If materials other than stone, brick and lumber (except for basements and interior

All such sidewalks shall be installed completely through all driveway areas. Each owner who fails to so construct such public sidewalks shall be subject to a lien against the particular lot in question in the Developer's favor for the cost of same in the event the Developer has to construct and pay for such sidewalks due to such failure on the part of the owner. No structure or any part thereof shall be erected, placed or maintained on any lot in Valhalla nearer to the front or street line or lines than the building setback lines as shown on the Plat. Said portion of any lot shall not be used for any purpose other than that of a lawn. Nothing herein contained, however, shall be construed as preventing the use of such portion of any lot for privacy walks, driveways, if otherwise permitted, the planting of trees or shrubbery, the growing of flowers or ornamental plants, or statuary, fountains and similar ornamentations, for the purpose of beautifying any
lot, but no vegetables, so called, nor grains of the ordinary garden or field variety shall be grown on the front or side yards on such portion thereof; and no weeds, underbrush or other unsightly growths, shall be permitted to grow or remain anywhere upon any lot, and no unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon or therefrom. A hedge, wall or fence of any kind for any purpose shall be erected, placed or suffered to remain upon any lot, nor shall a hedge be erected, placed or suffered to remain upon any lot until the written consent of Developer shall have been first obtained therefor and shall be subject to the terms and conditions of said consent as to their type, height, width, color, upkeep and any general conditions pertaining thereto that said consent may name. No tree greater than six (6) inches in diameter (as measured 3 feet above existing grade) shall be removed from any lot or destroyed for purposes of construction unless approved in writing by the Developer pursuant to Section 2.1 hereof.

2.8 Establishment of Grades. Developer shall have the sole and exclusive right to establish grades, slopes and swales on all residential lots and to fix the grade at which any buildings or structures shall be erected or placed thereon, so that the same may conform to a general plan for the development and use of Valhalla. Deviation of 12” or more from such established grades is strictly prohibited unless approved by the Developer in writing.

All structures or residence dwellings built or constructed upon all residential lots shall be erected at an elevation of not less than that shown and established on certain improvement plans on file at the office of the Lucas County Engineer. In addition, the remaining portions of any residential lot upon which a structure or residence dwelling is erected shall be graded on a regular slope from the area of the structure or residence dwelling to the street pavement, except in cases of welling of trees or other natural vegetation, in accordance with certain grading, sloping and elevation requirements set forth in drawings on file at the office of the Lucas County Engineer.

Under no circumstances shall contiguous residences have a difference in elevation of more than one (1) foot at any place where situated.

Permanent storm sewer pick-ups/catch basins are located on various residential lots throughout the Subdivision. The Developer shall have the exclusive right to determine the location, color, composition size, design, lettering and standards and brackets of any mail and paper delivery boxes, provided, however, all mailboxes shall in any event be located per the applicable U.S. Postmaster’s directions. The owner of a residential lot shall maintain the mailbox and/or paper delivery box and replace when necessary with a mailbox and/or paper delivery box of exact type, look and quality. A drawing of an approved mailbox is on file at Developer’s office for inspection by all lot owners.

2.11 Fencing. No fence, hedge, wall or enclosure of any kind, for any purpose shall be erected, placed or suffered to remain upon any lot, nor shall a hedge be erected, placed, or suffered to remain upon any lot until the written consent of the Developer shall have been first obtained therefor, and to be subject to the terms and conditions of said consent as to its type, height (no approved fence shall be more than four (4) feet high), width, color, upkeep and any general conditions pertaining thereto that said consent may name. It is hereby stipulated split-rail treated hardwood fence is the preferred material for any approved fence. Wire fencing may be attached to any approved split-rail fencing on the lot.
owners side of the fence with Developer approval. All approved fences shall be located at least fifteen (15) feet back from the building setback line or lines shown on the Plat and one (1) foot from the rear property line.

2.12 Construction in Violation of Approved Plan. Developer, their heirs and assigns, reserve and are hereby granted the right in case of any violations or breach of any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions herein contained, to enter the any lot or property upon or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the owner thereof, any erection, thing or condition that may be or exists thereon contrary to the intent and meaning of the provisions hereof as interpreted by Developer, or take any and all measures to stop construction on any such lot, and Developer shall not, by reason thereof be deemed guilty of any manner of trespass for such entry, abatement or removal. A failure of Developer to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained herein shall in no event be construed, taken or held to be a waiver therefor to acquiescence in or consent to any continuing further or succeeding breach or violation thereof, and Developer shall at any and all times have the right to enforce the same.

2.13 Power of Attorney. Whenever any of the foregoing covenants, reservations, agreements or restrictions provide for any approval, designation, determination, modification, consent or any other action by Developer, any such approval, designation, modification, consent or any other action by any attorney-in-fact authorized to sign deeds on behalf of Developer shall be sufficient pursuant to a recorded power of attorney.

2.14 The Valhalla Homeowners Association, Inc. The Developer has caused the Association to be incorporated as a not-for-profit corporation under the laws of the State of Ohio named "The Valhalla Homeowners Association, Inc.". The owners of lots in Valhalla and all persons who hereafter acquire title to such lots shall be members of the Association. Upon the sale and conveyance by the Developer of all lots in the Plat and all future plats, if any, of Valhalla or earlier in the election of the Developer, the Developer, by instrument in writing in the nature of an assignment, shall vest in the Association the rights, privileges and powers reserved and retained by the Developer by the terms of this Declaration of Restrictions. The assignment shall be recorded in the Office of the Lucas County, Ohio Recorder. The Association shall have the further right to the collection and disposal of funds as herein provided and it shall have the right, from and after such assignment, to enforce all provisions herein with respect to the construction, improvement, maintenance and upkeep of the Plat and previous and/or future plats, if any, in the manner determined by the Association to be for the best interests of the owners of the lots in the Plat and said previous and/or future plats, if any.

2.15 Expansion Rights. The Developer envisions that the Subdivision will consist of sixty-two (62) lots created through the preparation and filing of an additional plat to the Subdivision involving real property adjacent to the Plat ("Adjacent Property"). Developer therefore expressly reserves the right, power and option to amend these restrictions so as to include and cover all lots which eventually become part of the Subdivision as and if same have been part of the Plat from the date of the execution and recording of the Plat.

2.16 Maintenance Charges. Each and every lot in Valhalla shall be subject to a maintenance charge in the amount established by the Association, initially One Hundred Dollars ($100.00) annually (such assessment shall be on a per lot basis), payment to be made annually at the time of taking title to any lot (appropriately prorated) and then on the first day of January each calendar year for such calendar year commencing June 1, 1995. The Association shall have a lien perpetually upon lots in Valhalla to secure the payment of the annual maintenance charge. In default of the payment of such maintenance charge within sixty (60) days of its due date, a "Notice of Lien" in substantially the following form may
be filed and recorded in the lien records at the Office of the Recorder of Lucas County, Ohio:

"Notice of Lien"

Notice is hereby given that The Valhalla Homeowners Association, Inc. claims lien for unpaid annual assessments for the year(s) in the amount of $__________ against the following described premises:

(Insert Legal Description)

THE VALHALLA HOMEOWNERS ASSOCIATION, INC., an Ohio non-profit corporation

By: _____________________________, President

STATE OF OHIO, COUNTY OF LUCAS ss:

The foregoing instrument was acknowledged before me this ______ day of __________________, 19____, by _____________________________, President of The Valhalla Homeowners Association, Inc., an Ohio non-profit corporation, on behalf of the corporation.

Notary Public

In any event any of said annual assessments are not paid when due, the Developer may, when and as often as such delinquencies occur, proceed by law to collect the amount then due by foreclosure of the above described lien, otherwise, and in such event, shall also be entitled to recover and have and enforce against each residential lot a lien for its costs and expenses in that behalf, including attorney fees. No owner may waive or otherwise escape liability for the annual assessments provided for herein by non-use of any common areas or any facilities located thereon or by abandonment of his residential lot. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any residential lot shall not affect the assessment lien; provided, however, that the sale or transfer of any residential lot pursuant to foreclosure of a first mortgage shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof. Said charges and assessments shall be levied against all lots in Valhalla and shall be applied only toward payment of the costs of collections, improvements, the expenses of maintenance of the Association, and for any and all other purposes which the Association may determine from time to time to be for the general benefit of the owners of the lots in Valhalla, including the maintenance of boulevard areas, public rights-of-way bordering and within the Subdivision, drainage areas, and the management and enforcement of the Association's right and duties under the within Declaration of Restrictions.

ARTICLE III

EASEMENTS

3.1 Reservation of Easement Rights. Developer reserves to itself, and to their heirs and assigns, the exclusive right to grant consents, easements and rights of way for the construction, operation and maintenance of electric light, cablevision, telephone and telegraph poles, wares and conduits, including underground facilities, and for drainage, sewers and any other facilities or utilities deemed convenient or necessary by Developer or their heirs and assigns for the service of the Subdivision
on, over, below or under all of the areas designated as "Utility Easements", or with words of similar import, on the Plat, and along and upon all highways now existing or hereafter established and abutting all the residential lots in the Subdivision, including, but not limited to, the placing of a storm water drainage line to service a pond on a single-family residence property to the north of the Subdivision with the utility easement established by the Plat along the northerly border of the Subdivision. Developer also reserve to themselves, and to their heirs and assigns, the right to go upon or permit any public or quasi-public company to go upon the residential lots from time to time to install, maintain and remove such utility line and to trim trees and shrubbery which may interfere with the successful and convenient operation of such equipment. No structures, or any part thereof, shall be erected or maintained over or upon any part of the areas designated as "Utility Easement", or with words of similar import, upon the Plat. The term "structures" as used in the foregoing portion of this paragraph shall include houses, garages, other buildings and swimming pools, but shall not include residential lot improvements such as driveways, paved parking areas, and fences. No owner of any residential lot shall have the right to reserve or grant any easements or rights of way upon or over any of the residential lots without the prior written consent of the Developer, their heirs and assigns. Notwithstanding the provisions of Section 2.14, the rights reserved to the Developer in this Section 3.1 shall survive the transfer of the Developer's rights set forth in Section 2.14. The rights granted to the Developer in this Article III, Section 3.1 shall remain exclusively vested in the Developer for a period of twenty (20) years from and after the date hereof, notwithstanding any assignment by the Developer to the Association of the Developer's rights, privileges and powers as provided in Article III, Section 3.1 hereof. Upon the expiration of such twenty (20) year period, or at such earlier time as the Developer may designate, the rights granted to the Developer in this Article III, Section 3.1 shall terminate.

ARTICLE IV

4.2 Each member of the Association other than the Developer, their heirs and assigns, shall be entitled to one vote in the Association for each residential lot which such member shall own. When more than one person holds an ownership interest in any residential lot, all persons holding such ownership interest shall be members of the Association and in such event the vote for such residential lot shall be exercised as the owners among themselves determine, but in no event shall more than one vote be cast with respect to any residential lot. Where a vote is cast by one of two or more owners of any residential lot, the Association shall not be obligated to look to the authority of the member casting the vote. Notwithstanding the above, so long as the Developer shall hold title to any residential lot(s) in the Plat or in any previous and/or subsequent plat of Valhalla as above described, the Developer shall be entitled to nine (9) votes for each residential lot so owned by them.

ARTICLE VI
COMMON AREAS

6.1 Use of Common Areas. Each member of the Association, in common with all other members of the Association as owners of residential lots, shall have the right to use the Common Areas at the Valhalla for all purposes incident to the use and occupancy of such member's residential lot as a place of residence and other incidental uses including the non-exclusive easement together with other residential lot owners to the use and enjoyment of the Common Areas and for other incidental uses including but not limited to those uses set forth in this Article VI; provided, however, that such right and non-exclusive easement to use the Common Areas shall not extend to those portions of the Common Areas where the Developer has approved extensions from adjacent residential dwellings of patios, open porches, decks, walkways, driveways, decorative walls, privacy screens, shrubbery and other similar items. All members shall use the Common Areas in such manner as will not restrict, interfere or impede with the use thereof by other members of the Association, except to the extent that the Developer has approved the extension into the Common Area immediately adjacent to residential dwellings erected on a residential lot of patios, open porches, decks, walkways, driveways, decorative walls, privacy screens, shrubbery and other similar items.

6.2 The Valhalla identification sign located at the entrance to the Subdivision and any landscaping placed in connection therewith shall be considered to be Common Area and shall be maintained, repaired and replaced, from time to time, by the Association.

6.3 The Developer, their heirs and assigns, hereby reserves the right, at any time and from time to time, to convey fee simple title to all or any portion of the Common Areas in the Plat, or any Common Areas created by the Developer in any subsequent plats of the Adjacent Property to the Association, and in such instance, the Association shall be required to accept delivery of a quit-claim deed for such purpose; provided, however, that the Association shall not be required to accept title to any Common Areas in Valhalla until such time as 50% of the platted residential lots in Valhalla are owned of record by persons or entities other than the Developer.

6.4 Notwithstanding the provisions of Section 4.1 and any designation of Common Areas on the Plat or any subsequent plat(s) of the Adjacent Property, neither the Association nor any owner of any residential lot shall have any ownership interest in or any right to control the use or development of any such Common Areas unless and until the Developer shall convey such Common Areas to or for the benefit of the Association. Thereafter, the owners of the residential lots shall have only those rights with respect to the Common Areas as are granted them hereunder and under the Articles and Code of Regulations, if any, of the Association.

ARTICLE VII
ENFORCEMENT OF RESTRICTIONS, OTHER GENERAL MATTERS

7.1 Violations Unlawful. Any violation attempt to violate any of the covenants or restrictions herein shall be unlawful. Developer, the Association, or any person or persons owning any residential lot may prosecute any proceedings at law, or in equity, against the person or persons violating or attempting to violate any such restrictions to prevent him or them from so doing, to cause the removal of any violation, and/or to recover damages for such violation or attempted violation.

7.2 Savings Clause. The validity of any restriction hereby imposed, or any other provision hereof, or any part of any restriction or provision shall not impair or affect in any manner the validity, enforceability or effect of the rest of such restrictions and provisions.
7.3 Transfers and Leases Subject to Restrictions. All transfers and conveyances of every residential lot in Valhalla shall be made subject to these restrictions. All leases of any residence within the Subdivision shall be subject to these Restrictions and all By Laws, rules and regulations adopted by the Association. No lease of any residence shall be less than six (6) months in duration.

7.4 Notices. Any notice required to be sent to any owner of a residential lot or any part thereof or to Developer or to the Association shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as such owner or to the Developer or to the Association as such address appears on the applicable public record.

7.5 No Waiver of Violations. No restrictions imposed hereby shall be abrogated or waived by any failure to enforce the provisions hereof, no matter how many violations or breaches may occur.

7.6 Waiver of Restrictions by Developer. Each residential lot owner, by acceptance of a deed or other instrument of conveyance to a residential lot, hereby agrees and consents and shall be deemed to agree and consent for himself and for his heirs, personal representative, successors and assigns, that if, in the opinion of the Developer, the shape, dimensions, number of structures, location of natural features such as trees, or topography of the residential lot upon which a structure or improvement is proposed to be made, is such that a strict construction or enforcement of the requirements of the Plat or of any provision of these restrictions would work a hardship, the Developer may, in writing, grant waivers from these restrictions as to such residential lot so as to permit the erection of such structure or the making of the proposed improvements.

7.7 Paragraph Headings. The paragraph headings contained in this Declaration of Restrictions have been inserted for convenience of reference only and are not to be used in the construction and/or interpretation of these restrictions.

7.8 Warranties. Each residential lot owner, by acceptance of a deed to a residential lot in Valhalla, acknowledges and agrees and shall be deemed to acknowledge and agree that there are no representations or warranties, express or implied, by the Developer or the Association with respect to (a) the merchantability, fitness or suitability of the residential lots for the construction of residences, (b) the merchantability, fitness or suitability of any improvements within or comprising a part of the Common Areas of Valhalla, or (c) Valhalla generally, other than as expressly stated in writing, (i) by the Developer to the residential lot owner, (ii) in this Declaration, or (iii) in the Articles of Incorporation and Code of Regulations, if any, of the Association.
