AND RESTRICTIONS AND HOMEOWNERS'

KNOW ALL MEN BY THESE PRESENTS:

WHEREAS, Vernon G. Smith, Betty L. Smith, Thomas N. Rupe d/b/a Tom Rupe Construction and Buckingham Wood Products, Inc., a corporation, are the owners of all of the lots in the Ridgewater Estates, a subdivision of Converse County, Wyoming, according to that certain Subdivision Plat recorded on the 18th day of September, 1976, in Plat Book Number 2, at Pages 76, 76A and 77, in the office of the Converse County Clerk, Douglas, Wyoming; and,

WHEREAS, there have been heretofore filed Declarations of Restrictive Covenants, conditions and Restrictions and Homeowners' Maintenance recorded on September 18, 1976 in Book 625 at Page 128 in the office of the Converse County Clerk, Douglas, Wyoming, with respect to Ridgewater Estate; and,

WHEREAS, it has been determined that it is in the best interest of the said Subdivision and the said Homeowners' Association that the initial document be changed to further establish the nature of the use and enjoyment for the mutual benefit of all subsequent owners of the lots comprising the said Subdivision;

NOW THEREFORE, we the undersigned do hereby impose upon said premises and real property, and every portion thereof, the following covenants, conditions and restrictions and homeowners' maintenance association agreement, as hereinafter set forth, which covenants, restrictions and conditions are to run with the land and bind the owners or occupants thereof and that the real property within said subdivision is and shall be held, transferred and conveyed subject to the conditions, covenants, easements and restrictions hereinafter amended:

1. LAND USE:

No lot shall be used for any commercial reason. (AS PLATTED)

2. LIVESTOCK RESTRICTIONS:

No commercial livestock operation shall be permitted; however, this shall not be construed in such a way as to prohibit the maintenance of livestock on the premises for the immediate use of the families or for their convenience on no less than 2.0 acres.

Any livestock (1, one horse, or 1, one cow), maintained on the premises must be properly, substantially and lawfully fenced and housed.

3. LOT SUBDIVISION:

4. EASEMENTS:

Easements for the installation and maintenance of utilities and drainage facilities are reserved as indicated and shown on the plat of the subdivision.

5. NUISANCES PROHIBITED:

No noxious or offensive trade or activity, commercial or industrial business activity shall be carried on upon any tract or lot, nor shall anything be done thereon which may become or be an annoyance or nuisance to the neighborhood. In this regard, to avoid as much as possible any unsightliness and junkiness, no vehicles will be allowed on the premises or on the private road created within the subdivision that are not properly licensed under the authority of the State of Wyoming and completely operational with the exception of a reasonable time (to be determined by the home owners association), for the making or completion of repairs.

6. SIGNS

No signs of any kind shall be displayed to the public view on any lot except for advertising the property for sale or rent when necessary.

7. GARBAGE AND REFUSE DISPOSAL:

No tract or lot shall be used or maintained as a dumping ground. Rubbish, trash, garbage or other waste shall be kept only in a commercial container or containers with lids. 8. DOMESTIC WATER SOURCE:

THERE SHALL BE A CENTRAL WATER COURSE on the one-half acre tract governed and maintained by Ridgewater Estates Homeowners Maintenance Association. (AS PLATTED) THERE SHALL BE NO PROPOSED DOMESTIC WATER SOURCE on the one acre plus tracts. (AS PLATTED)

In this regard, there is attached to these covenants as Exhibit "A" and, by this reference, made a part hereof a soils analysis prepared by Mannon & Associates, Inc., Developers and Planners, which soils analysis sets forth recommended minimum standards and sizes for installation of private sewage disposal systems within Ridgewater Estates. Each private sewage disposal system installed on any lot in Ridgewater Estates shall be in conformance with the minimum standards and sizes as recommended in the attached soils analysis.

11. These covenants, conditions, and restrictions are to run with the land and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded, after

which time they shall be automatically extended for successive periods of ten (10) years (unless at the time of expiration of these covenants the owners of the majority of the lots located in the subdivision shall, by written instrument, declare the same not be renewed or extended, and shall be binding upon all persons purchasing, leasing, subleasing or occupying any of the premises after the date upon which this instrument has been recorded for the benefit of the property described herein). The covenants, restrictions and reservations herein contained may be enforced by the Ridgewater Estates Homeowner Association by the owner of any tract or lot or by any one or more of said individuals and/or corporation; provided, however, that the violation or breach of any covenant, restrictions, reservation and/or condition shall not defeat nor render invalid the lien of any mortgage or deed of trust made in good faith and for value upon said tract or lot. Each and all of said covenants, restrictions, reservations, conditions and agreements shall be binding upon and effective against any owner of said premises whose title hereto is acquired by any means whatsoever including foreclosure, trustee sales, sheriff sale or otherwise.
