This restriction as to the distances at which said dwelling shall be placed from the front, side and rear lines of said lot, shall apply to and include porches, verandas, portechochre, and other similar projections of said dwelling.

In connection with the provisions contained in Section 6 above, it is hereby provided that if, in the opinion of the Developer, by reason of the shape, dimensions or topography of any lot herein described, or by reason of the type of dwelling to be erected thereon, or for any other reason satisfactory to it, the enforcement of the provisions of said Restrictions would work a hardship, Developer may modify such provisions so as to permit variations in cost, size, type, location or otherwise that will not, in her judgment, do material damage to any abutting or adjacent property.

Section 10. Developer reserves the exclusive right to grant consents for the construction, operation and maintenance of electric light, telephone and telegraph poles, lines and conduits, and for water, gas, sewer, and pipes and conduits or any other public utility facilities together with the necessary or proper incidents and appurtenances, in, through, under and/or upon any and all highways, now existing or hereafter established, upon which any portion of any lot may now or hereafter front or abut.

Section 11. No owner of any lot in WoodStream Farms Plat XII shall have the right to reserve or grant any
easement or rights of way in, through, under, on or over any of the lots without the prior written consent of the Developer, its successors and assigns.

No well for gas, water, oil or other substance, (except water wells for underground sprinkling systems which shall have all parts, including but not limited to, well points, well casings, all pumps, wires, conduits and pipes, shall be totally concealed underground; the location of said lawn sprinkler wells shall be approved by Developer) shall at any time, whether intended for temporary or permanent purpose, be erected, placed or suffered to remain upon any lot; nor shall any lot be used in any way or for any purpose which may endanger the health or unreasonably disturb the quiet of the owner or owners of any adjoining lot. No pole, or overhead or exposed wires, whether for use in connection with radio, telephone, television, electric light or any other purpose, shall be erected, placed or suffered to remain upon any lot or upon or visible from the outside of said dwelling without the consent of Developer first having been obtained. No signs of any character, other than the sales or rental of a dwelling located on said lot on which such sign is located, shall be erected, placed or posted or otherwise displayed on or about any lot without the written permission of Developer. The Developer shall have the right and discretion to prohibit, restrict or control the size, construction, materials, location and height of all such signs. The right is reserved by Developer to erect and place signs on any unsold lots in WoodStream Farms Plat XII.

Section 13. Other than dogs, cats or birds, all of which shall be maintained within the dwelling so as not to unreasonably disturb neighbors, the maintenance or harboring of any other animals is expressly prohibited in WoodStream Farms Plat XII.

Section 14. No clothes, sheets, blankets or other articles shall be hung out or exposed on any part of any lot, except in the rear yards and then only on portable laundry dryers of a revolving type not higher than seven (7) feet from the ground. No more than one dryer may be used for each dwelling house. No laundry shall be hung for drying on Sundays and holidays. No laundry of any kind, or other articles, shall be exposed or hung for drying at any time on any front porch or in the front or side of any building. No yard equipment, including power mowers, power shears and similar equipment shall be used by anyone on Sundays or holidays from May 1st to October 1st of each year prior to ten o’clock A.M.

Section 15. Any commercial vehicle, boat, house, car, trailer or other similar housing device if stored on any lot in WoodStream Farms Plat XII shall be housed within a garage.
Section 16. Said lots shall not be used for the storage of automobiles, trailers, scrap, scrap iron, wood, building materials, paper, glass or any reclamation product or material, except that during the period the building is being erected upon such lot, building materials may be stored thereon. However, any building materials incorporated in said building within ninety (90) days after it is delivered to said lot shall be removed therefrom. Structures must be completed by an owner within six (6) months of the date of the beginning construction.

Section 17. All rubbish and debris, combustible and noncombustible, and all garbage shall be stored in underground containers or stored and maintained in containers, entirely within the garage or basement. Additional regulations for the storage, maintenance and disposal of rubbish, debris, leaves and garbage may, from time to time, be established by Developer.

Section 18. Developer, its successors and assigns, reserves and is hereby granted the right in case of any violation or breach of any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions herein contained, to enter the property upon or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the owner thereof, any erection, thing or condition that may be or exists thereon contrary to the intent and meaning of the provisions hereof interpreted by Developer, and Developer shall not, by reason thereof be deemed guilty of any manner of trespass for such entry, abatement or removal. A failure of Developer to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained herein shall in no event be construed, taken or held to be a waiver therefor or acquiescence in or consent to any continuing further or succeeding breach or violation thereof, and Developer shall at any and all times have the right to enforce the same.

Section 19. No grantee or successor in title shall subdivide or convey less than the whole of any lot without first obtaining the written consent of the Developer.

Section 20. In all instances where plans and specifications are required to be submitted to and are approved by Developer, if subsequent thereto there shall be any variance in the actual construction and location of any alteration or addition, fence, wall, hedge or roadway, any such variance shall be deemed a violation of these restrictions.

Section 21. Whenever any of the foregoing covenants, reservations, agreements or restrictions provide for any approval, designation, determination, modification, consent or any other action by Developer, any such approval, designation, modification, consent or any other such action by any attorney-in-fact authorized to sign deeds on behalf of Developer shall be sufficient pursuant to a recorded power of attorney.

Section 22. The Developer shall have the exclusive right to determine the location, color, size, design, lettering and standards and brackets of all
mail and paper delivery boxes, and the location, size, type and species of trees and/or shrubbery planted between the sidewalk and street curb in order that all such areas of WoodStream Farms Plat XII be strictly uniform in appearance with respect thereto. The owner of a residential lot shall maintain the mailbox and/or paper delivery box and replace when necessary with a mailbox and/or paper delivery box of similar type, look and quality.

Section 23. On every non-corner lot within the subdivision, there shall be a minimum of five (5) trees located between the street and the front of the dwelling. Corner lots shall have a minimum of eight (8) trees. If needed, such trees shall be planted at the lot owners' expense and if not paid within 30 days after invoicing a lien shall be filed on the property. The front yard shall be sodded and in the case of corner lots, the front yard and side yard facing the street shall be sodded.

Section 24. No fence, hedge, wall or enclosure of any kind, for any purpose, shall be erected, placed or suffered to remain upon said lots, nor shall a hedge be erected, placed or suffered to remain upon said lots until the written consent of the Developer shall have been first obtained therefor, and to be subject to the terms and conditions of said consent as to its type, height, width, color, upkeep and any general conditions pertaining thereto that said consent may name.

Notwithstanding this restriction, the style of three-rail "split rail" fences, but not the location, are hereby granted prior approval by the Developer, except for corner lots, provided such "split rail" fences are not requested nearer to any street than the established building line by record plat, unless approved by the Developer in writing. All lots will require written approval before installation of said fencing.

ARTICLE TWO

Section 1. Upon the sale of two-thirds (2/3) or more of the lots in the various plats of WoodStream Farms, Developer may cause to be incorporated a non-profit corporation under the laws of the State of Ohio to be called "WoodStream Farms Property Owners' Association", and upon the formation of such Association, every owner (meaning a full building site) shall become a member therein, and each such owner, including Developer, shall be entitled to one vote on each matter submitted to a vote of members for each lot owned by him or it; provided, however, that where title to a lot is in more than one person, such co-owners, acting jointly, shall be entitled to but one vote.

Section 2. The Association, by vote of two-thirds (2/3) of its members may adopt such reasonable rules, regulations and by-laws as it may deem advisable for the maintenance, conservation and beautification of the property, and for the health, comfort, safety and general welfare of
residents on said property, and all parts of said property shall at all
times be maintained subject to such rules and regulations.

Section 3. Developer shall by an instrument in writing, in the
nature of an assignment, vest the Association, and when formed, with rights,
privileges and powers herein retained by the Developer, which said assign-
ment shall be recorded in the office of the Recorder of Deeds, Lucas County,
Ohio.

Section 3.1. The rights granted to the Developer in this Article
Two, Section 3.1, shall remain exclusively vested in the Developer for a
period of twenty (20) years from and after the date hereof, notwithstanding
any assignment by the Developer to the Association of the Developer's
rights, privileges and powers as provided in Article Two, Section 3 hereof.
Upon the expiration of such twenty (20) year period, or at such earlier
time as the Developer may designate, the rights granted to the Developer in
this Article Two, Section 3.1, shall terminate.

ARTICLE THREE

Section 1. Each Grantee of Developer, by the acceptance of a
deed of conveyance, accepts the same subject to all restrictions, conditions,
covenants, reservations, easements, and the jurisdictional rights and powers
of Developer and the Association, created or reserved by this Declaration
or by plat or deed restrictions heretofore recorded, and all easements,
rights, benefits and privileges of every character hereby granted, created,
reserved or declared and all impositions and obligations hereby imposed
shall run with the land and bind every owner as though the provisions of the
Declaration were recited and stipulated at length in each and every deed of
conveyance. The violation of any restriction or condition, or the breach
of any covenant or provision herein contained shall give Developer, its
successors or assigns, or the Association, the right (a) to enter upon the
land upon which, or as to which, such violation or breach exists, and to
summarily abate and remove, at the expense of the owner of said lot or lots,
any structure, thing or condition that may exist thereon contrary to the
intent and meaning of the provisions hereof, and Developer or the
Association not thereby be deemed guilty of any manner of trespass; or (b)
the continuance of any breach may be enjoined, abated, or remedied by
appropriate legal proceedings, either at law or in equity, by Developer,
its successors or assigns, or by the Association.

Section 2. These covenants and restrictions shall run with the
land and shall be binding upon the Developer and all persons claiming under
or through the Developer until the 1st day of January, 2005, at which time
these covenants and restrictions shall be automatically extended for
successive periods of ten (10) years. These covenants and restrictions may
be amended prior to January 1, 2005 with written approval of the then owners of not less than two-thirds (2/3) of the lots in WoodStream Farms Plat XII, which amendment shall become effective from and after the filing with the Recorder of Lucas County, Ohio, of an instrument stating the amendment and signed by all approving lot owners with the formalities required by law. These covenants and restrictions may be terminated as of January 1, 2005, and may be amended or terminated thereafter with the written approval of the owners of not less than one-half (1/2) of the lots in WoodStream Farms Plat XII upon the filing of an instrument as aforesaid with the Recorder of Lucas County, Ohio.

Section 3. No restrictions imposed hereby shall be abrogated or waived by any failure to enforce the provisions, hereof, no matter how many breaches may occur.

Section 4. The invalidity of any restriction hereby imposed or of a provision shall not impair or affect in any manner, the validity, enforceability or effect of the rest of this Declaration.

Section 5. Violation of any of the rules and regulations adopted by the Association acquiring the rights and benefits of Developer shall be deemed a violation of this Declaration and may be enjoined as herein provided. The rights, privileges and powers herein retained by Developer shall be assignable to and shall inure to the benefit of its successors and assigns.
IN WITNESS WHEREOF, the undersigned parties have hereunto set their hands to this instrument as of the 9th day of July, 1991.
