, Developer shall have the self-help rights with respect
to such maintenance as is set forth in the last paragraph of Article V.

5. The Supplemental Restriction Agreement as amended and modified
herein, and the EEA, to the extent supplemented or modified herein, are
hereby ratified and confirmed and shall remain in full force and effect.

IN WITNESS WHEREOF, Developer and Kroger have executed this Amendment to
Supplemental Agreement as of the date and year first above written.
