Section 3. The parcel of land upon which a dwelling is to be constructed and/or maintained together with the land adjacent thereto and used in conjunction therewith may include one lot or part of one, two or more lots as designated on the Plat, but only with the prior written consent of Developer.
Section 4. No garage or any addition thereto or alteration thereof shall be erected, reconstructed, placed or suffered to remain upon any lot except for the exclusive use of the family occupying said dwelling nor unless, in the case of the single family dwelling such garage be made an integral part of said dwelling, nor unless nor until the size, location, type, style or architecture, use, the materials of construction thereof, the color scheme therefor, the grade elevation thereof, and the plans, specifications and details of said garage, including the driveway approach, and garage entrance shall have been first approved in writing by Developer, and a true copy of said plans, specifications and details of said garage shall have been lodged permanently with Developer, and no garage except as conforms to said plans, specifications, and details shall be erected, reconstructed, placed or suffered to remain upon any lot. Section 5. No above ground swimming pool shall be installed on any lot nor shall any other swimming pool or outdoor spa, hot tub, or the like, be installed in Water Park Estates until the plans, specifications and plot plan showing the location of such addition or swimming pool, spa, etc., shall have been approved in writing by Developer. Provided, however, that children’s wading pools having a total water surface of less than 75 square feet and a depth of less than 24 inches shall be permitted so long as such wading pool is not visible from the street which runs in front of the residence at which said wading pool is located.

Section 6. The location of any and all driveways shall be established as approved by Developer in writing at the time of approval of the plans and specifications for said dwelling. Section 7. All garages are to be attached to the dwelling. All garage doors for the ingress and egress of motor vehicles shall be controlled with electrically operated garage door openers. No structure or dwelling or any part thereof shall be erected, placed or maintained on any lot in Water Park Estates nearer to the front or street line or lines than the building set back lines as shown on the recorded Plat. Said portion of any lot shall not be used for any purpose other than that of a lawn or nothing herein contained; however, shall be construed as preventing the use of such portion of any lot for walks (and drives, if otherwise permitted), the planting of trees or shrubbery, the growing of flowers or ornamental plants, or statues, fountains and similar ornamental ironwork or materials, for the purpose of beautifying any lot, but no vegetables, so-called, grasses or other plants of the ordinary garden or field variety shall be grown on such portion thereof and no weeds, underbrush, or other unsightly growths, shall be permitted to grow or remain anywhere upon any lot, and no unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon. Without limiting any of the foregoing, it is expressly provided that solid fences will not be permitted and that a three-rail split fence is hereby favored by Developer. Under no circumstances however shall any fencing be erected, placed or suffered to remain parallel with or adjacent to any fencing erected by Developer along the perimeter of the Development.

Any basketball or similar structures located on any lot shall be portable only (and stored in the garage when not in use). Such portable backboards wherever placed shall receive the prior written approval of Developer as to location and all other particulars.
Section 9. In connection with the provisions contained in Sections 1, 2, 4, and 7 of this ARTICLE ONE, it is hereby provided that, if in the opinion of Developer, by reason of the shape, dimensions or topography of any lot herein described, or by reason of the type of dwelling to be erected therein, or for any other reason satisfactory to him, the enforcement of the provisions of these Restrictions would work a hardship, Developer may modify such provisions so as to permit variations in size, type, location or otherwise that will not, in his judgment, do material damage to any abutting or adjacent property. Developer further reserves the right to unilaterally amend these Restrictions in all respects prior to any assignment by it under Section 4 of Article Two hereof by recording such amendment within the offices of the Lucas County, Ohio Recorder.

Section 10. Developer reserves the exclusive right to grant consents for the construction, operations and maintenance of electric light, telephone, cablevision and telegraph poles, lines and conduits, and for water, gas, sewer, and pipes and conduits or any other public or quasi public utility facilities, as necessary for the proper location and appurtenances in or upon any and all highways, now existing or hereafter established, upon which any portion of any lot may now or hereafter be situated.

Section 11. Developer reserves to itself, its successors and assigns, the exclusive right to grant consents for easements and rights-of-way in, through or under any part of this Section of the front, rear and side of each lot, as shown on the Plat, designated as drainage or utility right-of-way; for the construction, operation and maintenance of electric lights, telephone, cablevision and telegraph poles, lines and conduits, drainage facilities or any other public or quasi public utility facilities, together with the necessary or proper incident and appurtenances. No building or other structure, or any part thereof, shall be erected or maintained upon any part of the property in Water Park Estates, over or upon which easements for the installation and maintenance of public utilities and storm sewers will be or have been granted.

Developer hereby further reserves for itself, for the Association (as defined in Section 1 of Article Two hereof), and their respective successors and assigns, perpetual non-exclusive easements across, over, and upon those portions of the Plat designated as a "Drainage Easement" for purposes of draining surface water from the Project and thereby using the lake as a detention and surface water drainage facility to service Water Park Estates and the Project.

Developer also reserves for itself, and for the Lake Association (as defined in Article Four hereof) and their respective successors and assigns, perpetual non-exclusive easements across, over and upon that strip of land shown on the Plat and located between Lots 15 and 15 of the Plat for purposes of providing vehicular and pedestrian access to the lake to permit the maintenance and care of the lake.

No poles, overhead or exposed wires, antennas (including satellite dishes - see Section 2 of this Article), whether for use in connection with radio, telephone, telegraph, electric light or any other purpose, shall be erected, placed or suffered to remain upon any lot or upon or visible from the outside of said dwelling without the consent of Developer first having been obtained. No signs of any character, shall be erected, placed or posted or otherwise displayed on or about any lot without the written permission of Developer. However, a standard real estate and/or builder's sign not exceeding 6 square feet in area on one side and advertising the lot or dwelling "For Sale" or "For Rent" shall be permitted. The height and dimension to be fixed and control or prohibit, restrict or control the location, materials, location and height of all such signs. The right is reserved by Developer to erect and place signs on any unused lots in Water Park Estates. Political or campaign signs may be displayed only as provided by Township ordinance.
Section 13. The maintenance or harboring of any animals, other than dogs, cats, or birds maintained within the dwelling so as not to unreasonably disturb neighbors, is expressly prohibited in Water Park Estates. Under no circumstances will any dog or cat be permitted or allowed to remain outside a dwelling unattended; so as to become a nuisance to any lot owner in Water Park Estates. In that connection, and as also stated herein, no doghouses or other pet enclosures, dog runs, or the like shall be installed or located on any lot. Furthermore, the Developer or the Association (as hereafter defined) may develop such other rules and regulations with respect to the keeping of any domestic dog or cat (such as limits on size and type) so as to insure that no such domestic pet or animal shall become a nuisance or safety concern for any lot owner.

Section 14. No clothes, sheets, blankets or other articles shall be hung out or exposed on any part of any lot. No yard equipment, including power mowers, power shears and similar equipment shall be used by anyone on Sundays or holidays from May 1 to October 1 each year prior to nine o'clock A.M. All yard equipment shall be stored inside while not in use.

Section 15. Any commercial vehicle, boat, mobile home, car, trailer or other similar device, vehicle or equipment, if stored on any lot in Water Park Estates, shall be housed at all times within a garage.

Section 16. Said lots shall not be used for the storage of automobiles, trailers, scrap, scrap iron, wood (except for neatly stacked firewood not exceeding one cord in locations approved by Developer and not visible from the street fronting the residence at which such firewood is located), building materials, paper, glass, or any recreation product or material, except that during the period any dwelling is being erected upon such lot, building materials may be stored thereon. However, any building materials not incorporated in said dwelling within ninety (90) days after it is delivered to said lot shall be removed therefrom. Structures must be completed by an owner within one (1) year of the date of the beginning of construction. Nothing herein contained shall prohibit the reasonable accumulation of recyclable material generated by a family living within a residence in Water Park Estates long as such recyclable material is retained within the garage or residence and is removed from the residence at reasonable intervals. Dwelling shall be commenced to be constructed on all lots within 18 months of the acquisition of same from the Developer. If a dwelling's construction is not so commenced within said time period, such lot shall be subject to, at the option of Developer, repurchase by the Developer at the same price as purchased from the Developer.

Section 17. All rubbish and debris, combustible and noncombustible, and all garbage shall be stored in underground containers or stored and maintained in containers, entirely within the garage or basements, or behind screening approved by Developer as to location and style. Additional regulations for the storage, maintenance and disposal of rubbish, debris, leaves and garbage, may, from time to time be established by Developer.

Section 18. Developer reserves and is hereby granted the right in case of any violation of any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions herein contained, to enter the property upon or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the owner hereof, any erection, thing or condition that may be or exists thereon contrary to the intent and meaning of the provisions hereof interpreted by Developer and Developer shall not, by reason thereof be deemed guilty of any manner of trespass for such entry, abatement or removal. A failure of Developer to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained herein shall in no event be construed, taken or held to be a waiver thereof or acquiescent in or consent to any continuing or succeeding breach or violation thereof, and Developer shall at any and all times have the right to enforce the same.

Section 19. No grantee or successor in title shall subdivide or convey less than the whole of any lot without first obtaining the written consent of Developer.

Section 20. In all instances where plans and specifications are required to be submitted to and are approved by Developer, if subsequent thereto there shall be any variance in the actual construction, location, alteration or addition, fence, wall, hedge or roadway, any such variance shall be deemed a violation of these restrictions.
Section 21. As soon as practicable, but in no event later than six (6) months after a residence has been completed on any lot in Water Park Estates, the front yard of said lot shall be sodded from the front of the single family residence to the curb line in the case of interior lots. In the case of corner lots, the front yard shall be sodded from the front of the single family residence to the curb line and the side yard facing the dedicated public street shall be sodded or hydro-seeded from the single family residence to the curb line. The balance of the lot shall be sodded, hydro-seeded or seeded within the above time periods, provided, however, that if any area required to be sodded as set forth herein is served by an underground sprinkler system, it shall be permissible to hydro-seed rather than sod such area.

Section 22. The areas designated for utility, drainage and open space easements as set forth on the Plat shall be maintained by the lot owners as lawn (except for Lot A which shall be maintained by the Water Park Estates Association, Inc. as hereafter provided). All permitted fences, shrubs, trees or other structures, other than utilities, installed in the said easement areas, are installed at the risk of said lot owner. Should the lot owner plant or install on said easement areas, the governmental authority within whose jurisdiction the lot is located or any public or quasi-public utility may remove said obstruction at the lot owner's expense.

Section 23. The established drainage flow anywhere in Water Park Estates shall not be altered by other than by the maintaining authority.

Section 24. Whenever any of the covenants, reservations, agreements or restrictions herein provide for any approval, designation, determination, modification, consent, enforcement or any other action by Developer, any such approval, designation, determination, modification, consent, enforcement or any other such action may be undertaken by the Developer, its successors or assigns, or by any attorney-in-fact authorized by it pursuant to a recorded Power of Attorney.

ARTICLE TWO

Section 1. Upon or prior to the sale of two-thirds (2/3) of the lots in Water Park Estates, and any future plats thereof, Developer may cause the incorporation of the Water Park Estates Homeowners' Association, Inc. ("Association"), and upon the formation of such Association, every owner (meaning a full building site) shall become a member therein, and each such owner, including Trustee, its successors and assigns, shall be entitled to one vote on each matter submitted to a vote of members for each lot owned by him or it; provided, however, that where title to a lot is in more than one person, such co-owners, acting jointly, shall be entitled to but one vote.

Section 2. The Association, by vote of a majority of its members may adopt such reasonable rules, regulations and by-laws as it may deem advisable for the maintenance, conservation, and beautification of the lots situated in Water Park Estates and any future plats thereof; and for the health, comfort, safety and general welfare of residents of said lots, and all of such lots shall at all times be maintained subject to such rules and regulations.

The Association shall be responsible for, among other things, the maintenance of all private street lights and signs, all boulevard areas, any perimeter fencing installed by the Developer, all cul-de-sac island landscaping and maintenance, right-of-way maintenance along Hill Avenue and Centennial Road, Lot "A" of the Plat which shall be deeded to the Association after its formation and other common areas located throughout the Development, and chosen to be maintained by the Association for the mutual benefit of all lot owners in the Development.

Section 3. The Association, by a vote of a majority of its members, may establish and levy on each lot owner in a reasonable and equitable manner, such sums as are determined by the Association to be reasonably necessary to raise such funds as are required to maintain the Association, cover the cost of its operations and maintain and insure any of its property. The Association shall also establish and levy such sums as are necessary as per the requirements of ARTICLES FOUR and FIVE below. Any such assessments, or portion thereof, which remain unpaid sixty (60) days after receipt of the notice thereof by the lot owner, shall become a lien on said lot for the benefit of the Association.
Section 4. Developer may, by an instrument in writing in the nature of an assignment, vest the Association, when formed, with all or any portion of the rights, privileges and powers granted or reserved to Developer hereunder which said assignment shall be recorded in the office of the Recorder of Deeds, Lucas County, Ohio.

Section 5. After the expiration of twenty (20) years after the recording of these Restrictions, all rights, powers, and privileges of Developer herein not previously assigned by the Developer pursuant to Section 4 above, shall automatically vest in the Association.

ARTICLE THREE

Section 1. Each Grantee of a lot in Water Park Estates, and any future plats thereof, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, easements, and the jurisdictional rights and powers of the Developer and the Association, created or reserved by this Declaration or by Plat or these restrictions and all easements, rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations hereby imposed shall run with the land and bind every owner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance. The violation of any restrictions or conditions, or the breach of any covenant or provisions herein contained shall give the Developer or the Association, the right to enter upon the land upon which, or as to which, such violation or breach exists, and to summarily abate and remove, at the expense of the owner of said lot or lots, any structure, thing, or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and Developer, the Association or the Association shall not thereby be deemed guilty of any manner of trespass. The continuance of any breach may be enjoined, abated, or remedied by appropriate legal proceedings, either by law or in equity, by Developer, the Association, the Lake County Association (if such violation relates specifically to the covenants contained in Section 3 of Article Four or Section 1 of Article Five hereof), or by individual owners.

Section 2. These covenants and restrictions shall run with the land and shall be binding upon Trustees, Developer and all persons claiming under or through Trustees for a period of twenty (20) years from and after the date hereof, at which time the covenants and restrictions shall be automatically extended for successive periods of ten (10) years unless earlier terminated as provided for herein. In addition to Developer's unilateral right to amend under Article One, Section 9 hereof, these covenants and restrictions may also be amended within the initial twenty (20) year period with written approval of the then owners of not less than two-thirds (2/3) of the lots in Water Park Estates, and any future plats thereof, which amendments shall become effective from and after the filing of the same with the Recorder of Deeds of Lucas County, Ohio of the instrument setting forth the amendments and signed by all approving lot owners with the formalities required by law. These covenants and restrictions may be terminated at the end of the initial twenty (20) year period, or may be amended or terminated thereafter with the written approval of the owners of not less than one-half (1/2) of the lots in Water Park Estates, and any future plats thereof upon the filing of an instrument as aforesaid with the Recorder of Deeds of Lucas County, Ohio.

Section 3. No restrictions imposed hereby shall be abrogated or waived by any failure to enforce the provisions hereof, no matter how many breaches may occur.

Section 4. The invalidity of any restriction hereby imposed or of any provision shall not impair or affect in any manner, the validity, enforceability or effect of the remaining restrictions and provisions of this Declaration.

Section 5. Violation of any of the rules and regulations adopted by the Association acquiring the rights and benefits of Developer as provided for in ARTICLE TWO, Sections 4 and 5 herein shall be deemed in violation of this Declaration and may be abated and removed or enjoined as herein provided.

ARTICLE FOUR

Section 1. Power of Attorney. Whenever any of the ongoing covenants, reservations, agreements or restrictions provide for any approval, designation, determination, modification, consent or any other action by Developer, any such approval, designation, modification, consent or any other action
by the Developer or by an attorney-in-fact authorized pursuant to a recorded power of attorney to sign deeds on behalf of Developer shall be sufficient.

Section 2. The Water Park Estates Homeowners' Association, Inc. The Association shall have the right to the collection and disposal of funds as herein provided and shall have the rights, from and after the assignment by Developer as set forth herein.

Section 3. Lake Restrictions and The Water Park Lake Homeowners' Association, Inc. As stated previously, the Developer has or will create the Association as a master or umbrella association for all lots within the Plat and the adjacent property whose members will be all the record owners of all lot owners in the Plat and every future lot within the Project. Developer also has created or will create the Water Park Lake Homeowners' Association, Inc. ("Lake Association") whose members shall only be the owners of the Lake Lots as defined in Section 7 of Article One hereof (the Association and Lake Association shall also sometimes be collectively referred to herein as "Associations"). The lake shall be maintained by the Lake Association, which shall have the authority and power to assess the Lake Lot owners for the costs of same, and its use and enjoyment shall be limited to the owners of the Lake Lots. It is hereby stipulated and declared by the Developer that the lake shall at all times be restricted in its use and enjoyment to open space and recreational purposes for the sole and exclusive benefit of the owners of the Lake Lots, under no circumstances will any activity other than fishing from the Lake Lots by the Lake Lot owners be permitted on the lake. No docks or boats of any kind shall be permitted to be located or used on the lake, and no appurtenant structures of any kind shall be permitted to be placed within twenty (20) feet of the lake's boundaries.

Section 4. Maintenance Charges. Each and every lot in the Plat shall be subject to an annual working capital and maintenance charge in the amount established by the Association and/or the Developer. It is hereby understood and stipulated that until such time as the Developer assigns its rights to the Association, as herein permitted, the Developer shall have exclusive control of the Association. The initial annual charge for the Association shall be One Hundred Twenty Dollars ($120.00). The initial annual charge for the Lake Association shall be Forty-Eight Dollars ($48.00). Under no circumstances shall the Developer be under any obligation to pay any annual assessment or charges to either of the Associations on lots remaining unsold by it. At the time the Developer conveys any lot in Plat One, the new owner(s) shall be responsible for payment of the pro-rata share of that year's assessments. The pro-rata amount shall be based upon the remaining calendar months, or any part thereof, left in said calendar year. Future charges shall be levied on the first day of January of every calendar year. The Association and the Lake Association shall each have a lien upon each lot in the Project to secure the payment of all annual maintenance charges. In default of the payment of such maintenance charges within sixty (60) days of due date, a Notice of Default in substantially the following form may be filed and recorded in the lien records at the Office of the Recorder of Lucas County, Ohio:

"NOTICE OF LIEN"

Notice is hereby given that: Homeowners' Association, Inc. claims lien for unpaid annual assessments for the year(s) in the amount of $ against the following described premises:

In the event any of said annual assessments is not paid when due, the Developer may, when and as often as such delinquencies occur, proceed by law to collect the amount then due by foreclosure of the above described lien, otherwise, and in such event, shall also be entitled to recover and have and enforce against each residential lot a lien for its costs and expenses in that behalf, including attorney fees. No owner may waive or otherwise escape liability for the annual assessments provided for herein by non-use of the common areas or any facilities located thereon or by abandonment of his residential lot. Sale or transfer of any residential lot shall not affect the assessment lien; provided, however, that the sale or transfer of any residential lot pursuant to foreclosure of a first mortgage shall extinguish the lien on such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof. Said charges and assessment shall be levied against all lots in Water Park Estates, and any future lots thereafter, and shall be applied only to the payment of the costs of collections, improvements, the expenses of maintenance of Water Park Estates, the Project as herein enumerated, or the Association, which shall include reasonable management fees, and for any and all other purposes which the Association may determine from time to time to be for the general benefit of the owners of the lots in Water Park Estates or the Project.

ARTICLE FIVE

Section 1. Restrictions of Lake Use. Without limiting the powers of the Lake Association to adopt rules and regulations pertaining to the use, enjoyment and maintenance of the lake, the Developer hereby creates, declares and stipulates that the following easements, covenants and restrictions shall hereby apply to the lake:

1. Each Lake Lot owner shall have the right to use the lake for recreational and open space purposes only, consistent with the provisions hereof and any rules and regulations adopted by the Lake Association, provided, however, that any use of the lake shall be at the sole risk of said owner. Under no circumstances shall the Lake Association or the owner of a Lake Lot have the right to diminish, control or affect the level, volume or amount of water located in the lake.

2. No owner of any Lake Lot shall permit any discharge of soil, dirt, sediment or other materials from such owner’s residential lot into the lake, whether before, during or after the construction of any structure or residence dwelling on such residential lot.

3. No power boats, motor boats, electric motors, gasoline powered motors or other motors or watercraft of any kind shall be permitted on the lake.

4. Under no circumstances will docks be permitted to be built or located on or along the lake.

5. Additional rules and regulations governing the use of the lake may be promulgated from time to time by the Developer, its successors and assigns, and/or the Lake Association, and such rules and regulations shall be strictly observed by all Lake Lot owners.

Section 2. Purposes and Powers of the Association. The Association shall have the power to own, operate, control and maintain the lake, cul-de-sac island areas, and those other areas as are described in the Introduction to this Declaration, and to assess all owners of lots within the Development on a annual basis for the costs of same. In the event any such assessment is not paid when due, the Association shall have the right to lien the property of all lot owners in the Development who have not paid such assessments and levied in the manner provided in these Articles. Such assessments shall be levied on the 1st day of January of every calendar year.

Section 3. Entrance in Favor of All Lot Owners. Developer, in addition to the other easements reserved herein, hereby reserves over, across under and upon the lake perpetual non-exclusive drainage rights.
Section 4. Louisville Title. It is expressly understood and agreed that Louisville Title Agency for N.W. Ohio, Inc. ("Louisville") is executing these Restrictions as Trustee for the sole purpose of consenting to same as the record titleholder and assumes no liability whatsoever hereunder. Developer hereby indemnifies and holds Louisville harmless from any and all expenses or liability arising out of its execution hereof.
