## ARTICLE II PLAT

The plat of the Land and of the improvements thereon shall be filed for record in the office of the Albany County Clerk and Ex-Officio Register of Deeds of Albany County, Wyoming. The plat shall be filed for record prior to the conveyance of any Unit to a purchaser. The plat shall depict and show the legal description of the land and measurement thereof including all units.

## ARTICLE III DESCRIPTION OF UNITS

A. Every contract for the sale of a Unit may legally describe a Unit by its identifying unit designation, followed by the words "Mountain Valley Estates." The location of such Unit shall be depicted on the Map subsequently recorded.

Upon recordation of the Map in the County of Albany, Wyoming, such description shall be conclusively presumed to relate to the thereon described Units.

B. After the Map and this Declaration have been recorded in the Office of the County Clerk and Ex-Officio Register of Deeds, of Albany County, Wyoming, every contract, deed, lease, mortgage, trust deed, will or other instrument shall legally describe a Unit as follows:

Lot \_\_, Block \_\_, Mountain Valley Estates,  
Albany County, Wyoming.

C. Every such description shall be good and sufficient for all purposes to sell, convey, transfer, encumber, or otherwise affect the Unit, and incorporate all of the rights and burdens incident to ownership of a Unit and all of the limitations thereon as described in this Declaration and Map. Each such description shall be construed to include an exclusive easement to owners for utility purposes, including sewer effluent lines; and for ingress and egress to and from an Owner's Unit.

#### ARTICLE IV NATURE OF OWNERSHIP

A. **Division.** The real property described in Exhibit A which has been submitted to individual ownership, including the improvements thereon, is hereby divided into fee simple estates. Each such estate shall consist of a separately designated Unit and an undivided interest owned by the declarants. Title to each Unit is hereby made subject to the terms and conditions hereof, which shall bind the Declarant and all subsequent Owners, whether or not it be so expressed in the deed by which any Owner acquires his Unit.

B. **Taxation.** Declarant shall give written notice to the Assessor of Albany County, Wyoming, of the creation of joint ownership of the project, as is provided by law, so that each Unit shall be deemed separate parcels and subject to separate assessment and taxation.

C. **Owning Entity.** A Unit may be held and owned by more than one (1) person or entity as joint tenants or as tenants in common or in any other form of ownership recognized under the laws of the State of Wyoming.

D. **Inseparability.** No part of a unit or of the legal rights comprising ownership thereof may be separated from any other part thereof during the period of ownership prescribed herein, so that each Unit must be conveyed, rented or encumbered only as a constituent Unit.

E. **Partition.** Neither an Owner, a Group of Owners, nor the Association shall have the right to combine, divide, or partition any Unit or Units, and in taking title to any Unit the Owner thereof shall be deemed to have waived

any and all rights to combine, divide, or partition. A violation of the provisions of this Section shall entitle the Association to personally collect, jointly and severally, from the parties violating the same, attorney's fees, costs and other damages the Association incurs in connection therewith.

ARTICLE V  
USE OF UNITS

A. Residential. The Unit shall be used only for residential purposes, provided however, that any person who practices a profession such as doctor, lawyer, architect, engineer or such other similar professional occupation, may maintain as an integral part of the physical residence, an office which may not be his principal office.

B. Prohibitions. Nothing shall be done or kept in any Unit or any part thereof which would result in the cancellation of the insurance of the Project or any part thereof or increase the rate of the insurance on the Project or any part thereof over what the Association, but for such activity, would pay, without the prior written consent of the Association. No operation or activity shall be permitted by an Owner or another within or upon any portion of the Project which will violate the provisions of any applicable statute, rule, ordinance, regulation, permit, or other validly imposed requirement of any governmental body or the By-laws or the reasonable rules and regulations of the Association or any applicable protective restrictions and covenants. Each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by him or his invitees.

C. Architectural Control Committee. The Architectural Control Committee shall consist of Robert M. Honken, Sandra A. Honken and a designee of Warren Live Stock Co. for so long as Robert M. Honken, Sandra A. Honken and/or Warren Live Stock Co. desire, in their sole discretion. If, at any time, Robert M. Honken, Sandra A. Honken or Warren Live Stock Co. desire, in their sole discretion, to withdraw from the Architectural Committee, a replacement member shall be elected by the membership for each such withdrawing original member, from among the duly elected officers of the Association.

ARTICLE VI  
ASSOCIATION ORGANIZATION AND BY-LAWS

A. Administration and Management. Owners of each unit shall become a member of the Association upon conveyance to them of their unit and shall remain a member for their period of the ownership. The Association shall be granted all of the powers necessary to govern, maintain, manage, repair, administer and regulate the project and to perform all of the duties required of it. The Association shall grant to each first mortgagee of a Unit the right to examine the books and records of the Association at any reasonable time.

B. Association Function. The Association shall manage, control and maintain the roads to, from and within the development. The Association shall use its best efforts to join and participate with mutual homeowner associations established for the maintenance of public roads, snow removal and fire protection.

C. Transfer. Except as otherwise expressly stated herein, any of the rights, interest, and obligations of the Association set forth herein or reserved herein may be transferred or assigned to any other person or entity; provided, however, that no such transfer or assignment shall relieve the Association of any of the obligations set forth herein. Any such transfer or assignment shall not revoke or change any of the rights or obligations of any Owners as set forth herein.

D. Voting Rights. Association members shall all be Owners and shall be entitled to one (1) vote for each Unit owned. When more than one (1) person holds an interest in any Unit, all such persons shall be members. The vote for such Unit shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Unit.

E. Rules and Regulations. The Association may make reasonable rules and regulations governing the use of the Units, which rules and regulations shall be consistent with the rights and duties established in this Declaration. The Association may suspend any Owner's voting rights in the Association during any period or periods during which such Owner fails to comply with such rules and regulations, or with any other obligations of such Owner under this Declaration. The Association may also take litigative action against any Owner to enforce compliance with such rules, regulations or other obligations or to obtain damages for non-compliance. Such damages shall include payment of the Association's costs and reasonable attorney fees incurred as a result of such Owner's noncompliance.

F. Notice and Quorum for any Action Authorized. Written notice of any meeting called for the purpose of taking any action authorized shall be sent to all members not less than thirty (30) days, nor more than sixty (60) days, in advance of the meeting.

#### ARTICLE VII COVENANT FOR MAINTENANCE ASSESSMENTS

A. Personal Obligation of Assessments. The Declarant, for each Unit owned within the Properties, hereby covenants, and each Owner of any Unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (1) Annual assessments or charges as determined, from time to time by the Association to be due and owing by the Owners; and

- (2) Special assessments for road improvements, such assessments to be established and collected as hereinafter provided; and
- (3) Specific assessments pertaining to mutual homeowner associations established for maintenance of public roads, snow removal and fire protection.

**B. Creation of the Lien.** The Assessments and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. Subject to Article VII, Section I, the personal obligation for delinquent assessments shall pass to an Owner's successors in title unless expressly disclaimed by them by written notice to the Association prior to transfer of title.

**C. Purpose of Assessments.** The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the residents in the Units and for the improvement, maintenance and operation of the roads situated within the Project, and other activities mutually approved for the joint benefit of the Owners.

**D. Notice and Quorum for any Action Authorized Under this Section.** Written notice of any meeting called for the purpose of taking any action authorized under this Section shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2), or thirty percent (30%) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

**E. Rate of Annual Assessments.** The annual assessments as determined under the preceding paragraphs shall be uniform among all Owners and shall be collected in annual installments.

**F. Rate of Special Assessments.** Any special assessment as determined hereunder shall be apportioned equally among all owners and shall be collected in the manner approved by the Association in accordance with this Declaration.

**G. Date of Commencement of Annual Assessments: Due Dates.** Unless otherwise determined by the Association, the annual assessment

period provided for herein shall be for a calendar year, from January 1 to December 31. The Association shall fix the amount of the annual assessment against each Unit at least thirty (30) days in advance of each annual assessment anniversary. Written notice of the annual assessment shall be sent to every Owner subject thereto. The payment due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified unit have been paid or are due and owing.

H. Effect of Nonpayment of Assessments. Remedies of the Association. Any assessment not paid within thirty (30) days after the payment due date shall bear interest from the payment due date at the rate of twelve percent (12%) per annum. The Association shall be entitled to bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, in its discretion. In any event, the Association shall be entitled to recover costs and reasonable attorneys fees occasioned by the Owner's failure to timely pay said assessment.

I. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Unit shall not extinguish the assessment lien, however, the sale or transfer of any Unit pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Unit from liability for any assessments thereafter becoming due or from the lien thereof.

#### ARTICLE VIII INSURANCE
