A failure of the Developers to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained herein shall in no event be construed, taken or held to be a waiver thereof or acquiescence in or consent to any continuing further or succeeding breach or violation thereof, and the Developers shall at any and all times have the right to enforce the same.

Section 16. No grantee or successor in title shall subdivide or convey less than the whole of any lot without first obtaining the written consent of the Developers.

Section 17. In all instances where plans and specifications are required to be submitted to and are approved by the Developers, if subsequent thereto there shall be any variance in the actual construction and location of any alteration or addition, fence, wall, hedge, or roadway, any such variance shall be deemed a violation of these restrictions.
