DECLARATION OF COVENANTS AND RESTRICTIONS

We, the undersigned fee owners of the real property described in Exhibit "A" which is attached hereto and by reference made a part hereof, the same being the real property now duly platted as the North Burlington Re-Subdivision of the City of Buffalo, which said plat is now recorded in the office of the County Clerk of Johnson County, Wyoming, hereby make the following declarations as to limitations, restrictions, and uses to which the lots and tracts constituting said Addition may be put, hereby specifying that said Declarations shall constitute covenants to run with all of the land, as provided by law, and shall be binding on all parties and all persons claiming under them, and for the benefit of and limitations upon all future owners in said Re-Subdivision, this declaration of restrictions being designed for the purpose of keeping said addition desirable, uniform and suitable in architectural design and use as herein specified:

I.

All persons, corporations, cooperatives, companies, associations, and organizations who now own or shall hereafter acquire any interest in and to lands in the North Burlington Re-Subdivision of the City of Buffalo as described in Exhibit "A" hereto shall be bound by the terms of this Declaration of Covenants and Restrictions, and do agree and covenant with the owners of other lots and tracts in said Re-Subdivision, and with their heirs, successors and assigns, to conform to the covenants, restrictions, and stipulations as contained in this agreement.

II.

Construction upon the lots within the North Burlington Re-Subdivision shall be conducted in such a manner that adjacent lots on each street in said Subdivision shall be developed and built upon contiguous to and consecutive from the lot of original construction until all lots adjoining

the lot of last construction shall be developed and built upon. The undersigned fee owners shall have the right to permit construction to be started on each side of every street in said Subdivision before any one or more particular streets and blocks have been fully built upon. It is the intention of this declaration to provide for the orderly and planned development of each block and street of said Re-Subdivision and to prevent development in the same block on lots separated from each other; and these restrictions shall be deemed a condition subsequent of all deeds, the violation of which shall cause said premises developed in violation of this restriction to revert to the undersigned, and shall be enforced in the manner provided by law if any violator hereof shall not peaceably remove from said premises upon notice to do so.

III.

No building shall be located on any residential lot nearer than twenty-five (25) feet to the front of the lot line, and no nearer than ten (10) feet to any side street line. No building shall be located nearer than five (5) feet to an interior lot line, except that no side yard shall be required for a garage or other permitted accessory building located thirty-five (35) feet or more from the minimum building set-back line. No building shall be located on any interior lot nearer than twenty-five (25) feet to the rear lot line. In event a house is turned on a corner lot to face the side street, the set-back line at the front of the lot shall be five (5) feet greater than the set-back of the adjoining house, and the set-back line on the side street shall be twenty-five (25) feet. For the purpose of this covenant, eaves, steps, and open porches shall not be considered as part of a building, provided, however, that this shall not be construed to permit any portion of a building upon a lot to encroach upon another lot.

IV.

Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat and over the rear five (5) feet of each lot or tract in said Re-Subdivision.

V.

No residential structure shall be erected or placed on any lots unless the construction cost of said structure, together with a garage, if built, has a total construction cost of at least Twelve Thousand Five Hundred Dollars (\$12,500.00).

VI.

No obnoxious or offensive trades or activities shall be carried on upon any of said lots or tracts, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

VII.

No trailer, basement, tent, shack, garage, barn, or other out-building erected shall, at any time, be used as a residence, nor shall any structure of a temporary nature or character be used as a residence.

VIII.

Any building started on said premises shall be completed within two (2) years from the date said construction begins.

IX.

At the time a house is built on any of the lots in this Re-Subdivision, there must be constructed, before the property is occupied for living purposes, a sidewalk four (4) feet in width, the full length of said property. If weather conditions are such that a house can be completed, except for exterior improvements such as the aforementioned sidewalks, the house may be occupied if twice the amount of money necessary to construct the sidewalks or make other exterior improvements is placed in escrow to guarantee completion of said work.

X.

Each building site is to have a combination curb and gutter constructed to the proper elevation as specified and determined by the City Council of the Town of Buffalo, Wyoming. No fence of unsightly material

shall be constructed, nor shall any advertising signs of any kind be permitted on said lots or tracts.

XI.

Notwithstanding any other provisions contained in this agreement, the undersigned shall have the sole and exclusive right to establish malls, parks, playgrounds, or other recreational facilities on any of the lands in said Re-Subdivision.

XII.

These covenants shall run with the land and shall be binding upon all parties and all persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years, unless an instrument signed by a majority of the then owners of the lots and tracts has been recorded, agreeing to change said covenants in whole or in part.

XIII.

Enforcement shall be by proceedings at law or in equity against any person violating or attempting to violate any covenant either to restrain violation or recover damages.

XIV.

Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

IN WITNESS WHEREOF, this Declaration has been executed this 16th day of November, 1964.

1.1 Such lots shall be used exclusively for residential purposes; no building or structure shall be erected, placed or be permitted to remain on any such lot other than one private, single-family dwelling, specifically designed for the use and occupancy of one family, together with an attached or detached garage.

1.2 No boarding or rooming house shall be permitted, nor shall any extractive operation for mineral or oil and gas development of any kind be conducted or permitted thereon. No signs, billboards or advertising devices (except suitable signs used to facilitate the sale thereof) shall be erected, placed or be permitted to remain on any such lot.

1.3 No trailer, camper, basement, garage, outbuilding or any other structure of a temporary or mobile nature, shall be used thereon as a place of residence or habitation, either temporarily (except in the case of friends or relatives visiting a lot owner, provided that such temporary use does not extend more than 30 days in any calendar year) or permanently, and, except as the same may be customarily employed by contractors for and during the construction of improvements thereon, no house trailer, camper-trailer, mobile home, boat, tent, snowmobile, shack or any other structure of a temporary or insubstantial nature shall be erected, placed or be permitted to remain on any such lot except that a camper-trailer, boat or snowmobile trailer may be stored at the rear or side portion of any lot, provided that the same are not used for occupancy while stored, and do not extend forward of the front line of the house.

1.4 With respect to the improvements to be erected and situate on such lots the following, together with all other provisions hereof, shall govern:

- (a) No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the architectural control committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with

respect to topography and finish grade elevation. Approval shall be as provided in paragraph 1.6.

- (b) No residence having a living area of less than 1,350 square feet, exclusive of garages, porches and patios, shall be located on any lot.

Provided, however, that upon the approval of the Architectural Control Committee, a decorative fence not to exceed 36" in height may be erected in front of any house.
- (d) No structures shall be erected, altered, placed, or permitted to remain on the lots other than a one detached single-family residence not to exceed two stories in height, split-level, and two stories on a tri-level house, and a detached or attached private garage for not more than three cars. No detached radio or television aerial shall be permitted, and no aerial attached to any residence or garage shall have a height exceeding six feet (6') above the roof line of the residence or garage to which it is attached.
- (e) No structure shall be located on any lot in such a manner as shall not meet the minimum City of Buffalo set-back, front and side yard requirements. All construction shall be new, and no used building shall be

moved from outside and placed on any such lot.

- (f) Except for fences which shall be constructed along the rear lot line, if at all, no structure shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities. The easement area of each lot and all improvements on it shall be maintained continuously by the owner of the lot, except for those improvements for which a public authority or utility company is responsible.
- (g) No poultry, pigs or goats shall be raised, bred or kept on any such lot. No animals shall be raised, bred or kept for any commercial purposes. Dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose. No animal shall be permitted to create any nuisance or disturbance within the subdivision and all lot owners shall comply with all municipal ordinances pertaining to animals.
- (h) No vehicle of a size larger than the now standard American manufactured car or pickup truck, and no vehicle the primary use or design of which is for the transportation of passengers for hire and no vehicles intended to be used primarily for sport, commerce or industry, such as trucks, semi-trucks or trailers, campers, house trailers, buses, boat trailers, snowmobiles and snowmobile trailers, tractors and trailers shall be parked on the streets or any of the front portions, driveways or other ways of access of or to any such lot or lots for a continuous period of more than 48 hours. nuisance to those owning property in the Addition.

1.5 The architectural control committee will be initially composed of William D. Hein and Charlotte D. Hein. At such time that lots are sold and transferred, not less than one (1) nor more than three (3) other owners of lots with the subdivision shall be added to the architectural control committee. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. At any time, the then record owners of a majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.

1.6 The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee, or its designated representative, fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with. The failure of such representative to approve or disapprove does not relieve any proposed builder from his legal responsibility to comply with the covenants, conditions and restrictions contained herein.

1.7 Easements for installation and maintenance of utilities are reserved and are shown on the recorded plat of the Addition.

1.8 The construction of residential improvements on any such lots shall be completed not later than one year from and after the date upon which such construction was commenced; all such lots shall be landscaped and planted with grass or native grasses and trees or shrubbery of appropriate character and type within one year from and after construction of improvements on any such lot

has been completed.

1.9 The covenants herein contained shall be and remain in full force and effect for a period of twenty-five (25) years from and after the date hereof, and shall remain in force and effect thereafter for successive ten (10) year periods unless, by agreement of the then record owners of a majority of such lots, the terms and provisions hereof are changed, modified or abrogated in whole or in part at the end of the first twenty-five (25) year period or at the end of any succeeding ten (10) year period. These covenants may be changed, modified, amended, or abrogated in whole or in part during the initial or successive terms herein specified upon approval of seventy-five per cent (75%) of the then record owners of a majority of such lots.

1.10 In the event of the violation or the attempt to violate any of the covenants herein contained, it shall be lawful for the undersigned, William D. Hein and Charlotte D. Hein, or any person hereafter owning any such lot, to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate the same and therein to recover damages for such violation or attempt, or at its or their option, to obtain injunctive relief, either mandatory or prohibitive, to prevent such violation or to re-establish prior existing and unobjectionable conditions.

ARTICLE II.

2.1 In the event any one or more of the covenants herein contained is rendered invalid or unenforceable by judgment or decree of any court of competent jurisdiction, the other covenants herein contained shall, nonetheless, remain in full force and effect for and during the full term hereof.

2.2 the covenants herein contained shall be binding upon the undersigned, William D. Hein and Charlotte D. Hein, and upon their personal representatives, successors and assigns, as to any and all of the lots specified as being covered thereby, and are imposed upon as an obligation and charge against the land and lots specifically described for the benefit of the undersigned, William

D. Hein and Charlotte D. Hein, their personal representatives, successors and assigns, and for the benefit of the lands and those persons and parties who shall hereafter succeed to or otherwise acquire title to or interest in any part of the specifically described lands.

2.3 The lands described herein are subject to a Declaration of Covenants and Restrictions dated November 16, 1964, recorded November 19, 1964 in Book 86A-8 of Miscellaneous Records, pages 77-81 of the Johnson County Clerk and Ex-Officio Register of Deeds which Declaration remains in full force and effect, and to the extent that such Declaration of Covenants and Restrictions conflicts with the provisions herein, the most restrictive covenant shall prevail.
