No roads can be constructed with a surface wider than twenty (20) feet.
16. TIMBERING. No commercial timbering is permitted.
17. MAINTENANCE OF ROADS. NO PROVISIONS MADE IN THE **BILLY CREEK ACRES SUBDIVISION FOR THE PUBLIC MAINTENANCE OF STREETS OR ROADS.** The owner or owners of each parcel described herein shall assume jointly and severally the responsibility for and the cost of maintenance for any private road. Declarants assume no responsibility for the maintenance or the cost of maintenance of any private road located on another parcel. Any joint use road, that is not a public road maintained by the county, with shared easement, shall be the equal and shared responsibility of all homeowners with an easement over that road for the portion of the road that is shared. A road, for purposes of this paragraph, may actually be only a segment of one continuous road.
18. PERIMETER ACCESS.
- a. No perimeter lot in the Subdivision shall be used at any time as a means of access from any of the streets in the Subdivision to any other lands not included in the Subdivision.
 - b. Access to or from dedicated roads in the Subdivision to lands not included in the Subdivision shall not be denied provided however, that use of said roads shall be contingent upon a prorata contribution to road maintenance by adjacent land owners.
19. WATER SUPPLY.
- a. NO PROVISION IS MADE IN THE **BILLY CREEK ACRES SUBDIVISION FOR PUBLIC OR CENTRAL DOMESTIC WATER SOURCE.**
 - b. No individual water supply system shall be permitted on any lot in the Subdivision unless the system is located, constructed, and equipped in accordance with the requirements of State law, appropriate State agencies, and regulation promulgated by Johnson County. Provided further that no well may be dug, drilled, or installed upon any lot unless it meets all requirements of the State of Wyoming for well drilling and installation. All wells must be registered with the State Engineers Office upon completion.
20. SEWAGE DISPOSAL.
- a. NO PROVISION IS MADE IN THE **BILLY CREEK ACRES SUBDIVISION FOR PUBLIC OR CENTRAL SEWAGE DISPOSAL SYSTEMS.**
 - b. No individual sewage disposal system shall be permitted on any lot in the Subdivision unless the sewage disposal system is located, constructed, and equipped in accordance with the requirement of State law, appropriate State agencies, and regulations promulgated by Johnson County. Approval in the form of a Permit to Construct shall be obtained from the proper agencies prior to actual construction of any system.

21. POLLUTION OF WATERS. In the interest of public health and sanitation and so that the land known as the **BILLY CREEK ACRES SUBDIVISION** and all other land in the same locality can be benefited by a decrease in the hazards of stream pollution and by protection of water supplies, recreation, wildlife and other public uses thereof, the Grantee will not use or permit the use of the above described property for any purpose that will result in the degradation of these uses nor allow pollution of any stream, lake or body of water within the subdivision.

- a. No alterations shall be made to the banks of any stream, lake or pond which shall harm the natural aesthetics of the immediate area or which will permit the introduction of refuse, sewage, equipment, or other material which might affect these uses or pollute the waters or otherwise impair the ecological balance of the surrounding lands.

22. GENERAL CONDITIONS. Each of the conditions and covenants set for above shall continue and be binding upon Declarants and upon their successors and assigns, and upon each of them and all parties and persons claiming under them for a period of 5 years from the date hereof, and automatically shall be continued thereafter for successive periods of 5 years each. It is however provided that the owners of not less than seventy five (75) percent of the record fee title owners of lots subject to these covenants, may release all or any part of the land so restricted from any one or more of said restrictions, or may change or modify any one or more of said non-mandatory restrictions only with the approval of the Johnson County Planning Commission and the Johnson County Board of County Commissioners by executing and acknowledging an appropriate agreement in writing and filing the same in the Office of the County Clerk for Johnson County, Wyoming. The recorded certificate of an abstractor doing business in Johnson County, Wyoming as to the record ownership of the property hereby restricted shall be deemed conclusive evidence of ownership thereof.

23. ENFORCEMENT. The covenants herein set forth shall run with the land and bind the present owners, their successors and assigns, and all parties claiming under them shall be taken to hold, agree, and covenant with the owners of said lots, their successors, assigns, and with each of them, to conform to said restrictions. The purchase of any lot within the **BILLY CREEK ACRES SUBDIVISION** is taken as an assent to be bound by these covenants during the period of ownership and to abide thereby. Declarants, or the owner of any of the lots shall have the right to sue for and obtain an injunction to prevent the breach of or to enforce observance of the restrictions above set forth, in addition to ordinary legal action for damages.

The failure of the Declarants or of the owner of any of the other lots hereby restricted to enforce any of the restriction herein set forth at the time of its violation shall in no event be a waiver of the right to enforce any subsequent violation. Reasonable attorneys fees and costs shall be recovered as required in any proceeding either to enjoin violation of the Declaration of Protective Covenants or to recover damages resulting from such violation. The violation of these restrictions shall not defeat nor render inviolate the lien of any mortgage or deed of trust made in good faith and for value.

24. ENFORCEMENT BY COUNTY. Any of the covenants, restrictions, or conditions, contained herein which may, in the sole discretion of the Johnson County Board of County Commissioners be in the public interest, may at the sole discretion of the Johnson County Board of County Commissioners be enforced in the same manner and upon the same terms and conditions as any lot owner can seek to enforce the same in any proceeding of the law or equity. Reasonable attorneys fees and costs shall be recovered by the County in any proceeding either to enjoin a violation of the Declaration of Protective Covenants or to recover damages resulting from such violation. The purchase of any lot shall be taken as consent to pay costs and fees and the same shall be a lien on the land.

"EXHIBIT A"

Disclosure Statement

" BILLY CREEK ACRES SUBDIVISION"

Johnson County, Wyoming

1. Road Maintenance: Roads within the Billy Creek Acres Subdivision are private easements, and there is No Public Maintenance of Streets or Roads with the Subdivision, as noted on the Final Plat.

2. Water Supply: All wells shall be the responsibility of the individual owner(s) and shall be registered with the State Engineer, State of Wyoming, Herschler Building, Cheyenne, WY 82002, using the appropriate forms.

Wyoming State Engineers Rules and Regulations state that if any new wells adversely affect existing wells with an early priority ground water right, the appropriator of the earlier priority ground water right may file a complaint alleging interference with his and/or her right. The State Engineer shall then investigate to determine if the interference does exist and issue a report of his findings and suggestions of what can be done to rectify the interference. For information, contact the State Engineers Office, State of Wyoming, Herschler Building, Cheyenne, WY 82002.

Potential buyers/lot owners are advised to hire a reputable well drilling contractor and construct/complete their well within the guidelines described in the State Engineer's Office Rules and Regulations, Part III, Water Well Minimum Construction Standards. An approved permit from the Wyoming State Engineer's Office is required prior to drilling of a water well.

It is recommended by the Wyoming Department of Environmental Quality that water wells be tested for intended domestic use and treatment applied, if necessary, to ensure suitability for such use. It is recommended that water be tested quarterly for a period of one year and annually thereafter.

3. Sewage Systems: All on-site septic systems shall be permitted by the Johnson County Sanitarian and shall conform to all applicable Wyoming Department of Environmental Quality Rules and Regulations. It is recommended that on-site septic systems be located and designed prior to sitting of the house or other buildings to ensure that all Wyoming Department of Environmental Quality Regulations are met. Conventional septic system may not be possible within Billy Creek Acres Subdivision.
