NOTES

- No documentation was recovered within the Laramie County Clerks' Records to propose the vacation or otherwise re-plot of the 16-ft wide "Alley" within Block 27 by the Town of Burns on behalf of the Public; and is therefore shown in its entirety hereon.
- An ambiguity exists within the original description at Book 1035, Page 385, as well as the corrective deed description at Book 1417, Page 278, between the erroneous distance call of "One Hundred Sixty-seven (167) feet", and the qualifying statement of "land formerly described ...", which does not include any portion of former Lot 12, Block 27 of First Addition to Luther. The boundary shown hereon, in conjunction with the Dedication and Approval signatures, reflects the original intent between the parties involved (Harry P. Pauli, et al., and the Town of Burns).
- Basils of Bearings is North (N0°00'E) between the southeast corner of Block 27, being a 2 inch aluminum cap marked "TERRESTRIAL SURVEYING WY PLS 3047" and northeast corner of Block 27, being 1-1/2 inch aluminum cap marked "MFLADM WY PLS 10216", of First Addition to Luther.

SURVEYOR'S CERTIFICATE

I, Michael A. Flain, a Registered Professional Land Surveyor in the State of Wyoming, do hereby certify that this Final Plat of Pauli Addition was prepared from field notes of a survey conducted by me during the month of June, 2007, and that it correctly represents the dimensional details between the surveyed monuments found and set, and is true to the best of my knowledge.
