Section 3: Maintenance of Easements. The Association is hereby charged with the duty and responsibility of providing for the maintenance, repairs, and renovation of the Roads, and above-described easements.

Section 4: Conveyance of Easements. The Declarant hereby expressly agrees to survey the Road Easements and convey to the Association non-exclusive easements specified above. An Owners' right of enjoyment and use in and to the Road, shall not be exercised in any manner which subsequently interferes with the right and easement of any other Owner with respect thereto and shall be subject to the following:

- A. The right of the Association to charge reasonable fees and assessments to meet the estimated Common Expenses;

B. The right of the County of Albany and any other governmental or quasi-governmental body having jurisdiction over the Property to have access and the right of ingress and egress over and across the Roads.

ARTICLE III: OWNERS' RIGHTS

Section 1: Association Rules and Regulations. The Association shall have the right and power through its Board of Directors, to adopt such rules and regulations as it, in its sole discretion, shall determine from time to time to be necessary to regulate and govern the use of the Roads.

Section 2: Delegation of Use. Any Owner may delegate in accordance with the By-Laws of the Association, his right of enjoyment and use of the Roads, to the members of his family, his guests, invitees, and tenants subject to this Declaration, the Articles of Incorporation, and By-Laws of the Association, and all rules and regulations adopted by the Association.

ARTICLE IV: ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Every owner of a tract or parcel of the Property shall become a member of the Association upon acquisition of said tract or parcel. Membership shall be appurtenant to, and may not be separated from ownership of the tract or parcel of the Property. Membership shall pass by operation of law upon the sale of such tract or parcel; which sale may be by deed or by installment land contract. Each Owner shall have one (1) vote per tract or parcel owned within the Property and shall be entitled to vote as provided in the Articles of Incorporation and By-Laws of the Association. When more than one (1) person or entity holds a beneficial interest in a lot, tract, or parcel of the Property, as a joint tenant, tenant in common, or otherwise, all such persons shall be members of the Association, but shall be considered as only one (1) Owner for voting purposes. Concept: One (1) vote per tract or parcel, One (1) assessment per tract or parcel.

ARTICLE V: ASSESSMENT FOR COMMON EXPENSES

Section 1: Personal Obligation of Owners for Assessments. The Declarant, for each tract or parcel of the Property owned, hereby covenants, and each Owner of any tract or parcel of the Property by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay all assessments imposed by the Association to meet the estimated Common Expenses. Assessment for the estimated Common Expenses shall be due yearly or at such other intervals as may from time to time be set by the Association. The Association shall prepare and deliver a statement for the yearly assessment by mail to each member.

Section 2: Amount of Assessments. Assessments made for the Common Expenses shall be based upon the cash requirements deemed to be the aggregate sum which the Association shall from time to time determine to be paid by the Owners, including the Declarant, to provide for the Common Expenses. The amount of the assessment which shall be paid by each Owner of a tract or parcel of the Property shall be determined by dividing the aggregate sum the Association determines to be paid by the number of Owners as hereinabove provided. In no event shall said assessment exceed two hundred dollars (\$200) per year per each tract or parcel of the Property. In the event any tract or parcel of the Property is subdivided, each person or entity purchasing a portion of any such subdivided tract or parcel of the Property shall be an owner for purposes of these covenants and shall be obligated to pay the assessment for Common Expenses as herein provided. Notwithstanding the foregoing, the Declarant shall not be obligated to pay an assessment in excess of that paid by an owner of thirty-five (35) acres regardless of the number of tracts or parcels actually owned by the Declarant.

ARTICLE VI: LIEN FOR NON-PAYMENT OF ASSESSMENTS

Section 1: Effect of Non-Payment of Assessment and Remedies of the Association. It shall be the duty of each Owner to pay proportionate share of the Common Expenses

and any other expenses as set forth in the Declaration, as assessed by the Association. Payment thereof shall be in such amounts and at such times as may be determined by the Association. If any Owner shall fail or refuse to make any such payments when due, the amount thereof shall constitute a lien on the Owner's tract or parcel of the Property; and upon the recording of notice thereof by the Association, such lien shall be constituted upon such Owner's interest in said tract or parcel of the Property (a) prior to all other liens and encumbrances, recorded or unrecorded, except taxes, special assessments, and special taxes theretofore or thereafter levied by any political subdivision or municipal corporation of this state, and other state or federal taxes which by law are a lien on the interest of such Owner prior to the pre-existing recorded encumbrance thereon, and (b) all sums unpaid on a first mortgage of record.

ARTICLE VII: USE COVENANTS

Section 1: Building Locations and Easements. No building of other permanent structures shall be located so as to interface with any easement.

Section 2: Temporary Residence. A pickup camper, camp trailer, motorhome, or tent may occupy a parcel for recreational purposes only, and shall not become a permanent dwelling.

Section 3: Refuse and Rubbish. Rubbish, refuse, garbage and other wastes shall be kept within sealed containers, shall not be allowed to accumulate on the Property, and shall be disposed of in a sanitary manner. No parcel shall be used or maintained as a dumping ground for such materials.

Section 4: Livestock and Animal Control. Any tract or parcel of the Property may be used for the grazing of livestock such as cattle, horses, and sheep. Overgrazing is prohibited and the livestock shall be properly cared for with adequate maintenance, food, and shelter. It shall be the responsibility of the Owner to fence the tract or parcel

of the Property when livestock are to be maintained on any tract or parcel.

Section 5: Fences. Fences shall be permitted; provided however, that fences shall be constructed so as not to interfere with the Road Easements hereinabove established and required for access to adjoining lands unless cattle guards and bypass gates are installed.

ARTICLE VIII: GENERAL PROVISIONS

Section 1: Enforcement. Enforcement of these covenants shall be by appropriate proceedings at law or in equity against those persons violating or attempting to violate any covenant or covenants. Such judicial proceeding shall be for the purpose of removing a violation, restraining a future violation, for recovery of damages for any violation, for recovery of assessments due, or for such other and further relief as may be available. Such judicial proceedings may be prosecuted by any Owner or by the Association on behalf of its members, and the Association may assess the cost of such prosecution as a Common Expense. The failure to enforce or to cause the abatement of any violation of this Declaration shall not preclude or prevent the enforcement thereof of a further or continued violation.

Section 2: Severability. Should any part or parts of these covenants be declared invalid or unenforceable by any court of competent jurisdiction, such decision shall not affect the validity of the remaining covenants.

Section 3: Duration. The herein included covenants shall run with the land; shall be binding upon all persons owning tracts or parcels of the Property and any persons hereinafter acquiring said tracts or parcels of the Property; and shall be in effect for a period of twenty-five (25) years from and after the date these covenants are recorded in the Office of the Clerk and Recorder of the County of Albany, State of Wyoming, after which period said covenants shall cease to be and shall be of no further force and effect unless the Owners of two-thirds (2/3) of the Land Area within the Property shall elect, in writing duly filed,

to extend said covenants for an additional specified period at which time these covenants shall be of no further force and effect unless similarly extended for an additional period or periods. Provisions for maintenance of the Road Easements shall not be permitted to lapse with the other covenants unless other provisions are made for continuation of said maintenance.

These Protective Covenants may be altered in whole or in part at any time the then record Owners of two-thirds (2/3) of the Land Area within the Property so elect through a duly written and recorded instrument.

Section 4: Cost of Enforcement. In the event the Association commences an action to enforce any of these Protective Covenants, and the Association prevails, the Association shall be entitled to recover all costs and expenses including reasonable attorney's fees incurred by the Association in the prosecution of such action.

Section 5: The undersigned, its successors and assigns, shall have the right to bring within the scheme of these Protective Covenants, and the structure of the Association, additional properties in accordance with a general plan of development. All easements for Roads and Utilities affecting the Property within the scheme of the Protective Covenants and the additional lands hereinabove contemplated shall be common to all lands within the general plan of development. Such additions shall be made by filing of record a supplement to these Protective Covenants. Such supplement may contain such additions and modifications of these Protective Covenants as may be necessary to reflect the different character, if any, of the added properties and shall not be inconsistent with the scheme of these covenants.

IN WITNESS WHEREOF, PARK MEADOWS, A General Partnership, has caused this instrument to be executed the day and year first above written.

- A. The right of the Association to charge reasonable fees and assessments to meet the estimated Common Expenses;

Each Owner shall have one (1) vote per tract or parcel owned within the Property and shall be entitled to vote as provided in the Articles of Incorporation and By-Laws of the Association. When more than one (1) person or entity holds a beneficial interest in a lot, tract, or parcel of the Property, as a joint tenant, tenant in common, or otherwise, all such persons shall be members of the Association but shall be considered as only one (1) Owner for voting purposes. Concept: One (1) vote per tract or parcel, One (1) assessment per tract or parcel.

ARTICLE V: ASSESSMENT FOR COMMON EXPENSES

Section 1: Personal Obligation for Owners for Assessments. The Declarant, for each tract or parcel of the Property owned, hereby covenants, and each Owner of any tract or parcel of the Property by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay all assessments imposed by the Association to meet the estimated Common Expenses. Assessments for the estimated Common Expenses shall be due yearly or at such other intervals as may be set by the Association from time to time. The Association shall prepare and deliver by mail to each member a statement for the yearly assessment.

Section 2: Amount of Assessments. Assessments made for the Common Expenses shall be based upon the cash requirements deemed to be the aggregate sum which the Association shall, from time to time, determine to be paid by the Owners, including the Declarant, to provide for the Common Expenses. The amount of the assessment which shall be paid by each Owner of a tract or parcel of the property shall be determined by dividing the aggregate sum the Association determines to be paid by the Owners as hereinabove provided and the proportionate share of said aggregate sum based upon the number of tracts or parcels owned within the Property. In no event shall said assessment exceed one-hundred fifty dollars (\$150.00) per year per each tract or parcel of the Property. This limitation may be waived by an Owner who wishes to pay in excess of said limitation in any one year and may be revised by the Association as future needs dictate as provided in the Articles of Incorporation or By-Laws of the Association. In the event any parcel or tract of the Property is subdivided, each person or entity purchasing a portion of any such subdivided tract or parcel of the Property shall be an owner for purposes of these covenants and shall be obligated to pay the assessment for Common Expenses as herein provided. Notwithstanding the foregoing, the Declarant shall not be obligated to pay an assessment in excess of that paid by an owner of thirty-five (35) acres regardless of the number of tracts or parcels actually owned by the Declarant. In addition to the above assessment, the Association shall have the right upon majority vote of the membership present at each annual meeting to assess up to seventy-five (\$75.00) dollars per member for the purpose of stocking the Fishing Areas.

ARTICLE VI: LIEN FOR NON-PAYMENT OF ASSESSMENTS

Section 1: Effect of Non-Payment of Assessments, Remedies of the Association. It shall be the duty of each Owner to pay a proportionate share of the Common Expenses and any other expenses as set forth in the Declaration and as assessed by the Association. Payment thereof shall be in such amounts and at such times as may be determined by the Association. If any Owner shall fail or refuse to make any such payments when due, the amount thereof shall constitute a lien on that Owner's tract or parcel of the property as set forth in the deed of conveyance to said Owner; and upon the recording of notice thereof by the Association, such lien shall be constituted upon such Owner's interest in said tract or parcel of the property prior to all other liens and encumbrances recorded or unrecorded, except taxes, special assessments, and special taxes theretofore or hereafter levied by any political subdivision or municipal corporation of this state, and other state or federal taxes which by law are a lien on the interest of such Owner prior to the pre-existing recorded encumbrance thereon, and (b) all sums unpaid on a first mortgage of record, including all unpaid obligatory sums as may be evidenced by such encumbrance and including additional advances made thereon prior to the arising of this lien.

ARTICLE VII: ARCHITECTURAL COVENANTS

Section 1: Land Use and Building Type. Except as otherwise provided herein, no building shall be erected, altered, placed or permitted to remain on any tract or parcel of the Property other than single-family residential dwellings with attached or unattached garages; unattached pump houses; residential guest houses; and non-residential outbuildings and structures such as barns, stables, or corrals for use specifically in connections with the care of livestock, as permitted under these covenants or the maintenance of equipment. The Architectural Control Committee may grant relief from this provision for good cause.

Section 2: Approval. No building or other structure including, but not limited to, dwellings, sheds, garages, outbuildings, and fences shall be erected, placed, or altered on any tract or parcel of the Property until the plans and specifications, along with a plot plan (submitted in duplicate), showing the location of the structure, have been approved by the Architectural Control Committee, which plans shall, among other things, show the type of exterior material and finish, exterior design, existing structures, if any, and location of the structure with respect to property lines. Should the Architectural Control Committee, or its successors, or assigns fail to approve or disapprove the plans and specifications submitted to it by the Owner of a tract or parcel of the Property within thirty (30) days after the written request therefore, then such approval shall not be required and shall be deemed to have been given. However, no building or other structure shall be erected, or allowed to remain on any tract or parcel of the Property, which violates any of the covenants or restrictions contained herein. At the time said plans and specifications are approved, the builder or Owner shall proceed diligently with construction and the exterior of any such structure shall be completed within eighteen (18) months of the date of approval by the Architectural Control Committee. The Architectural Control Committee may grant an extension beyond said eighteen (18) month construction period for good cause when requested by the Owner.

Section 3: Nuisance. Nothing which may be, or may become annoying, or a nuisance to other Owners shall be permitted on any tract or parcel of the Property. No obnoxious or offensive activity or commercial business or trade shall be conducted upon any tract or parcel of the Property; except that professional offices, such as those of a doctor, lawyer, dentist, architect, or engineer, may be maintained within the main residential dwelling. For purposes of this covenant, ungaraged, inoperative automobiles, machines or other equipment which remain on any tract or parcel of the Property for more than ninety (90) days shall be deemed to be a nuisance.
