ARTICLE IV

Section 1. Residential. Each Lot shall be used for

residential purposes only, and no trade or business of any kind may be carried on therein. Lease or rental of apartment units within a building for lodging or residential purposes shall not be considered to be a violation of this covenant.

Section 2. Prohibitions. Nothing shall be done or kept in any building or on the Common Area or any part thereof which would result in the cancellation of the insurance of the Project or any part thereof or increase the rate of the insurance on the Project or any part thereof over what the Association, but for such activity, would pay, without the prior written consent of the Association. No operation or activity shall be permitted by an Owner or another within or upon any portion of the Project which will violate the provisions of any applicable statute, rule, ordinance, regulation, permit, or other validly imposed requirement of any governmental body or By-laws or the reasonable rules and regulations of the Association or any applicable protective restrictions and covenants. No damage to or waste of the Common Area or any part thereof shall be committed by an Owner or any invitee or tenant of any Owner and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by him or his tenants or invitees.

In the event an Owner of any Lot shall fail to maintain the exterior building located on his Lot in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds (2/3) of each class of members, shall have the right through its agents and employees, to enter upon said Lot, and to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements erected thereon. Section 1. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to, change of or alteration thereto be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans

and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VI

MECHANIC'S LIENS

Section 1. No labor performed or services or materials furnished in or for a Lot with the consent of or at the request of an Owner or his agent or his contractor or sub-contractor shall be the basis for the filing of a lien against the Lot of any other Owner, against any part thereof, or against any other property of any other Owner, unless such other Owner has expressly consented to or requested the same, or against the Common Area. Such express consent shall be deemed to have been given by the Owner of any Lot in the case of emergency repairs thereto. Labor performed or services or materials furnished for the Project, if duly authorized by the Association, shall be deemed to be performed or furnished with the express consent of each Owner. An Owner may remove his Lot from a lien against two (2) or more Lots or any part thereof by payment to the holder of the lien of the fraction of the total sum secured by such lien which is attributable to his Lot. Notwithstanding the foregoing, any mortgagee of a Lot who shall become the Owner of such Lot pursuant to a lawful foreclosure sale or the taking of a deed in lieu of foreclosure shall not be under any obligation to indemnify and hold harmless any other Owner against liability for claims arising prior to the date such mortgagee becomes an Owner, but shall be under such obligation for any claims thereafter.

ARTICLE VII

ASSOCIATION ORGANIZATION

Section 1. Administration and Management. The administration of the Project shall be governed by the By-laws of Brittany Townhome Homeowners Association, hereinafter referred to as the "Association". An owner of a Lot shall become a member of the Association upon conveyance to him of his Lot and shall remain a member for the period of this ownership. As shown and reserved in the By-laws for Brittany Townhome Homeowners Association, the designation and appointment of a Board of Directors has been or will be exercised by the Declarant. The Association shall be granted all of the powers necessary to govern, manage, maintain, repair, administer and regulate the project and to perform all of the duties required of it. The Association shall grant to each first mortgagee of a Lot the right to examine the books and records of the Association at any reasonable time.

Section 2. Rights. The Association has the right to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument signed by three-fourths (3/4) of each class of members agreeing to such dedication or transfer has been recorded.

Section 3. Transfer. Except as otherwise expressly stated herein, any of the rights, interest, and obligations of the Association set forth herein or reserved herein may

be transferred or assigned to any other person or entity; provided, however, that no such transfer or assignment shall relieve the Association of any of the obligations set forth herein. Any such transfer or assignment shall not revoke or change any of the rights or obligations of any Owners as set forth herein.

ARTICLE VIII

VOTING RIGHTS

Section 1. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member(s) shall be the Declarant and shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership at the happening of either of the following events, whichever occurs first.

- (a) When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership; or,
- (b) On July 1, 1986.

ARTICLE IX

ASSOCIATION FUNCTIONS

Section 1. Management and Control. The Association subject to the rights of the Owners set forth in Article II hereof, shall be responsible for the exclusive management and control of the Common Area and all improvements thereon (including equipment related thereto) and shall keep the same in good, clean, attractive and sanitary condition, order, and repair, subject, however, to the obligations of the Owners set forth in Article IV, Sections 3 and 4. The Association shall be responsible for maintenance and repair of the Common Area including without limitation, the lawns, shrubs, trees, sidewalks, easements, areas for access to any automobile parking and parking spaces, and all other improvements or materials located within or used in connection with the Common Area including the mail box structure. The cost of such management maintenance, and repair by the Association shall be borne as provided in Article X. Notwithstanding the above, the Association reserves the right to hire one or more persons or entities including a Managing Agent, contractors and employees to perform such services.

Section 2. Rules and Regulations. The Association may make reasonable rules and regulations governing the use of the Lots and of the Common Area which rules and regulations shall be consistent with the rights and duties established in this Declaration. Such rules and regulations may include, without limitation, assignment of certain parking spaces within the Common Area for exclusive use by Owners of particular Lots. The Association may suspend any Owner's voting rights in the Association during any period or periods during which such Owner fails to comply with such rules and regulations, or with any other obligations

of such Owner under this Declaration. The Association may also take judicial action against any Owner to enforce compliance with such rules, regulations or other obligations or to obtain damages for noncompliance, all to the extent permitted by law.

ARTICLE X

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the residents in the Lots and for the improvement, maintenance and operation of the Common Area situated within the Project which may include, among other things, expenses for the following: Management, insurance which the Association is required or permitted to maintain pursuant hereto; care of grounds, water, sewer and trash utility bills for the Project, snow removal, and repairing and maintaining the access and utility easements and parking areas.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Two Hundred Forty Dollars (\$240.00) per Lot.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 10% above the maximum assessment for the previous year without a vote of the membership.
- (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 10% by a vote of three-fourths (3/4) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.
- (c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a

special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement within the Common Area including fixtures and personal property related thereto, provided that any such assessment shall have the assent of three-fourths (3/4) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both Annual and special assessments as determined under the preceding paragraphs shall be uniform among all Lot Owners and may be collected in installments.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an Officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 1½ percent per month. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE XI

PARTY WALLS AND PARTY FENCES

Section 1. General Rules of Law to Apply. Each wall or fence which is built as a part of the original construction of any dwelling or other improvements constructed upon the Properties and placed on the dividing line between Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article XI, the general rules of law regarding party walls and of liability for property damage due to negligence or willful acts or omissions shall apply thereto. The Owners of contiguous Lots who have a party wall or party fence shall both have the right to use such wall or fence, provided that such use by one Owner does not interfere with the use and enjoyment of the same by the other Owner.

Section 2. Cost of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall or party fence shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Damage or Destruction. If a party wall or party fence is destroyed or damaged by fire or other casualty any Owner who has used the wall or fence, subject to Article V herein, may restore it, and, if the other Owners thereafter make use of the wall or fence, they shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such Owners to call for a larger contribution from the Owners under any rule of law regarding liability for negligent or willful acts or omissions. Notwithstanding any other provisions of this Article, any Owner who by his negligent or willful act causes a party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 4. Structural Integrity. There shall be no impairment of the structural integrity of any party wall or party fence without the prior written consent of all Owners having any interest therein and the first mortgagees of each Lot.

ARTICLE XII

INSURANCE

Section 1. Comprehensive General Liability and Property Damage Insurance. Comprehensive general liability and property damage insurance shall be purchased by the Board on behalf of the Association and shall be maintained in force at all times, the premiums thereon to be paid by the Association, as a Common Expense. The insurance shall be carried with reputable companies authorized to do business in the State in such amounts as the Board may determine. The policy or policies shall name as insured all of the Owners and the Association. The policy or policies shall insure against loss arising from perils in the Common Area and shall include contractual liability coverage to protect against such liabilities as may arise under the contractual exposures of the Association or the Board of Directors.

Section 2. Hazard and Flood Insurance. Each Owner shall obtain, and maintain in effect fire and appropriate extended insurance coverage and other appropriate damage and physical loss insurance, all in an amount equal to the then current full replacement value of each Lot owned by such Owner, which insurance shall be subject to such additional

requirements as may be established from time to time by the Association by resolution. Such additional insurance requirements may be set forth in agreements or other undertakings which the Board or Association may enter into with or for the benefit of holders or insurers of mortgages secured upon portions of the Properties.

Section 3. Obligation to Repair and Restore.

(a) Subject only to the rights of an institutional holder of a first mortgage lien on a damaged Lot, the insurance proceeds from any insurance policy covering a Lot shall be first applied to the repair, restoration, or replacement of such Lot. Each Owner shall be responsible for the repair, restoration, or replacement of each Lot owned by such Owner pursuant to the terms hereof. Any such repair, restoration or replacement shall (subject to advances and changes in construction techniques and materials generally used in such construction and then current generally accepted design criteria) be generally harmonious with the other Lots, and reconstruction must be consistent with the architectural control provisions of Article V.

(b) If the proceeds of the insurance are insufficient to pay for the cost of repair, restoration, or replacement of a Lot, the Owner of such Lot shall be responsible for the payment of any such deficiency necessary to complete the repair, restoration, or replacement.

(c) If the insurance proceeds are in excess of the amount necessary for the repair, restoration, or replacement of a Lot, the Owner of such Lot shall be entitled to such excess in accordance with the provisions of the applicable insurance policy or policies and subject to the terms of any mortgage covering such Lot.

Section 4. Association Rights. If any Owner fails to obtain the insurance required in this Article, or fails to pay the premiums therefor when and as required or fails to otherwise perform the obligations of a Owner under this Article, the Association may (but shall not be obligated to) obtain such insurance, make such payments for any such Owner and/or perform such obligations, and add the cost of such payments or performance, as an additional assessment, to the annual assessment which such Owner is obligated to pay under Article X herein.

Section 5. Additional Insurance.

(a) The Board may purchase and maintain in force as a Common Expense, debris removal insurance, fidelity bonds and other insurance or bonds that it deems necessary. The Board shall purchase and maintain Workmen's Compensation Insurance to the extent that the same be required by law respecting employees of the Association.

(b) Each Owner may obtain additional insurance at his own expense, provided, however, that no Owner shall be entitled to exercise his right to maintain insurance coverage in such a way as to decrease the amount which the Association may realize under any insurance policy which the Association may have in force on any part of the Properties at any time.

ARTICLE XIII

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or inequity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 3. Revocation. This Declaration shall not be revoked unless all of the Owners, Mortgagees and Contract Sellers unanimously consent and agree to such revocation by instrument(s) duly recorded.

Section 4. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners. Any amendment must be recorded.

Section 5. Annexation. Additional residential property and Common Area may be annexed by the Declarant without the consent of the members within five (5) years of the date of this instrument, provided that the Federal Housing Administration and the Veterans Administration determine that the annexation is in accord with the general plan heretofore approved by them.

Section 6. FHA/VA Approval. As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: Annexation of additional properties, dedication of any Common Area, and amendment of this Declaration of Covenants, Conditions and Restrictions.

Section 7. In the event there shall be any conflict between the provisions of this Declaration and any By-laws or rule and regulation of the Association, the provisions of this Declaration shall be deemed controlling.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein, has hereunto set its hand and seal this 31st day of August, 1983.
