## NOTES:

1) Basis of Bearings - Determined by GPS (Global Positioning System) methods.

## NOTES:

1.) Potential buyers/lot owners are advised to hire a reputable well drilling contractor and construct/complete their well within guidelines described in State Engineer's Office Rules and Regulations, Part H, Water Well Minimum Construction Standards. An approved permit from the Wyoming State Engineer's Office is required prior to drilling of a water well.

2.) On-lot wells may not be constructed and used to supply domestic water to more than one (1) lot without first obtaining a permit from the Department of Environmental Quality (Water Quality Division).

## CERTIFICATE OF SURVEYOR

I, John A. Steil, Registered Professional Land Surveyor in the State of Wyoming, hereby state that this plat of KEMPER ESTATES was prepared from official plats and deeds of record and from notes of a field survey conducted by me or under my direct supervision during the month of July, 2003, that the monuments are set or found as shown and that this plat correctly represents said survey of the land depicted hereon to the best of my knowledge.
