Article I:
NATURE AND PURPOSE OF COVENANTS

The covenants set forth in the Declaration constitute a general scheme for the development, protection and maintenance of the property and to enhance the value, desirability and attractiveness of the lots for the benefit of all owners and homeowners, or Homeowners Association. Said covenants are for the benefit of all lots, and shall bind the owners of all such lots. Such covenants shall be a burden upon and a benefit not only to the original owner of each lot, but also his/her heirs, successors and assigns.

Section 1:
GENERAL PROVISIONS

1. No land within the Subdivision shall be occupied, used by, or for, any structure or purposed which is contrary to the zoning regulations of Converse County, Wyoming.
2. Each lot within the subdivision shall be utilized for one single family residential site only.
3. The Subject Property can be divided one additional time by the purchaser subject to the Converse County Landowner Regulations and the Covenants herein contained.
4. The Subject Property shall be used exclusively for residential purposes; no building or structure shall be erected, placed or permitted to remain on the Subject Property therein other than one, private, single – family dwelling and accessory structures (e.g. storage buildings, garages, playhouses, dog houses and the like); and non-residential outbuildings and structures such as barns, stables, or corrals for use specifically in connections with the care of livestock, as permitted under these covenants, or the maintenance of equipment. Said structures shall be constructed in accordance with the restrictions hereinafter set forth.

Section 2:
BUILDING PLANS AND APPROVAL

1. No building or other structure including, but not limited to, dwellings, sheds, garages, outbuildings and fences shall be erected, placed or altered on any tract or parcel of the Property until the plans and specifications, along with plot plan (submitted in duplicate), showing the location of the structure have been approved by the Homeowners' Association, which plans shall, among other things, show the type of exterior material and finish, exterior design, existing structures, if any, and location of the structure with respect to property lines. Should the Homeowners Association or its

successors or assigns fail to approve or disapprove the plans and specifications submitted to it by the Owner of a tract or parcel of the Property within thirty (30) days after the written request therefore, then such approval shall not be required and shall be deemed to have been given. However, no building or other structure shall be erected or allowed to remain on any tract or parcel of the Property that violates any of the covenants or restrictions contained herein. At the time said plans and specifications are approved, the builder or Owner shall proceed diligently with construction and the exterior of any such structure shall be completed within 18 months of the date of approval by the Homeowners' Association. The Homeowners' Association may grant an extension beyond said 18 months construction period for good cause when requested by the Owner.

Section 3:
COMMERCIAL USE

1. No manufacturing, commercial, business or other enterprises of whatsoever kind or nature, whether or not conducted for profit, shall be operated, maintained, or conducted on the Subject Property or in any structure erected or placed therein, except in-home offices operated by a resident of the structure; provided, however, that such operation will not create excessive traffic or parking problems. Also, no structure therein or any part thereof shall be used as a boarding or rooming house; nor shall any signs, billboards, or advertising devised (except suitable signs used to facilitate the sale or rental thereof) be erected, placed or be permitted to remain on the Subject Property.

Section 4:
CONSTRUCTION

1. No mobile homes, trailers, modular homes, or manufactured housing shall be allowed to be placed upon the property.

2. No trailer, camper, basements, garage, outbuilding, or any other structure of a temporary or mobile nature, shall be used on the Subject Property as a place of residence or habitation, either temporarily or permanently, and, except as the same may customarily be employed by contractors for and during the construction of improvement thereon.

3. No house trailer, mobile home, recreational vehicles, motor homes, camper-trailer, tent, shack or any other structure of a temporary or insubstantial nature shall be erected, placed or be permitted to remain on the Subject Property except that boats, snowmobiles, recreational vehicles, motor homes, camper-trailers and the like belonging to the occupant of the Subject Property may be stored on the Subject Property.

4. Each building on the lot or parcel shall have a minimum setback requirement of fifty (50) feet from the nearest lot line, excepting interior lot lines when two or more adjacent lots are used as a single building site.

5. The ground floor (1st floor) area of the single-family dwelling, exclusive of porches, carports, or garages, shall not be less than One Thousand, Six Hundred (1,600) square feet for a one-story dwelling. Where a single-family dwelling contains more than one level (including split-level or tri-level) the first two (split) levels shall equal no less than Two Thousand, Six Hundred (2,600) square feet of floor area.

6. No towers or radios or television antennas higher than three (3) feet above the highest roofline of the dwelling house shall be erected on any residential tract, and all such towers and antennas must be within 150' of the residential dwelling.

7. The elevation of a tract, lot or parcel or any portion thereof, shall not be changed so as to materially affect the surface elevations or grade of surrounding tracts. No rock, gravel, clay or other minerals shall be removed from any tract for commercial purposes, except that gravel may be removed during the two year period following the recordation of these covenants for the purpose of construction roadways with the subdivision. All areas disturbed by construction shall be returned to natural conditions and replanted with suitable ground cover.

8. The location, size and design of any tank located above ground shall be approved by the Homeowners' Association.

Section 5:
SEWAGE

1. Each lot or parcel owner shall be responsible for installation, use and maintenance of his private sewage disposal, in full compliance with applicable Wyoming laws or regulations.

2. No sewage disposal system shall be constructed, altered or allowed to remain or be used unless fully approved as to design, capacity, location and construction by all property county and state health agencies. No outside toilets will be permitted, except for a period not to exceed Sixty (60) days during the construction of a permanent dwelling house. Any outside toilet used will be placed so as to be fully screened from all public roadways and shall be removed, torn down and made sanitary at the completion of construction.

Section 6:
NUISANCE, OFFENSIVE AND NOXIOUS ACTIVITY

1. No improvements nor any noxious activity shall be permitted on any residential lot which is or might become a nuisance to adjoining residential tracts. There shall not be permitted any labor camps, junk yards, recycling centers, drilling for oil and gas, oil refining, quarrying or mining operations, nor any similar uses though not specifically named herein which would be obnoxious to and not in harmony with the

general plan, purpose and use of the property as set out herein. No light shall be emitted from the Subject Property that is unreasonably bright or causes unreasonable glare for the occupant of the Adjacent Property. No unreasonable loud or annoying noises or noxious or offensive odors shall be emitted beyond the Subject Property lines of the Subject Property.

Section 7:
RUBBISH AND TRASH COLLECTION

1. No inoperative automobiles, machinery or rubbish shall be placed and remain on any of the said tracts for more than Thirty (30) days unless stored or parked in a garage, barn or completely enclosed storage building.
2. Clothes lines, service equipment, trash, woodpiles or storage areas shall be screened by planting or fencing to conceal them from views of neighboring lots, drives and roads. All refuse and trash shall be removed from all lots and tracts and shall not be allowed to accumulate. Trash shall not be permitted to accumulate along the fence lines of the Subject Property. No burning of trash shall be permitted.

Section 8:
ROAD ACCESS

1. All lot and parcel owners, their invited guests and other persons using the property must use the access roads provided as recorded in the office of the County Clerk, Converse County, Wyoming. No overnight parking of any vehicle, boat, truck, pickup, trailer or similar equipment shall be allowed on the access roads.

Section 9:
LIVESTOCK AND PETS

1. All pets must, at all times, be under the physical control of the owner. No pets shall be allowed to run loose except in enclosed areas located upon the owner's lot or parcel. The owner shall be responsible for preventing unusual barking and noise from their pets and to prevent pets from harassing livestock or wildlife. Pets shall be defined as dogs, cats, fish, song birds, and animals of similar nature which can normally be housed and cared for with the family residence. Livestock shall be limited to one horse, llama, mule, donkey or similar domestic animal per ten lot acres provided they are contained solely within the lot or parcel. No pigs, cows, goats, bison, or similar animals shall be allowed upon the premises. Fowl such as chickens, ducks, turkeys, pheasants, etc. may be kept in non-commercial quantities so long as they are contained within the premises.
2. Dog, cats and other domestic animals shall be controlled and restrained at all times, and shall not be allowed to "run at large" on any portion of the Subject Property in a manner which interferes with wildlife or livestock.

Section 10:
FENCING

BOOK 1321 PAGE 861

1. All perimeter boundary fencing for each parcel shall be constructed as a minimum of four feet in height and a maximum of six feet in height of PVC, wood, masonry or wire. Fences shall be properly maintained according to accepted standards, in the event of a failure of an owner to properly maintain their fence, the adjoining property owner and/or the Association may maintain such fence, as assess costs of maintenance as and assessment against the Owner, to be enforced as hereinafter provided. This shall not prohibit other fences as are approved by the Homeowners' Association.

Section 11:
GENERAL AESTHETIC MAINTENANCE

1. The exterior of all buildings located on the Subject Property shall be maintained in good condition and the owner of the Subject Property shall cause improvements to be repaired as the effects of damage or deterioration become apparent and shall cause improvements to be repainted periodically and before the surfacing becomes weather-beaten or worn off.

2. The owner of the Subject Property shall keep the property reasonable free of weeds, including eradicating them through removal or spraying as may be necessary to control them. If the owner of the Subject Property fails to reasonably control weeds on the property, then the owner(s) of any adjacent property may give a five day written demand to spray or remove weeds and if such demand is not complied with, then the owner(s) of the adjacent property may enter upon the Subject Property and spray or remove such weeds by any reasonable manner and the owner of the Subject Property shall be responsible for all costs associated with such removal or spraying. The owner of the Subject Property shall pay such costs immediately upon presentment of an invoice for such charges.

Article II:
HOMEOWNER'S ASSOCIATION

Section 1:
Name

1. The name of the Homeowner's Association shall be " Riverview Lots Homeowner's Association".

Section 2:
Membership

1. Each lot owner shall be a member of the Homeowner's Association. If a lot is owned by more than one owner, the multiple owners of the lot shall choose one

person to represent the multiple owners in the Homeowner's Association. If a lot is legally split, each of the new, smaller lots shall have one membership in the Homeowner's Association.

Section 3:
Voting

1. Each member of the Homeowner's Association shall be entitled to one vote per lot.

Section 4:
Homeowner's Association Bylaws

1. The Homeowner's Association shall hold an initial meeting and shall approve Bylaws of the Riverview Estates Homeowner's Association at that time. The Bylaws shall be made available to qualified individuals and may be filed for record if the Homeowner's Association so directs.

Section 5:
Homeowner's Association's Right and Duties

1. It shall be the Homeowner's Association's right, in their sole discretion, to enforce the Covenants by the methods contained herein, or any other method authorized under the law or in equity. The Homeowner's Association shall also have the right to assess an annual assessment against each lot, to provide for the necessary expenses of the Association, including but not limited to the maintenance and improvement of roads and for attorney fees necessary for the enforcement of these rights. Each lot owner agrees to be bound by the decisions of the Homeowner's Association. Notwithstanding the foregoing or Article III, Paragraph 3, any owner of the Adjacent Property, may sue to enforce the terms and conditions of these covenants with or without the concurrence and permission of the Homeowner's Association and shall also have the right to recover attorney's fees and costs of enforcement.

Article III:
ADDITIONAL PROVISIONS

1. Grantors hereby reserve to themselves their successors and assigns perpetual easements within the subdivision boundary, on and along twenty (20) feet on either side of all property lines, and on and along all roadways for the purpose of constructing, maintaining, operating, replacing, enlarging and repairing power, telephone, water, irrigation, storm drainage, sewer, gas and similar lines, pipes wires, ditches and conduits for the benefit of the subdivision together with the easements shown on the subdivision plat. This right is a perpetual right and shall not be modified by any future

covenant changes; the locations of the utility easements may be modified by the Board of Directors of the Association, with approval of the utilities serving the area.

2. It is not the intent of these covenants to require constant, harsh or literal enforcement of them as a requisite of their continuing vitality and that lenience or neglect in their enforcement shall not in any way invalidate these covenants or any part of them, nor operate as an impediment to their subsequent enforcement.

3. The Homeowner's Association shall have the right to prosecute any action enforcing the provisions of all covenants by injunctive relief, on behalf of itself and all or part of the lot owners. The prevailing party shall be entitled, at the discretion of the court, to an award of its costs, including attorney's fees, incurred in connection with such litigation.

4. The conditions, restrictions, stipulations, agreements and covenants contained herein shall not be waived, abandoned, terminated or amended except by written consent of the owners of the Subject Property and all Adjacent Property landowners. Any such amendment shall be ineffective until it shall have been placed of record in the office of the County Clerk, Converse County, Wyoming.

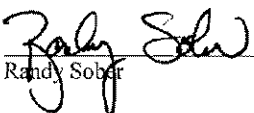

5. If any person shall violate or threaten to violate any of the provisions of this instrument, it shall be lawful for the Association or any person or persons owning any Adjacent Property to institute proceedings at law or in equity to enforce the provisions of this instrument, to restrain the person violating or threatening to violate them and to recover damages actual and punitive for such violations.

6. Should any part or parts of these covenants be declared invalid or unenforceable by any court of competent jurisdiction, such decision shall not affect the validity of the remaining covenants.

IN WITNESS WHEREOF, the undersigned has executed this instrument on the 31st day of October, 2007.
