The declarant may, from time to time, subject additional real property to the conditions, restrictions, covenants, reservations, liens and charges herein set forth by appropriate reference hereto.

#### GENERAL PURPOSES OF CONDITIONS

The real property described in Clause I hereof is subjected to the covenants, restrictions, conditions, reservations, liens and charges hereby declared to insure the best use and the most appropriate development and improvement of each building site thereof; to protect the owners of building sites against such improper use of surrounding building sites as will depreciate the value of their property; to preserve, so far as practicable, the natural beauty of said property; to guard against the erection thereon of poorly designed or proportioned structures, and structures built of improper or unsuitable materials; to encourage and secure the erection of attractive homes thereon, with appropriate locations thereof on building sites; to prevent haphazard and inharmonious improvement of building sites; to secure and maintain proper setbacks from streets, and adequate free spaces between structures; and in general to provide adequately for a high type and quality of improvement in said property, and thereby to enhance the values of investments made by purchasers of building sites therein.

A. All building sites in the tract shall be known and described as residential building sites. No structures shall be erected, altered, placed or permitted to remain on any building site other than one detached single-family dwelling not to exceed two stories in height, and a private garage for not more than two cars.

B. No structures shall be erected, placed or altered on any such building lot until the building plans, specifications, and plot plan showing the location of such structure have been approved in writing as to the conformity and harmony of external design and as to location of the structure with respect to topography and finished ground elevation and to conform with all the covenants, conditions and restrictions contained herein by a committee composed of William R. Hays, John C. Ostlund and Earl M. Rivard, which shall within 30 days, or as soon thereafter as practicable, approve or disapprove any plans or specifications submitted to them in writing. The failure of such representative to approve or disapprove any proposed building plans shall not in any way relieve the owner or the builder from his legal responsibility to comply with the covenants, conditions, and restrictions contained herein. The members of said Architectural Committee shall not be entitled to any compensation for services performed pursuant to this Covenant.

C. No building shall be located on any building site nearer than 25 feet to the front lot line, or nearer than 10 feet to any side street line. In the event a house is turned on a corner lot to face the side street, the setback line at the front of the lot shall not be less than 25 feet from each street lot line. No building shall be located nearer than 5 feet to an adjacent building site, except that no side yard shall be required for a garage or other permitted accessory building located 35 feet or more from the minimum building setback line. No dwelling shall be located on any interior building site nearer than 25 feet to the rear lot line. For the purposes of this covenant, eaves, steps, and open porches shall not be considered as a part of a building, provided however, that this shall not be construed to permit any portion of a building on a building site to encroach upon another building site.

D. No residential structure shall be erected or placed on any building site, which has an area of less than 5,000 square feet or a width of less than 60 feet at the front building setback line.

E. No noxious or offensive trade or activity shall be carried on upon any building site, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

F. No trailer, basement, tent, shack, garage, barn or other out-buildings other than guest houses and servants' quarters erected on a building site covered by these Covenants shall at any time be used for human habitation temporarily or permanently, nor shall any structure of a temporary character be used for human habitations.

G. An easement is hereby reserved for utilities over the rear ten feet of each building site where no alley is provided.

H. An alley easement is hereby reserved along the rear Twenty Feet (20') of the following lots:

Lot 88 through Lot 92 inclusive and Lot 113 through 117.

I. A utility and drainage easement is hereby reserved along the West Ten Feet (W. 10') of Lots 92, 93, 102, 103, 112, and 113, Meadow Hills Addition.

J.

K. A drainage easement is hereby reserved along the West Five Feet (5') of Lot 95 and the East Five Feet (5') of Lot 94.

L. No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets, may be kept provided that they are not kept, bred, or maintained for any commercial purpose.

M. No fence, wall, hedge, or mass planting shall be permitted to extend beyond the minimum building setback line established herein, and there shall be no front yard fencing, walls, or hedges.

N. No lot shall be used or maintained as a dumping ground for rubbish, trash, garbage, or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

O. Oil drilling, oil development operations, refining, mining operations of any kind, or quarrying shall not be permitted upon or in any of the building sites in the tract described herein, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any of the building sites covered by these covenants.

P. No main residential structure shall be permitted on any building site covered by these covenants, the habitable floor area of which, exclusive of basements, porches, second floors and garages, is less than 600 square feet, and not less than 500 square feet in the case of a one and one-half or a two story structure.

Q. All construction shall be new and no building or buildings may be moved from another location to any site within this subdivision.

R. These covenants are to run with the land and shall be binding upon all parties and all persons claiming under them until January 1, 1991, at which time said covenants shall be automatically extended for successive periods of 10 years unless by vote of a majority of the then owners of the building sites covered by these covenants it is agreed to change said covenants in whole or in part.

If the parties hereto, or any of them, or their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said tract, to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate
