Anything tending to detract from the attractiveness and value of the property for residence purposes will not be permitted.

PART B Area of Application

The protective covenants hereinafter described in Part C in their entirety shall apply to:

Lots 3 through 77 and
Lots 88 through 105 of the Meadowlark Addition
to the Town of Baggs, Wyoming

PART C Residential Area Protective Covenants

NATURE AND DURATION

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of 25 years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of 25 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

ENFORCEMENT

Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

SEVERABILITY

Invalidation of any one of these covenants by judgment or court order shall in no way effect any of the other provisions which shall remain in full force and effect.

NON-ENFORCEMENT

Failure by the present owner, the Architectural Control Committee, or any land owner in the subdivision described herein to enforce any restrictions, conditions, covenant or agreement herein contained shall in no event be deemed a waiver of the right to do so thereafter as to the same breach or as to one occurring prior or subsequently thereto.

ARCHITECTURAL CONTROL COMMITTEE

1. Membership. The Architectural Control Committee is composed of:

Restrictions indicating a preference, limitation or discrimination based on race, color, religion, sex, handicap, familial status, or national origin are hereby deleted to the extent such restrictions violate 42 USC 3604(c).

The easement area of each lot and all improvements in it shall be maintained continuously by the owner of the lot, except for those improvements for which a public authority or utility company is responsible.
