Such plans and specifications shall be prepared by a competent architect or draftsman and two (2) complete sets shall be furnished to the Developer so that the Developer may retain a true copy thereof with its records.

2.2 Architectural Standards, Harmonious Plan. In requiring the submission of detailed plans and specifications as herein set forth, Developer intends to assure the development of "The Reserve" at WoodStream Farms, Plat XI, as an architecturally harmonious, artistic and desirable residential subdivision, with individual residences to be constructed in such architectural styles, of such materials, in such colors, and located in such manner as to, in the judgement of the Developer, complement one another and promote the harmony and desirability of the subdivision taken as a whole. In approving or withholding its approval of any plans and specifications, the Developer shall have the right to consider the suitability of the proposed building or structure and of the materials of which it is to be built to the building site upon which it is to be erected. In no event, however, will the Developer approve the construction and maintenance of severely modernistic or severely contemporary structure.

2.3 Location of Structures. No dwelling shall be erected, reconstructed, placed or suffered to remain upon any lot, nearer the front or street line or lines than the building set back lines as shown on the recorded plat nor nearer to any side line or rear line than shall be determined by Developer.

Location and specifications for construction of any driveway shall be submitted to Developer and its approval thereof endorsed thereon in writing.

2.7 Lawn Requirements. The front yard shall be sodded and in the case of corner lots, the front yard and side yard facing the street shall be sodded.

2.8 Trees. No structure or any part thereof shall be erected, placed or maintained on any lot in "The Reserve" at WoodStream Farms Plat XI, nearer to the front or street line or lines than the building set back lines as shown on the recorded plat. Said portion of any lot shall not be used for any purpose other than that of a lawn; nothing herein contained, however, shall be construed as preventing the use of such portion of any lot for privacy walks, not sidewalks, (and drives, if otherwise permitted), the planting of trees or shrubbery, the growing of flowers or ornamental plants, or statuary, fountains and similar ornamentations, for the purpose of beautifying any lot, but no vegetables, so-called, nor grains of the ordinary garden or field variety shall be grown on such portion thereof; and no weeds, underbrush, or other unsightly growths, shall be permitted to grow or remain upon any lot, and no unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon. No fence, hedge, wall or enclosure of any kind for any purpose, shall be erected, placed or suffered to remain upon any lot, nor shall a hedge be erected, placed or suffered to remain upon any lot until the written consent of Developer shall have been first obtained therefor and shall be subject to the terms and conditions of said consent as to its type, height, width, color, upkeep and any general conditions pertaining thereto that said consent may name. No tree greater than six (6) inches in diameter (as measured 3 feet above existing grade) shall be removed unless approved in writing by the Developer. No trees.

2.9 Establishment of Grades. Developer shall have the sole and exclusive right to establish grades, slopes and swales on all building sites and to fix the grade at which any building or structures shall be erected or placed thereon, so that the same may conform to a general plan for the development and use of "The Reserve" at WoodStream Farms Plat XI. Deviation of 12" or more is strictly prohibited unless approved by the Developer.

The owner of a residential lot shall maintain the mailbox and/or paper delivery box and replace when necessary with a mailbox and/or paper delivery box of similar type, look and quality.

2.12 Fencing. No fence, hedge, wall or enclosure of any kind, for any purpose, shall be erected, placed or suffered to remain upon said lots, nor shall a hedge be erected, placed or suffered to remain upon said lots until the written consent of the Developer shall have been first obtained therefor, and to be subject to the terms and conditions of said consent as to its type, height, width, color, upkeep and any general conditions pertaining thereto that said consent may name. Wire fencing may be attached to split rail fencing on the property owner's side of the fence with Developer approval. Fences are not erected nearer to any street than the rear building line or lines unless approved in writing by the Developer.

2.13 Construction in Violation of Approved Plan. Developer, its successors and assigns reserves and is hereby granted the right in case of any violations or breach of any of the restrictions, rights, reservations, limitations, agreements, covenants, and conditions herein contained, to enter the property upon or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the owner thereof, any erection, thing or condition that may be or exists thereon contrary to the intent and meaning of the provisions hereof interpreted by Developer, and Developer shall not, by reason thereof be deemed guilty of any manner of trespass for such entry, abatement or removal. A failure of Developer to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and
conditions herein shall in no event be construed, taken or held to be a waiver therefor or acquiescence in or consent to any continuing further or succeeding breach or violation thereof, and Developer shall at any and all times have the right to enforce same.

2.14 Power of Attorney. Whenever any of the foregoing covenants, reservations, agreements, or restrictions provide for any approval, designation, determination, modification, consent or any other action by Developer, any such approval, designation, modification, consent or any other such action by any attorney-in-fact authorized to sign deeds on behalf of Developer shall be sufficient pursuant to a recorded power of attorney.

2.15 "The Reserve" at WoodStream Farms Plat XI Property Owners' Association. The Developer shall cause a not-for-profit corporation to be incorporated under the laws of the State of Ohio, to be called "The Reserve Property Owners' Association" or a name similar thereto (the "Association"). Upon the formation of the Association, the owners of lots in "The Reserve" and all persons who thereafter acquire title to such lots shall be members of the Association, and each such owner shall be entitled to one vote on each matter submitted to a vote of the Association for each lot so owned by him, provided, so long as the Developer or its successor or assign owns, actually or beneficially, any lot in "The Reserve", the Developer or its successor or assign shall be entitled to five votes in the Association for each lot owned by it. The Developer reserves the right to incorporate one not-for-profit corporation for a property owners' association made up of all of the lot owners in "The Reserve" at WoodStream Farms Plat XI, notwithstanding the fact that such lots may be located in other plats of the "The Reserve" subdivision. In such event the membership and voting rules set forth herein shall apply to all plats in "The Reserve" subdivision now in existence and subsequently created.

2.16 Common Areas. Upon conveyance of the final unsold lot in "The Reserve" by or on behalf of the Developer, or at such earlier time as the Developer may elect, the Developer shall convey or assign to the Association, and each lot owner by its purchase of a lot subject hereto agrees to accept on behalf of the Association, all of the Developer's right, title and interest in and to the common areas in "The Reserve" (the "Common Areas"), including, without limitation, the Common Fence, Walls and Guard House located in the right of way adjacent to "The Reserve" and all landscaping associated therewith and all center islands in boulevards and/or cul-de-sacs located in "The Reserve" at WoodStream Farms Plat XI, and all landscaping associated therewith. Upon conveyance or assignment of the Common Areas to the Association as set forth herein, the Association shall assume the responsibility for (i) the repair, replacement, care and maintenance of the Common Areas, including, without limitation, the Common Fence, Walls, Guard House and all landscaping,
and (ii) real estate taxes and assessments, if any, which may be assessed against the Common Areas by public authorities. The Common Areas, including the Common Fence, Walls, Guard House and all landscaping located within the Common Areas, shall be maintained in its original condition. Notwithstanding anything contained herein to the contrary, the Common Fence, Walls, and Guard House shall not be removed or otherwise altered without the prior written consent of the Developer, which consent shall be required notwithstanding the fact that the Developer may no longer own an interest in a lot in "The Reserve" at WoodStream Farms Plat XI, or in the Common Area. The assignment or conveyance of the Common Areas to the Association shall not be construed or interpreted to be an assignment by the Developer of any other rights hereunder, including, without limitation, the Developer's right to appoint the members of the Architectural Control Committee.

An Architectural Control Committee consisting of three (3) individuals is hereby established. The initial members of the Architectural Control Committee shall be appointed by the Developer, and may be replaced by the Developer from time to time. The Architectural Control Committee shall continue to be appointed by or on behalf of the Developer until such time as all lots in "The Reserve" at WoodStreams Farms Plat XI, have been sold and living units have been completed thereon. At such time, or at such earlier time as the Developer may elect, the right to appoint the members of the Association Control Committee shall be turned over to the Association.

The assessments set forth in Section 2.16 hereof shall be applied toward payment of the following costs and expenses:

a) For the repair, replacement, care and maintenance of the Common Areas, including, without limitation, the Common Fence and all landscaping in the Common Areas, regardless of whether the Developer has previously assigned or conveyed the Common Areas to the Association.

b) Legal and accounting services for the Association.

c) The full amount of taxes and assessments, if any, assessed against the Common Areas, whether the Common Areas are then held in the name of the Developer or the Association; and

d) For the cost of collecting assessments, and expenses of maintaining the Association, and for any and all other purposes which the Association may determine from time to time to be for the general benefit of the owner of lots in "The Reserve" at WoodStream Farms Plat XI.
In the event any of said annual assessments are not paid when due, the Developer may, when and as often as such delinquencies occur, proceed by process of law to collect the amount then due by foreclosure of the above described lien, or otherwise, and in such event, shall also be entitled to recover and have and enforce against each residential lot a lien for its costs and expenses in that behalf, including attorney fees. No owner may waive or otherwise escape liability for the annual assessments provided for herein by non-use of the common areas or any facilities located thereon or by abandonment of his residential lot. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any residential lot shall not affect the assessment lien; provided, however, that the sale or transfer of any residential lot pursuant to foreclosure of a first mortgage shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof. Said charges and assessments shall be levied against all lots in "The Reserve" at WoodStream Farms Plat XI, and shall be applied only toward payment of the costs of collections, improvements, the expenses of maintenance of the Association, and for any and all other purposes which the Association may determine from time to time to be for the general benefit of the owners of the lots in "The Reserve" at WoodStream Farms Plat XI, including the maintenance of boulevard areas, ponding areas, drainage areas, and the management and enforcement of the Association's rights and duties under the within Declaration of Restrictions.

2.17 Maintenance Charges. Each and every lot in "The Reserve" at WoodStream Farms Plat XI, shall be subject to a maintenance charge in the amount established by the Association, initially One Hundred Dollars ($100.00) annually (such assessment shall be on a per lot basis), payment to be made in equal installments on the first day of May and the first day of November each calendar year for such calendar year commencing May 1, 1992. The Association shall have a lien perpetually upon lots in "The Reserve" at WoodStream Farms Plat XI, to secure the payment of the annual maintenance charge. In default of the payment of such maintenance charge within sixty (60) days of its due date, a "Notice of Lien" in substantially the following form may be filed and recorded in the lien records at the Office of the Recorder of Lucas County, Ohio:
"Notice of Lien"

Notice is hereby given that "The Reserve" at WoodStream Farms Plat XI, Property Owners' Association claims a lien for unpaid annual assessments for the year(s) _________ in the amount of $___________ against the following described premises:

Developer also
reserves to itself, and to its successors and assigns, the right to go upon or permit any public or quasi-public utility company to go upon the residential lots from time to time to install, maintain and remove such utility lines and to trim trees and shrubbery which may interfere with the successful and convenient operation of such equipment. No structures, or any part thereof, shall be erected or maintained over or upon any part of the areas designated as "Utility Easement", or with words of similar import, upon the recorded plat of "The Reserve" at WoodStream Farms Plat XI. The term "structures" as used in the foregoing portion of this paragraph shall include houses, garages, other buildings and swimming pools, but shall not include residential lot improvements such as driveways, paved parking areas, and fences. No owner of any residential lot shall have the right to reserve or grant any easements or rights of way upon or over any of the residential lots without the prior written consent of the Developer, its successors and assigns. No withstanding the provisions of Section 2.15, the rights reserved to the Developer in this Section 3.1 shall survive the transfer of the Developer's rights set forth in Section 2.15.

ARTICLE IV

DURATION OF RESTRICTIONS, AMENDMENTS

4.1 Terms. These covenants and restrictions shall run with the land and shall be binding upon the Developer, and all persons claiming under or through Developer or the Association until the first day of January, 2008, at which time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years.

4.2 Amendments. These covenants and restrictions may be amended or revoked with the written approval of the then owners of not less than seventy-five percent (75%) of the residential lots in "The Reserve" at WoodStream Farms Plat XI, which amendment shall become effective from and after the filing with the Recorder of Lucas County, Ohio, of an instrument stating the amendment and signed by all approving residential lot owners with the formalities required by law.

ARTICLE V

ENFORCEMENT OF RESTRICTIONS, OTHER GENERAL MATTERS

5.1 Violations Unlawful. Any violation or attempt to violate any of the covenants or restrictions herein shall be unlawful. Developer, the Association, or any person or persons owning any residential lot may prosecute any proceedings at law, or in equity, against the person or persons violating or attempting to violate any such restrictions to prevent him or them from so doing, to cause the removal of any violation, and/or to recover damages for such violation or attempted violation.
In addition to the foregoing rights, the Developer and the Association shall have the right, to the extent permitted by law, to record in the Office of the Recorder of Lucas County, Ohio, a notice giving third parties notice of the non-compliance of a lot owner within the provisions hereof, which notice shall constitute a lien on the lot until such time as such non-compliance has been cured.

5.2 Saving Clause. Invalidation of any of the restrictions herein contained by judgment court order or amendment hereof by act of the officers, employees and agents of the Developer shall be indemnified by the Developer to the fullest extent permitted by law for their actions taken on behalf of and at the direction of the Developer, including their actions taken under this Declaration of Restrictions at the direction of the Developer.

5.3 Transfers Subject to Restrictions. All transfers and conveyances of each and every residential lot in "The Reserve" at WoodStream Farms Plat XI, shall be made subject to these restrictions.

5.4 Notices. Any notice required to be sent to any owner of a residential lot or any part thereof or to Developer or to the Association shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as such owner or to the Developer or to the Association as such address appears on the applicable public record.

5.5 No Waiver of Violations. No restrictions imposed hereby shall be abrogated or waived by any failure to enforce the provisions hereof, no matter how many violations or breaches may occur.

5.6 Waiver of Restrictions by Developer. Each residential lot owner, by acceptance of a deed to a residential lot, agrees and consents and shall be deemed to agree and consent for himself and for his heirs, personal representatives, successors and assigns, that if, in the opinion of the Developer, the shape, dimensions, number of structures, location of natural features such as trees, or topography of the residential lot upon which a building or improvement is proposed to be made, is such that a strict construction or enforcement of the requirements of the recorded plat or of any provision of these restrictions would work a hardship, the Developer may, in writing, grant waivers from these restrictions as to such residential lot so as to permit the erection of such building or the making of the proposed improvements.

5.7 Paragraph Headings. The paragraph headings contained in this Declaration of Restrictions have been inserted for convenience of reference only and are not to be used in the construction and/or interpretation of these restrictions.
