- B. A written declaration signed by Developer/Declarant stating its intention to turn over to the duly elected Board of Directors of the Association all of the duties, rights, obligations and responsibilities of the Association as here in provided; subject, however to the provisions of Article II, Section 1, paragraph C, below.

Notwithstanding the fact that Developer/Declarant may relinquish all of the duties, rights, obligations and responsibilities of the Association to the duly elected board of Directors, Developer/Declarant shall continue to act as the Association and Board of Directors with regard to all matters relating to all lots that are still owned by Developer/Declarant and lots that have been sold to mobile home dealers until such time as the mobile home dealer has sold the lot to an Owner occupying a residence on the lot.

A Board of Directors may be elected by the membership at any time; however, the Board of Directors shall not exercise any of the rights, powers and duties granted the Association and its Board of Directors until the occurrence of either Paragraph A or B above. Until such time, the decision of the Developer/Declarant as to all matters hereunder shall be final and shall not be subject to review or change by the Association or its Board of Directors.

Section 2. Membership: Every Owner of a lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from Ownership of any lot covered by these Covenants.

Section 3. Voting: Each Owner of a lot covered by these covenants shall be entitled to one vote for each lot owned. When more than one person or entity holds an interest in any lot, all such persons or entities shall be members of the Association, but only one vote for any such lot may be exercised.

Section 4. Board of Directors, Meetings: The Association shall be governed by a seven-person Board of Directors. The initial term of the Board of Directors shall be staggered so that the terms of three directors shall expire at the end of two years, and the terms two directors shall expire at the end of four years and six years, respectively. Directors must be Owners of a lot covered by these Covenants. Elections by the membership for each expired term of the board of Directors shall be held at the annual meeting of the Association membership called by the Board of Directors each year on ten days' written notice to the membership. Special meetings of the membership may be called at any time on ten days' written notice to the membership by the board of Directors of by any ten lot Owners.

In any event, the Board shall meet at least once each year to elect new officers and conduct such other business as it deems necessary. In the event of death, incapacity, resignation, or ineligibility of any director, the remaining directors shall have full authority to designate a successor to complete the term of office. No compensation shall be paid to the directors. Reimbursement of Director's out of pocket expenses may be reimbursed at the discretion of the Board of Directors.

Section 5. Enforcement: Enforcement of the restrictions and covenants described herein may be by proceeding of law in equity, against any person or entity for injunctive relief or for damages, violating or attempting to violate any restriction or covenant contained herein. Any enforcement action brought herein may be undertaken

by the Association or by individual lot Owners with the approval of the Board of Directors of the Association.

A Majority of directors shall constitute a quorum; provided however, if less than a majority of directors are present at said meeting, a majority of the directors present may adjourn the meeting to another time without further notice. The affirmative vote of four of the directors at a meeting which a quorum is present shall be required to constitute an official and valid action. Any action of the Board of Directors may be overturned and nullified by two-thirds majority vote of the lot owners.

Section 6. Disputes. All disputes concerning the application or interpretation of these Covenants shall be decided by the Board of Directors as to the lots to which the Association has authority pursuant to Article II, Section 1, provided, however, that disputes as to lots owned by Developer/Declarant or lots owned by dealers shall be resolved by Developer/Declarant.

Section 7. Termination: Since at the time these declarations, restrictions and covenants, which run with the land, were being prepared there is a requirement for each homeowner to pay \$100 (one hundred dollars) per year, for fourteen (14) years to Dry Fork Mine, it is anticipated that the Homeowners Association ("HOA") may be disbanded at the end of the fourteen years, by a vote of the 2/3 majority of the owners and evidenced by a document recorded of record listing the owners and the legal description of the property that voted in favor of the termination.

In the event the HOA is disbanded, these Covenants continue to be in full force and effect in all other aspects.

ARTICLE V COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Developer/Declarant, for each lot owned within the Property hereby covenants, and each Owner of any lot by acceptance of a deed or contract for deed therefore, whether or not it shall be so expressed in such deed or contract for deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Property against which each such assessment is made. Any member or lot Owner shall have the right to inspect the records of the Association at any reasonable time. Notwithstanding the foregoing, all lots owned by Developer/Declarant or by a homebuilder shall not be subject to annual or special assessments as herein provided. The annual and special assessments shall become payable once a lot is sold to a private lot Owner for residential use and occupation by

such lot Owner.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Property. In addition to any annual assessment, the Association shall collect the required annual \$100 (one hundred dollars) per homeowner, payable to Dry Fork Mine or its successors, for a period of 14 years or until the total of \$1400 per occupied lot is paid.

Section 3. Basis and Maximum of Annual Assessments. Until January 1 of the year immediately following the conveyance of the first lot subject to these covenants to a private residential lot Owner, the maximum annual assessment shall be \$100 per lot.

Assessments shall become effective and payable commencing with the first month following the month of lot sale closing to a private residential lot Owner.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or part, the cost of any construction, reconstruction, repair or replacement of a capital improvement within the Property, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of 60% of the votes of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Article II, Section 3 or 4, shall be sent to all members not less than 30 not more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast 60% of all the votes of the membership shall constitute a quorum. If the required quorum is present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 30 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to each lot on the first day of the month following conveyance by deed or contract for deed to a private residential lot Owner. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least 30 days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within 30 days after the due date shall be charged interest at the annual percentage rate of 12%. The Association may bring an action at law or against the Owner personally obligated to pay the same, or foreclose the lien against the Property as provided in Article III, Section 1, above. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use or abandonment of the Owner's lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien as to the lot conveyed. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE VI MINING COVENANTS, RELEASE AND INDEMNIFICATION, AND DISCLOSURES

Section 1. Mining and Other Operations Nearby: The proposed subdivision is located near an active coal mining operation. The mine is an approved and permitted mine with the existing and continuing right to mine its current coal reserves. Active mines may operate twenty-four hours per day, seven days per week, and may include operation of heavy equipment, blast hole drilling, blasting events, and other activities related to mining. Operation of this mine may result in ground vibration, noise, dust, bright lights at night, and other conditions that may affect the quality of life in this subdivision. Some studies indicate that blasting may temporarily result in trace amounts of nitrogen oxide and nitrogen dioxide fumes after blasts which may cause temporary discomfort to certain individuals, especially those with respiratory disorders. Overly sensitive individuals may need to depart from the area to avoid the discomfort caused by the gases. Persons intending to purchase, lease or rent property in this subdivision are here notified that mining coal from an approved and permitted mine is a reasonable and lawful use of its property by the mine operator, and that the mine is not required to curtail or otherwise limit its operations to minimize impacts to the subdivision or its residents. In addition, Western Fuels-Wyoming, Inc. also leases property for oil and gas production, grazing, and for other purposes

which may adversely affect the Lot owners and occupants. Methane gas could be released during the production of methane gas from nearby gas well operations. There may be coal seams beneath the subdivision which could become conduits for methane gas and other gas releases.

Section 2. Release and indemnification: The present owners of Lots and any future owners and occupants of Lots, by these covenants, are hereby notified as to the activities taking place near the Lots as outlined in Section 1 above. As owner or occupant of any of these Lots or Lot, the owner of said Lot, does hereby release and hold Ash, Inc., Ash Meadows LLC, the City of Gillette, Campbell County and Western Fuels-Wyoming, Inc. its owners, employees, representatives, successors, or assignees and any of its subcontractors or materialmen, or anyone else authorized to act by Ash, Inc., Ash Meadows LLC, or Western Fuels-Wyoming, Inc. harmless from any damage whatsoever, and of any nature whatsoever from Western Fuels-Wyoming, Inc.'s mining and other Operations nearby as described in Section 1, above. This release and indemnification shall include attorneys' fees and costs, should Ash, Inc., Ash Meadows LLC, the City of Gillette, Campbell County and/or Western Fuels-Wyoming, Inc be required to defend any action against any Lot owner(s). However, the Lot owners are not prevented from bringing action against Western Fuels-Wyoming, Inc. for their gross negligence or willful actions not contemplated by these covenants, which cause damage to the Lot owners.

Section 3. Covenants and Disclosures to Run with the Land. These Covenants and Disclosures shall run with the land and shall be binding on and shall inure to the benefit of Western Fuels-Wyoming, Inc., its successors, and assigns.

Section 4. Modification of Article IV of these Covenants and Disclosures: Article IV of these Covenants and Disclosures shall not be amended or altered in any fashion whatsoever, without the written consent of Western Fuels-Wyoming, Inc.

ARTICLE VII

DISPOSITION

Section 1. Enforcement: The Declarant, Association or Board of Directors, or any owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Declarant, Association or Board of Directors, or any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Association and Board of Directors shall have the right to reimbursement of reasonable court costs and attorney fees if legal action is instituted against any Owner.

Section 2. Amendment. Waiver of Covenants: Except as these covenants may be amended or terminated by Declarant, they may not be waived or modified by Owners.
