No certificate or document, save and except a recorded conveyance to a lot, shall be required to evidence such membership.

8.04 Voting Rights. Each Owner shall be entitled to one vote for each lot owned, save and except only that the voting rights of any Owner who is more than 30 days past due on the payment of any assessment to the Association shall be automatically suspended until such assessment, together with interest, costs, and reasonable attorney's fees, is paid in full. When more than one person holds an interest in any lot, the vote for such lot shall be exercised as they determine, but in no event shall more than one vote be cast on behalf of any one lot.

8.05 Action. An action of the Association, or any approval required of the Owners under this DECLARATION, shall require the affirmative and unanimous vote of all Owners, excluding the vote of any Owner whose voting rights are suspended under Paragraph 8.04, cast in person or by proxy, at a duly constituted meeting of the Association, or, without a meeting by written approval of such action.

8.06 Meetings. Meetings of the Association may be called at any time by the written request of the Owners of any two lots. IX - ASSESSMENTS

9.01 Creation of Lien & Personal Obligation of Assessments. Declarants, for each lot owned within Block 2 (East), hereby covenant, and each Owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association all assessments or charges duly established and collected as hereinafter provided. All such assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

9.02 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to pay the obligations imposed upon the Association by this DECLARATION and to promote the health, safety, and welfare of the residents in Block 2 (East).

9.03 Annual Assessments. The Association shall establish annual assessments to meet its obligations under this DECLARATION, including specifically the obligations to contribute to the maintenance of and snow removal from North Fork Road and to the maintenance of the dry hydrant and access road thereto under Article IV, and in regard to operating expenses of the Association. The Association shall have the power to include within the annual assessment amounts to meet the costs of any other service duly approved by the Association.

9.04 Special Assessments. In addition to the regular assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only.

9.05 Approval of Assessments. All assessments under this Article shall be subject to the approval of the Association as provided in Paragraph 8.05.

9.06 Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots in Block 2 (East).

9.07 Commencement of Annual Assessments. The annual assessments provided for herein shall commence as to all lots on such date as shall be established by the Association under Paragraph 8.05. The Association shall fix the amount of the annual assessment against each lot at least 30 days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Association. The

Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

9.08 Effect of Nonpayment of Assessments. Any assessment not paid within 30 days after the due date shall bear interest from the due date at the rate of 12 percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of his lot.

9.09 Subordination of Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first or second mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to the foreclosure of a first or second mortgage or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

X - GENERAL

10.01 Enforcement. The Association, or any Owner of a lot within Block 2 (East), shall have the right to enforce, by any proceeding at law or in equity, all conditions, covenants, reservations, and restrictions, and all charges and liens now or hereafter imposed by this DECLARATION. The party prevailing in any enforcement action shall be entitled to recover its or his attorney's fees and costs of investigation and litigation. Failure by the Association or by any Owner to enforce any condition, covenant, reservation, or restriction, or any lien or charge, herein contained shall in no event be deemed a waiver of the right to do so thereafter.

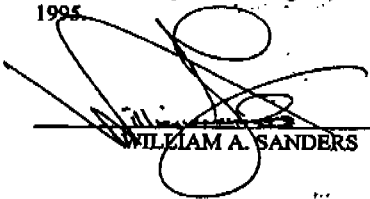

10.02 Severability. Invalidation of any provision of this DECLARATION by judgment or court order shall in no manner affect any other provision in this DECLARATION or the enforceability thereof.

10.03 Amendment. This DECLARATION may be amended only by an instrument signed by all of the Owners in accordance with Paragraph 8.05, and shall become effective upon being recorded in the Office of the County Clerk of Albany County, Wyoming.

10.04 Effect. This DECLARATION shall burden and run with all lands in Block 2 (East), shall be binding on all persons having any interest, right, or title in such lands or any part thereof and upon

the assigns, devisees, heirs, personal representatives, and successors of such persons, and shall inure to the benefit of each Owner of a lot within Block 2 (East).
