The Owner of Lot 1C shall not be obligated to reimburse Menard for maintenance of the improvements on Tract A if a direct access point from Lakeway Road to Lot 1C is created and access to Lot 1C is no longer taken through Tract A.

If two of Lot 1B, Lot 1C or Tract B are improved, then the Owner of each improved lot shall reimburse Menard for thirty-three percent (33%) of the maintenance, repair, and replacement costs. If each of Lot 1B, Lot 1C, and Tract B are improved, then the Owner of each of these lots shall reimburse Menard for twenty-five (25%) of the maintenance, repair, and replacement costs. The Owner(s) of Lot 1B, Lot 1C and/or Tract B shall pay on the invoice within thirty (30) days of receiving the invoice. As Lots 1B or 1C are improved, then the Owner of the improved lot shall reimburse Menard for fifty percent (50%) of the maintenance, repair, and replacement costs of the common drainage pipes. This obligation shall commence when the Owner obtains a building permit for Lot 1B and/or Lot 1C. Menard shall attempt to issue an invoice within sixty (60) days of the end of a calendar year for said maintenance costs. The Owner of Lot 1B and/or Lot 1C shall pay on the invoice within thirty (30) days of receiving the invoice. This easement shall be adjusted to be only that portion of the Cross Access Drive between Tract A and the western most point of the entrance to Lot 1C. construct the stormwater pond and any stormwater pipes through Tract B. Menard, at no additional cost, shall have the right to remove and utilize, in such quantities as Menard desires, soil from Tract B to grade the Menard Parcel to an elevation satisfactory to Menard in its sole discretion and place top soil from the Menard Parcel into the pond on Tract B. Cloud Peak acknowledges that the soil removal will result in an oversized pond and/or borrow pit area that will render most or all of Tract B unsuitable for building. Alternatively, Cloud Peak may elect to provide Menard with suitable fill in the amount Menard requires for development of the Menard Parcel pursuant to the terms listed in Paragraph U of Article VIII of this Agreement.

ii. If Cloud Peak exercises its option under Paragraph U of Article VIII of this Agreement, then Cloud Peak grants to Menard and its contractors a temporary construction easement over Lot 2F and Lot 2G of East Lakeway Subdivision, as shown on Exhibit E attached hereto, for the purpose of dumping topsoil and unsuitable material. To the extent any deductible is permitted or allowed as a part of any insurance policy carried by a Person, such Person shall be deemed to be covering the amount thereof under an informal plan of self-insurance; provided, however, that in no event shall any deductible exceed \$50,000.00 in Constant Dollars unless such Person complies with the requirements regarding self-insurance pursuant to Section VII (C). Each Party shall furnish to the other Party, a certificate(s) of insurance, or statement of self-insurance, as the case may be, evidencing that the insurance required to be carried by such Person is in full force and effect.
3. The following shall apply to the insurance required pursuant to Section VII (A):
  - a. The insurance policy may not be canceled or materially reduced in amount or coverage below the requirements of this Agreement, without at least thirty days prior written notice by the insurer to each insured and to each additional insured.
  - b. The insurance shall provide for severability of interests.
  - c. The insurance shall provide that an act or omission of one of the insureds or additional insureds, which would void or otherwise reduce coverage, shall not reduce or void the coverage as to the other insureds or additional insureds.
  - d. The insurance shall provide for contractual liability coverage with respect to the indemnity obligations set forth in this Agreement.

#### Article VIII -- Miscellaneous

- A. **Breach Shall Not Permit Termination.** Breach of this Agreement shall not entitle any Party to cancel, rescind or otherwise terminate this Agreement. This limitation shall not affect, in any manner, any other right or remedies that the Parties may have by reason of any breach of this Agreement.
- B. **Headings.** The headings of this Agreement are for convenience only and shall not be considered nor referred to in resolving questions of interpretation and construction.
- C. **Consent.** In any instance in which a Party shall be requested to consent to or approve of any matter with respect to which consent or approval is required by any of the provisions of this Agreement, such consent or approval shall be given in writing, and the same may be given or refused in the sole judgment of such Party, unless otherwise expressly provided in this Agreement.
- D. **Covenants Run With Land.** Every provision of this Agreement to be performed by the Parties (whether affirmative or negative in nature) shall bind every Party, and their successors and assigns, and shall inure to the benefit of, and be enforceable by all Parties and their respective successors in title or interest. All of the covenants of this Agreement shall run with the Parcels and shall bind every other Person having any fee, leasehold or other interest in any part of any Parcel derived through the Parties to the extent that such part of a Parcel is affected or bound by the covenants in question.
- E. **Governing Law.** This Agreement shall be construed in accordance with the laws of the State of Wyoming and any applicable federal laws and regulations.

- F. Remedies.** In the event of any violation or threatened violation by a Party of any of the terms of this Agreement, the other Party or Parties shall have the right to enjoin such violation or threatened violation, or to seek any other remedy as allowed by law in a court of competent jurisdiction. Except in an emergency, notice of such violation shall be given to the Party responsible for such violation or threatened violation at least seven (7) days prior to the commencement of any such action. Any action shall be brought in the Sixth Judicial Circuit Court in Campbell County..
- G. Partnership.** Nothing contained in this Agreement nor any acts of the Parties shall be deemed or construed to create the relationship of principal and agent, of partnership, of joint venture or of any association between the Parties.
- H. Not a Public Dedication.** Nothing contained in this Agreement shall be deemed to be a gift or dedication of any portion of the Parcels to the general public for any public purpose whatsoever. The Parties hereby reserve the right to remove from their Parcel any Person or Persons not authorized, empowered, or privileged to the use thereof. Additionally, the Parties reserve the right to close off the easements located upon their respective Parcels for such reasonable periods of time as may be legally necessary to prevent the acquisition of prescriptive rights by any third parties; provided, however, that prior to closing off any portion, the Party seeking to close off its portion shall give written notice to the other Parties of its intention, and shall coordinate such closing with the others so that no unreasonable interference with the Parties' operations shall occur.
- I. Payment of Default.** If pursuant to this Agreement any Party is obligated, compelled or elects on behalf of another Party to pay any sum of money or do any act which requires the payment of money, the Party responsible for the payment shall reimburse the paying Party for such sums within thirty days of demand. All such sums shall bear a rate the lesser of 12% per annum or the maximum rate permitted by law, which shall accrue from the date of actual payment to the date such payment has been reimbursed. In no event shall any mortgagee or any purchaser of mortgagee's interest at a foreclosure sale or by deed in lieu of foreclosure be obligated to make any payment described in this Section accruing prior to the date that such mortgagee forecloses on such Parcel.
- J. Release.** If any Party shall sell, transfer or assign its Parcel or its interest therein, it shall, except as provided in this Agreement, be released from its future obligations. It shall be a condition precedent to the release and discharge of any grantor or assignor Party that such grantor or assignor shall give notice to the other Parties to this Agreement of any such sale, transfer, conveyance or assignment concurrently with, or immediately following, the filing for record of the instrument affecting the same. The granting or assigning Party shall remain responsible for any amounts owing or any other obligation that shall have accrued prior to such sale, transfer, conveyance or assignment.
- K. Severability.** If any term, provision or condition contained in this Agreement shall to any extent be invalid or unenforceable, the remainder of this Agreement (or the applicable portion of such term, provision or condition to persons or circumstances other than those in respect of which it is invalid or unenforceable) shall not be affected, and each term, provision and condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.
- L. Time of Essence.** Time is of the essence with respect to the performance of each of the covenants contained in this Agreement.
- M. Waiver of Default.** No waiver of any default by any Party shall be implied from any omission to take any action in respect to such default if such default continues or is repeated. No express waiver of any default shall affect any default or cover any period of time other than the default and period of time specified in such express waiver. One or more waivers of any default in the performance of any term, provision, or covenant contained in this Agreement shall not be deemed

to be a waiver of any subsequent default in the performance of the same term, provision, or covenant. The consent or approval of any Party to any act or request does not render unnecessary the consent or approval of any subsequent similar acts or requests. The rights and remedies given to any Party shall be deemed to be cumulative and no one right or remedy shall be exclusive of any of the other, or of any other right or remedy at law or equity which any Party might otherwise have by virtue of a default under this Agreement, and the exercise of one such right or remedy by any such Party shall not impair such Party's standing to exercise any other right or remedy.

- N. **Amendment.** This Agreement may be amended or modified only by document executed by the Owner of the Menard Parcel and the Owners of the majority of all other acreage within the shopping center and recorded by the Campbell County Recorder in Gillette, Wyoming.
- O. **Notice.** Any notice, demand, request or other communication which may or shall be given or served by one Party to another, shall be deemed to have been given or served three (3) days after the date the same is deposited in the United States Mail, registered or certified, return receipt requested, postage prepaid; sent by electronic transmission; or given to a nationally recognized overnight courier service for next business day delivery and addressed as follows:

The Parties agree that electronically reproduced signatures such as by facsimile are valid for execution or amendment of this Agreement and that electronic transmissions, such as email, are an authorized form of notice as that term is used in this Agreement.

A Party transferring all or any portion of its fee interest in the shopping center shall give notice to all other Parties, if any, of such transfer and shall include in such notice at least the following information: (i) The name, address and phone number of the new Party; (ii) A copy of the deed evidencing the transfer and setting forth the legal description of the portion of the Tract transferred by such Party; and (iii) The name, address and phone number of the then designated representative of the Parcel if more than one Party has an ownership interest in a Parcel.

- P. **Force Majeure.** The Parties shall be excused from performing any obligation under this Agreement, except for obligations to pay sums of money, so long as the performance of such obligation is prevented, delayed, retarded or hindered by the following: act of God; fire; earthquake; flood; explosion; action of the elements; war; acts of terror; invasion; insurrection; riot; mob violence; sabotage; inability to procure or general shortage of labor, equipment facilities, materials, or suppliers in the open market; failure of transportation; strike; lockout; action of labor union; condemnation; requisition; law; orders of governmental, civil, military, or naval authorities; or any other cause, whether similar or dissimilar to the foregoing, not within the respective control

of the obligated Party. The provisions of this section shall not operate to excuse any Person from the prompt payment of any monies required by this Agreement.

- Q. Effective Date.** This Agreement shall become effective the day this Agreement is recorded by the Campbell County Recorder in Gillette, Wyoming.
- R. Estoppel Certificate.** Upon the request of a Party, the other Parties shall execute and deliver, from time to time, a certificate confirming, if such then be the fact, that this Agreement then continues in full force and effect and without amendment (or, if amended, stating the amendments) and that the certifying Party knows of no existing defaults by the other Party (or if such default is known, specifying the same).
- S. No Merger.** Notwithstanding a Party's ownership of more than one Parcel the easements granted hereunder shall burden and benefit each Parcel individually, without merger as a result of such common ownership, and upon conveyance of the Parcel so that such Parcel ceases to be under common ownership, neither the Party conveying said Parcel nor the Party acquiring said Parcel shall need to execute additional documentation to evidence the existence of said easements, and said easements shall relate back to and shall be deemed to have been created as of the date of this Agreement.
- T. Term of this Agreement.** This Agreement shall be in effect for the term of twenty (20) years from the date this Agreement is recorded and shall be automatically renewed thereafter for an infinite number of consecutive ten (10) year renewal periods unless terminated by a recorded written agreement from the Parties. Upon termination of this Agreement, all rights and privileges derived from and all duties and obligations created and imposed by the provisions of this Agreement, shall terminate. However, the termination of this Agreement shall not limit or affect any remedy at law or in equity that a Party may have against any other Party with respect to any liability or obligation arising or to be performed under this Agreement prior to the date of such termination.
- U. Cloud Peak Option to Provide Fill.** As an alternative to Menard having the right to take suitable fill material from Tract B pursuant to the terms of Paragraph D of Article VI of this Agreement, Cloud Peak may elect to provide Menard, at no cost to Menard, with 17,500 cubic yards of fill material that is of a quality equal to or better than the soil quality from Tract B to grade and raise the Menard Parcel and allow Menard to remove all topsoil and unsuitable soil from the Menard Parcel and dump the material on property owned by Cloud Peak legally described as Lot 1B and 1C of the East Lakeway II Subdivision, and Lot 2F and Lot 2G of East Lakeway Subdivision, and depicted on Exhibit E attached hereto. If Cloud Peak exercise this option, Cloud Peak and Menard agree to grant the easements described in Article VI(D)(ii-iii) of this Agreement.

Cloud Peak shall have seven (7) days from the date it conveys the Menard Parcel to Menard to make this election by providing written notice to Menard. If Cloud Peak does not exercise this option, Menard shall proceed under the terms of Article VI(D). Cloud Peak shall have seven (7) days from the date Menard notifies Cloud Peak that the topsoil and unsuitable material on the Menard Tract has been removed to place at least half of the certified fill on the Menard Tract and fifteen (15) days to place all of the fill on the Menard Tract. Cloud Peak shall place the fill in locations approved by Menard. The fill Cloud Peak provides must be inspected by an engineer contracted by Menard and approved for Menard's development purposes. Cloud Peak shall inform Menard where the fill comes from and permit Menard's engineer to inspect said fill to verify its suitability. If Cloud Peak has not provided the required amount of fill by either of the deadlines stated above, then Menard may take fill from the pond on Tract B as described in Paragraph D of Article VI of this Agreement.

Cloud Peak shall promptly pay its contractors and prevent any construction liens from being filed against the Menard Tract and shall cause its contractors working on the Menard Tract to provide

Menard with insurance certificates meeting the requirements of Article VII of this Agreement and naming Menard as an additional insured. Cloud Peak shall indemnify, defend, and hold Menard harmless for any death, bodily injury, property damage, or liens placed on the Menard Tract as a result Cloud Peak's development work on the Menard Tract.
