- than 25 feet to the rear lot line. For the purpose of this covenant, eaves, steps, and open porches shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any portion of a building, on a lot to encroach upon another lot. In event a house is turned on a corner lot to face the side street, the setback line at the front of the lot shall be 5 feet greater than the setback of the adjoining house and the setback line on the side street shall be 25 feet.
5. LOT AREA AND WIDTH. No dwelling shall be erected or placed on any lot having a width of less than 50 feet at the minimum building setback line nor shall any dwelling be erected or placed on any lot having an area of less than 5000 square feet.

8. OIL AND MINING OPERATIONS. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.
9. FENCES. Yard fences, walls, or hedges may extend only from the rear of any lot to the front or side setback line, and there shall be no front yard fencing, walls or hedge.
10. LIVESTOCK AND POULTRY. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept, provided that are not kept, bred, or maintained for any commercial purpose.

All incinerators or other equipment for storage or disposal of such material shall be kept in clean and sanitary condition.
12. SIGNS. No signs of any kind shall be displayed to the public view on any lot, except one professional sign of not more than one square foot, one sign of not more than 5 square feet, advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction or sales period.
13. EASEMENTS. Easements 5 feet wide along each side of each lot are reserved for installation and maintenance of utilities and drainage facilities.
14. MEMBERSHIP. The architectural control committee is composed of Thomas P. Black, Jr., Edwin A. Nelson and Jerome Mark, all of Cheyenne, Wyoming. A majority of the committee may designate a representative to act for it. In the event of death or

resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. At any time, the then record owners of a majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.

15. PROCEDURE. The Committee's approval or disapproval as required in these covenants shall be in writing. The failure of such committee or its representative to approve or disapprove any proposed building plan shall not in any way relieve the owner or the builder from his legal responsibility to comply with the covenants, conditions and restrictions contained herein.

16. TERM. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded agreeing to change said covenants in whole or in part.

17. ENFORCEMENT. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

18. SEVERABILITY. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.
