This Declaration is made this day by Parks Estates, LLC, hereafter referred to as "Declarant."

The Declarant is the owner of all lands embraced in the subdivision known as Shiplap Estates in Campbell County, Wyoming which is platted and of record in the office of the County Clerk and Ex-Officio Register of Deeds of Campbell County, Wyoming (hereinafter the "Subdivision"). This plat is incorporated by reference in this Declaration and is specifically made a part hereof in all respects, as if fully set out herein.

The Declarant intends to develop and/or sell all of the lots of land contained in the Subdivision.

All of the lots of the Subdivision shall be held, transferred, sold, conveyed or contracted to be conveyed by Declarant subject to the conditions, restrictions, reservations, and covenants now on record and upon the following express conditions, provisions, reservations, restrictions, servitudes, and covenants (hereafter referred to as these or the "Covenants"). Each and every covenant is for the benefit of the entire Subdivision and for the benefit of each owner of land herein. These Covenants shall run with the land and inure and pass with this property and each and every lot herein. These Covenants shall be binding on all owners of land in the Subdivision and their successors in interest regardless of how that interest is acquired. This includes, among others, adverse possessors, lessees, and purchasers at mortgage foreclosure sales. These Covenants are imposed pursuant to a general plan for the improvement and benefit of the Subdivision.

It is the intention of the Declarant that the lands located in the Subdivision shall be developed and maintained as a highly desirable residential area.

These Covenants are imposed upon the lands comprising the Shiplap Subdivision as an obligation or charge against the same for the benefit of each and every lot in the Subdivision and the owner or owners thereof. Each and every owner of land in the Subdivision shall have a right to enforce these Covenants which are imposed upon each and every lot in the Subdivision.

Section 1 - Nuisances: No noxious or offensive activity shall be carried on upon any lot nor shall anything be done thereon which may become a nuisance in the neighborhood. During construction, all contractors and owners shall be required to have adequate trash bins on the property. No trash shall be allowed to remain on the surface of the lot. All trash shall be dumped into the trash containers on a daily basis. Should trash be allowed to lay on the surface of the lot, the owner of the property shall be fined one and one half (1 1/2) times the cost of having someone come out and clean up the area. All contractors shall have a portable toilet available on the property for use by all laborers working on the property. No surplus cement shall be allowed to be dumped on any land located in the Subdivision. Fines may be issued to any owner of a lot who allows additional cement to be dumped on the land. No materials or dirt from one lot shall be placed on an adjoining

lot without the approval of the adjacent lot owner.

Section 2 - Garbage and Refuse Disposal: No lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste. All equipment for the storage or disposal of such materials shall be maintained in a clean and sanitary condition. All rubbish, trash or garbage shall be regularly removed from the premises and shall not be allowed to accumulate thereon.

Section 3 - Storage and Protective Screening: No building material shall be stored on any lot except as needed during construction on the lot. All garbage cans and storage piles shall be kept screened so as to conceal them from the view of neighboring residences.

Section 4 - Sewer: All septic tanks or other sewage disposal systems must be designed, located, and constructed in accordance with the regulations, requirements, standards, and recommendations of the Wyoming Public Health Department and in compliance with the regulations of Campbell County, Wyoming.

Section 5 - Water Drainage: Each lot shall be responsible for ensuring the water drainage is continuous to the portion of the lot that adjoins the roadways in front of the lot. Culverts are required for new driveway approaches that cross drainage ditches. Reference Campbell County Subdivision Regulations, Section 7.5(f)(i) and (ii) for requirements. Minimum culvert size is 12 inches in diameter. Culverts shall meet manufactures' recommendations, but shall not be less than 12 inches. Individual homeowners are responsible for the installation and maintenance of culverts. Driveways which cross the main drainage channel to the east sides of Lots 1 and 2 will require two 24 inch diameter culverts per the drainage report provided by the developer and on file at the Campbell County Public Works office. Alternate drainage solutions must be designed by a licensed professional engineer and approved by the Campbell County Public Works Department in its sole discretion.

Section 6 - Utility Access: Owners will allow utility access for the reading of meters or other measuring devices, installation or maintenance of utilities to the property, or any adjoining property. Each lot shall pay to Declarant a tap fee of \$2,000.00 in order to tap and connect to the water well system.

Section 7 - Livestock: Livestock may be kept on the property provided livestock are kept in a manner consistent with all applicable laws, rules, and regulations. No commercial enterprise involving livestock shall be permitted. All animals, including dogs, must be adequately fenced or contained in a sanitary and clean environment. No owner shall overgraze his or her property. In the event any owner or resident on said property shall maintain livestock, poultry, or other animals, said owner shall be responsible for construction of such a fence or enclosure as will restrain and keep all livestock, poultry, and other animals on his own property.

Section 8 - Road Repairs: All repairs, snow removal, and maintenance of the common roads through the Shiplap Estates shall be the responsibility of all owners, and shall be paid for equally by each owner, except that Declarant shall not be responsible for road maintenance or repairs nor shall the lots owned by Declarant be assessed costs of road maintenance or repairs.

Section 9 – Subdivision of Lots: Lot owners shall be allowed to subdivide any lot so long as such subdivision complies with and is conducted in accordance with any applicable state, county, or local zoning standards, subdivision rules or regulations, and any other applicable laws or regulations.

Section 10 - Shiplap Subdivision Homeowners' Association:

A. Creation: The Shiplap Estates Homeowners' Association (referred to as the "Association") is hereby created as an unincorporated, nonprofit association under the Wyoming Unincorporated Nonprofit Association Act, to exercise the powers granted, and to perform the functions imposed, by these Covenants with regard to the lots.

An owner shall become a member upon conveyance of record to him of his lot and shall cease being a member upon his conveyance of record of such lot. No certificate or document, save and except a recorded conveyance to a lot, shall be required to evidence such membership.
- D. **Voting Rights:** Each owner shall be entitled to one vote for each lot owned, save and except that the voting rights of any owner who is more than 30 days past due on the payment of any assessment to the Association shall be automatically suspended until such assessments, together with interest, costs, and reasonable attorneys' fees, are paid in full. The voting rights of any owner against whom any enforcement issue is being voted upon by the Association shall be suspended for the vote on that enforcement issue only. When more than one person holds an interest in any lot, the vote for such lot shall be exercised as they determine, but in no event shall more than one vote be cast on behalf of one lot.
- E. **Action:** An action of the Association, or any approval required of the owners under these covenants, shall require the affirmative vote of at least fifty-one percent (51%) of all lots eligible to vote, cast in person or by proxy, at a duly constituted meeting of the Association, or, without a meeting by written approval of such action.
- F. **Meetings:** The Association shall have an annual meeting. The first annual meeting shall be held in the month of November, 2019, and shall be called to order by Declarant. Written notice of any and all meetings of the Association shall be given by mailing a copy of such notice, postage prepaid, at least 15 days before such meeting to each owner, addressed to the owner's address last appearing on the books of the Association, or supplied by such owner to the Association for the purpose of notice. Such notice shall specify the place, day, and hour of the meeting, and the purpose of the meeting. Each owner may vote in person or by proxy at all meetings of the Association. - H. **Principal Office:** The Association shall designate a principal office from time to time.
- I. **Dissolution:** The Association may be dissolved upon the written approval of all of the owners of all of the lots. Upon dissolution of the Association, the assets of the Association shall be distributed to the owners of the lots within the Shiplap Subdivision in

equal shares, or, if all owners agree, dedicated to an appropriate public agency or nonprofit organization to be used for purposes broadly similar to those for which this Association was created.

J. Limitations: No part of the net earnings of the Association shall inure to the benefit of, or be distributed to, the owners, except that the Association shall be authorized to pay reasonable compensation for services rendered.

Section 11- Amendment: These Covenants may be amended by the Declarant at any time before the Declarant has sold seventy-five percent (75%) of the lots in the Subdivision. Once seventy-five percent (75%) of the original lots in the Subdivision have been sold and conveyed by the Declarant, these Covenants may be amended or altered by the approval of the owners of seventy-five percent (75%) of the original lots in the Subdivision.

Section 12 - Miscellaneous:

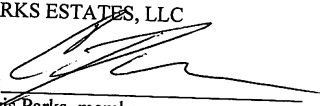

A. These Covenants are to run with the land and shall be binding upon all persons claiming under them for a period of twenty-five (25) years from the date of this Declaration.
