Section 2.18. Participating Builder. "Participating Builder" shall mean an owner other than Declarant which acquires a portion of the Properties from Declarant for the purpose of reselling or leasing the Residences or Commercial Areas thereon which is designated in writing by Declarant as a Participating Builder by instrument duly recorded in the Laramie County, Wyoming land records.

Section 2.19. Properties and Project. "Properties" and "Project" shall mean and refer to that certain real property described on Exhibit A, and any additions thereto pursuant to Article XIV hereof.

Section 2.20. Subdivision Plat. The "Subdivision Plat" or "Plat" shall mean and refer to the Subdivision Plat which was properly submitted to and approved by the county or other governmental entity having jurisdiction over the approval of such Plat, which Plat shall include a survey of the Properties, the Lots, and the Common Areas, and shall have been properly recorded in the county in which the Properties are located following the approval thereof by the proper governmental entity.

ARTICLE III. PROPERTY RIGHTS

Section 3.1. Owners' Easements of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

A. The right of the Association to limit the number of guests or Members, to charge reasonable admission and other fees for the use of any recreational facility situated upon the Common Area;

B. The right of the Association to suspend the voting rights and right to use of any Common Area and Common Area Improvements by a Member for any period during which any assessment against his Lot remains unpaid, and for a period not to exceed 60 days for any and each infraction of its published Rules and Regulations;

C. The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless an instrument signed by 67% of the membership agreeing to such dedication or transfer has been recorded; and

D. The right of the Association, in accordance with these Declarations and its Articles and By-Laws, to borrow money for the purpose of improving the Common Area, or the existing Common Area Improvements, and in aid thereof, to mortgage or encumber said
property, and the rights of such Mortgagee in said Properties shall be subordinate to the rights of the Owners hereunder.

E. The right of the Association to enter into a long-term agreement with Yellowstone Village Association, Inc. for the joint use of certain Common Area Improvements, including without limitation, the cabana/clubhouse and tennis court, upon the agreement of Yellowstone Village Association, Inc. to participate in an equitable fashion in the costs of maintaining said Common Area Improvements.

Section 3.2. Delegation of Use. Any Owner may delegate, in accordance with the By-Laws, his right of enjoyment to the Common Area and Common Area Improvements to the members of his family, his tenants, invitees, or contract purchasers who reside on the Properties.

Section 3.3. Title to Common Area and Improvements Thereon. The Declarant hereby covenants for itself, its successors and assigns, that upon recordation hereof, it will convey fee simple title in the Common Area and Common Area Improvements to the Association, free and clear of all liens and encumbrances, except general taxes for the current and subsequent years and subject to easements, rights-of-way, covenants, conditions, exceptions and reservations of record. Prior to the conveyance of any Lots included in additional lands, any Common Areas or Common Area Improvements added to the Properties at a later time as provided elsewhere herein shall be transferred to the Association free and clear of all liens and encumbrances except general taxes for the current and subsequent years and subject to easements, rights-of-way, covenants, conditions, exceptions and reservations of record.

ARTICLE IV. EASEMENTS

Section 4.1. Easements for Encroachments. If any portion of the Common Area, or Common Area Improvements thereon, now or hereafter, encroaches upon any Lot, or if any Lot or Lot Improvements thereon, now or hereafter, encroaches upon any other Lot or upon any portion of the Common Area, as a result of the construction of the Buildings or other Improvements, or if any such encroachments shall occur hereafter as a result of settling or shifting of any Building or other Improvements or for any other reason, a valid easement shall be deemed to exist for the encroachment and for the maintenance of the same shall exist so long as the Building or other Improvements shall exist. In the event any Dwelling Unit, Lot Improvement, or adjoining Common Area Improvement, shall be partially or totally destroyed or taken as a result of condemnation or eminent domain proceedings and then rebuilt at the same location, encroachments due to this rebuilding shall be permitted, and valid easements for such encroachment and the maintenance thereof shall exist so long as the Building or other Improvements shall stand. The foregoing encroachments shall not be construed to be encumbrances affecting the marketability of title to any Lot.

Section 4.2. Maintenance Easement. Each Owner shall have an easement on, over and across the Lots directly adjacent
to the Lot owned by such owner for purposes of the reasonable and necessary care and maintenance of the improvements on such Owner's Lot. In order to maintain the improvements and utilities on one Lot, it is necessary to enter upon the adjacent Lot. This easement shall be strictly limited to entries upon adjacent Lots for maintenance purposes. In the event that maintenance or repairs are necessary, the Owner benefiting from the repairs shall bear the costs, including, but not limited to landscape restoration of adjoining Lots, should the costs not be paid, then the cost of maintenance or repairs shall be added to and become a part of the Assessment to which such Lot is subject under Article VII.

ARTICLE V. THE ASSOCIATION

Section 5.1. The Association. The administration of the Project shall be governed by this Declaration, the Articles of Incorporation, and the By-Laws of the Yellowstone Village Single Family Association, Inc., a Wyoming nonprofit corporation.

Section 5.2. Membership. An Owner of a Lot shall automatically become a Member of the Association and shall remain a Member for the period of the Owner's Lot ownership. If title to a Lot is held by more than one person, the membership related to that Lot shall be shared by all such persons in the same proportion of interests and by the same type of tenancy in which the title of the Lot is held. An Owner shall be appurtenant to the Lot and shall be transferred automatically by conveyance of the Lot. No person or entity other than an Owner may be a Member of the Association, but the rights of membership may be assigned to a Mortgagee as further security for loans secured by a Mortgage of a Lot.

Section 5.3. Classes of Membership and Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A Members shall be all Owners with the exception of the Declarant and they shall be entitled to one (1) vote for each Lot owned. When more than one (1) person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Class B. The Class B Members shall be the Declarant and shall be entitled to three (3) votes for each Lot owned. The then existing Class B memberships shall be converted to Class A membership on the happening of either of the following events, whichever occurs first:

(i) Within four (4) months after the date the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership; or

(iii) On a date certain set forth in written notice from the Declarant to the Secretary of the Association of its intent to
terminate this reserved right as of such date; provided, however, that in the event there is more than one Declarant, such notice must be signed by all such Declarants.

Notwithstanding the foregoing voting rights, Declarant hereby reserves the right to appoint the Board of Directors of the Association for the period of Class B Membership. The Board of Directors shall have such powers and duties and shall serve for such terms of office as are set forth in the Articles of Incorporation and By-Laws of the Association.

Section 5.4. Transfer. Except as otherwise expressly stated herein, any of the rights, interests and obligations of the Association set forth or reserved herein may not be transferred or assigned to any other person or entity. No such transfer or assignment shall relieve the Association of any of the obligations set forth herein. No such transfer or assignment shall revoke or change any of the rights or obligations of any Owners as set forth herein.

Section 5.5. Powers. The Association shall be granted all of the powers necessary to govern, manage, maintain, repair, administer, and regulate the Project and to perform all of the duties required of it. Notwithstanding the above, unless 67% of the First Mortgagees of Lots, who have registered pursuant to Section 17.7 below (based upon one (1) vote for each First Mortgage owned or held), have given their prior written approval as provided in Section 17.8 below, and the Owners to which 67% of the votes in each class of membership are allocated have given their prior written approval, the Association shall not be empowered or entitled to:

A. By act or omission, seek to abandon or terminate the Project or dissolve the Association;

B. Partition or subdivide any Lot;

C. By act or omission, seek to abandon, partition, subdivide, encumber, mortgage, sell or transfer the Common Area or any Common Area Improvements thereon (the granting of easements for public utilities including cable television, for other public purposes consistent with the intended uses of such Common Areas by the Association, and the entry into an agreement with Yellowstone Village Association, Inc., as contemplated by Section 3.1 E hereof, shall not be deemed a transfer within the meaning of this clause);

D. Use hazard insurance proceeds for loss to the Common Area Improvements for other than the repair, replacement, or reconstruction of such Common Area Improvements;

E. Merge or consolidate with another project or association, except for such provisions as may otherwise be provided herein relating to the annexation of additional lands to the Properties;
F. Except as may result from the exercise of the annexation provisions otherwise herein, change the method of determining the obligations, assessments, dues or other charges which may be levied against an Owner;

G. Change the voting rights or the extent of rights and easements of each Owner in and to the Common Areas and Common Area Improvements thereon;

H. By act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design or exterior appearance of Dwelling Units, or the maintenance or upkeep of the Common Areas; or

I. Fail to maintain fire, vandalism, and malicious mischief and extended coverage on insurable Common Area Improvements on a current replacement cost basis in an amount not less than 100% of the insurable value (based on current replacement costs).

Section 5.6. Examination of Books and Records. All Owners, First Mortgagees, Insurers or Guarantors of a First Mortgage of a Lot in the Project shall, upon request, be entitled to:

A. Inspect the books and records of the Association during normal business hours;

B. Receive a copy of a financial statement of the Association for the preceding fiscal year at no charge;

C. Written notice of all meetings of the Association and be permitted to designate a representative to attend all of such meetings; and

D. Current copies of this Declaration, By-Laws, Articles of Incorporation and any Rules and Regulations concerning the Project, provided that reasonable copying charges are advanced to the Association by the party requesting copies.

If requested by a holder, insurer or guarantor of a First Mortgage in writing, an audited financial statement for the immediately preceding fiscal year will be provided free of charge to the party so requesting, if available. If an unaudited financial statement is unavailable, then one shall be prepared and furnished within a reasonable time following such request.

ARTICLE VI. CERTAIN RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

Section 6.1. Common Areas. The Association, subject to the rights of Owners with respect to their individual Lots, shall be responsible for the exclusive management and control of the Common Areas and Common Area Improvements (including furnishings and equipment related thereto), and shall keep the same in good, clean, attractive
and sanitary condition. The cost of such management operation, maintenance, and repair by the Association shall be borne as provided in Article VII.

Section 6.2. Miscellaneous Services. The Association may obtain and pay for the services of any person or entity to manage its affairs, or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall determine to be necessary or desirable for the proper operation of the Project, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom or which it contracts. The Association may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Project or the enforcement of this Declaration. The Association may arrange with others to furnish lighting, heating, water, trash collection, snow removal, building and grounds maintenance, sewer service, firewood, and other services as appropriate to the Project. During the period Declarant is in control, any contracts or leases entered into shall contain a right of termination without cause, which is exercisable without penalty at any time after transfer of control, upon not more than 90 days notice to the other party thereto; however, such right of termination need not be present in those contracts and leases wherein the subject matter is an essential service and where long term contracts are required. The cost of such services shall be borne as provided in Article VII.

Section 6.3. Professional Management. The Association may obtain and pay for services of a professional "Management Contractor" to manage its affairs, or any part thereof, to the extent it deems advisable, whether such services are in lieu of, or supplemental to, the services described under Section 6.2 above. During the period when the Declarant is in control, any management contracts entered into by the Association with respect to such professional management of the Properties, and any contracts that such professional management shall enter into on behalf of the Association, may not be for a term not to exceed one (1) year, and must contain a provision allowing either party to cancel the contract with or without cause, and without a payment of a termination fee or penalty, upon 30 days prior written notice. Further, and in connection with the Association's right to contract for management and personnel, whether on-site or off-site in nature, the Association shall have the right to limit the use of portions of the Common Areas for purposes of maintenance and storage facilities, management office facilities, management housing facilities to the extent allowable, and other such purposes as deemed desirable and necessary by the Association for the purposes of management and maintenance of the Properties. Said professional Management Contractor shall be an independent contractor and neither the contractor, nor any of its employees, shall be considered as employees of the Association.

Section 6.4. Common Area Use. All Common Areas and Common Area Improvements described in Sections 2.4 and 2.5 of this Declaration are dedicated to the common use and enjoyment of the Owners for general recreation, pedestrian traffic, vehicular traffic, green area, and
other such uses common to all the Owners as determined by the Association, pursuant to the covenants, provisions, and restrictions contained herein, or as further defined in the Association By-Laws and any Rules and Regulations promulgated by the Association, and subject to the rights of use of Yellowstone Village Association, Inc. and its members, pursuant to the agreement contemplated by Section 3.1 E hereof.

Section 6.5. Fences and Walls. No fences, hedges or walls shall be erected or maintained upon said Lots except such as are installed in accordance with the initial construction of the Buildings located thereon, or as may be approved by the Association’s Architectural Control Committee or its designated representatives, nor may such fences, hedges, or walls which shall be installed as part of the initial construction be removed, transferred, or altered in any manner, except as approved by the Architectural Control Committee or its designated representative.

Section 6.6. Maintenance of Individual Lots. The ownership of the Lots, together with Dwelling Units in existing Lot Improvements, shall be evidenced by a Deed to such Lot, together with the improvements thereon. Maintenance, upkeep, and repairs of the Lot shall be the sole responsibility of the individual Owners thereof.

Section 6.7. Identity of Board of Directors. From time to time, but not less than annually, there shall be mailed by the Association to each Owner a notice containing the names and addresses of the members of the Board of Directors, and the Management Contractor, if there is one.

Section 6.8. Rights of Action. The Association, and aggrieved Owner(s), shall have an appropriate right of action against Owner(s) for failure to comply with the provisions of this Declaration or with decisions of the Association made pursuant to this Declaration; and an Owner(s) shall have similar rights of action against the Association.

ARTICLE VII. ASSESSMENTS

Section 7.1. Obligation. All Owners (except Declarant and Participating Builders, whose obligation is described below) shall be obligated to pay the estimated assessments imposed by the Board of Directors to meet the Common Expenses of maintenance, operation and management of the Property. The Board may establish any reasonable system for collection periodically of Common Expenses, in advance or arrears as deemed desirable. Initially, the assessment for the estimated Common Expenses on an annual basis shall be payable annually in advance on the first day of each calendar year. In the event a lot is sold to a non-Declarant purchaser during the year, the annual assessment shall be prorated to the closing date and paid at closing, together with the working capital deposit required by Section 7.12 hereof. Assessments made shall be based upon the estimated cash requirements as the Board shall from time to time determine to be paid by all of the Owners. Estimated expenses shall include the cost of maintenance and
11. The operation of the Common Areas, expenses of management, taxes and special assessments, unless separately assessed, insurance premiums for insurance coverage as required herein or as deemed desirable or necessary by the Board, landscaping, care of grounds, wages, legal and accounting fees, management fees, expenses and liabilities incurred by the Board or Management Contractor under or by reason of this Declaration, payment of any deficit remaining from a previous assessment period, the creation of a reasonable contingency or other reserve or surplus fund for the maintenance or replacement of those Common Areas Improvements which must be maintained or replaced on a periodic basis as well as other costs and expenses relating to the Common Areas and the purposes and responsibilities of the Association. The omission or failure of the Board to fix the assessments for any assessment period shall not be deemed a waiver, modification, or release of the Owners from their obligation to pay the same. The Board shall have the right, but not the obligation, to make pro-rata refunds of any assessments in excess of the actual expenses incurred after the end of the fiscal year.

Notwithstanding anything to the contrary contained in this Declaration, the rate of annual and special assessments set for the Lots owned by Declarant and/or Participating Builders which are neither leased, nor rented, nor otherwise residentially occupied shall be fixed at one-quarter (1/4) of the assessment rate for the other Lots. In the event that, prior to the termination of Class B Membership, assessments for annual common expenses, exclusive of those amounts held by the Association for an adequate reserve fund and for working capital, fail to equal or exceed the actual expenses incurred by the Association during any particular annual assessment period because of such partial Declarant and/or Participating Builder assessment, then Declarant and all Participating Builders shall collectively pay a sufficient amount, up to the amount of full parity on such assessment, to the Association to meet any such shortfall so long as (a) written notice must be given by the Association within 60 days following the termination of the then current fiscal year of the Association at the time of the termination of Class B Membership; but in no event more than one (1) year following the termination of such Class B Membership, and (b) Declarant and all Participating Builders shall have no obligation for any such shortfall caused by expenditures for capital improvements, or by any decrease in assessments, including without limitation, the levying of any assessment in an amount less than the maximum for any common expense assessment period, which amount is established subsequent to the termination of Class B Membership, unless the same has previously been approved in writing by Declarant; provided, however, that at the time any Lot owned by Declarant and/or a Participating Builder is leased, rented or otherwise residentially occupied, that Lot shall be assessed at the uniform rate of assessment for privately owned Lots. In the event there are any Participating Builders or there is more than one Declarant, then, subject to the conditions hereinabove stated, each such Declarant and/or Participating Builder shall pay a pro rata share of the amount necessary to meet each such shortfall in Association assessments, up to the amount of full parity on such assessments, such
12.

pro rata share to be based on the amount of assessments due at such lesser rate for Lots owned by each Declarant and Participating Builder, compared with the amount of assessments due at such lesser rate from the Declarant and all Participating Builders during the applicable annual assessment period.

Section 7.2. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Three Hundred Dollars ($300.00) per Lot.

A. Without the vote of the membership, from and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the Board of Directors may only increase the maximum annual assessment by an amount of 10% of the maximum assessment for the previous year.

B. From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased by an amount in excess of 10% by a vote of 67% of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 7.3. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots, with the exception of Declarant's and Participating Builder's limited exemption, and may be collected on an annual or more frequent basis, as determined by the Board of Directors.

Section 7.4. Time For Payment of Assessments. Assessments shall be due and payable within 15 days after written notice of the amount thereof shall have been mailed to the registered mailing address of the respective Owner of a Lot. Each assessment shall bear interest at the rate of 21% per annum from the date it becomes due and payable if not paid within 15 days after such date, and there shall be a Ten Dollar ($20.00) late charge for each installment of assessment payment that is delinquent. Failure of the Association to give timely notice of any assessment as provided herein shall not affect the liability of the Owner of any Lot for such assessment, but the date when payment shall become due in such case shall be deferred to a date 15 days after the due dates indicated in notice properly sent. The Association may elect to have the annual assessments paid annually or monthly, or such other periodic basis deemed desirable by the Association; and a default in the payment of any one installment of the annual assessment shall additionally give the Association the right to accelerate the remaining amount of annual assessment as immediately due and payable, as further referenced hereinafter.
Section 7.5. Special Assessments For Capital Improvements. In addition to the annual assessments authorized by this Article, the Board of Directors may levy in any assessment year a special assessment payable over such a period as the Association may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Project or any part thereof, or for any other expense or purchase incurred or to be incurred as provided in this Declaration. This Section shall not be construed as an independent source of authority for the Association to incur expense, but shall be construed to prescribe the manner of assessing the expense authorized by other Sections hereof which shall make specific references to this Article or as set forth in the preceding sentence. Any amounts assessed pursuant hereto shall be assessed to Owners at a uniform rate. Notice in writing of the amount of such special assessments and the time for payment thereof shall be given promptly to the Owners and no payment shall be due less than 30 days after such notice shall have been mailed to the registered mailing address of the respective Owner. A special assessment shall bear interest at the rate of 21% per annum from the date it becomes due and payable, if not paid within 30 days after such date, and there shall be a reasonable late charge as set by the Board of Directors.

Section 7.6. Special Assessment Veto. Notwithstanding the provisions contained in Section 7.5 above, written notice of any special assessment approved by the Board of Directors shall be sent to all Owners immediately following such adoption. Such written notice shall be sent to the registered mailing address of each Owner, and shall become effective 30 days from and after the date of certificate of mailing of such notices to Owners by the Secretary of the Association; provided, however, that the Owners shall have the right to veto such special assessment approved by the Board of Directors by proper written notice of 67% of the Class A Members, indicating specific objection to the special assessment and delivered to the Secretary of the Association prior to the end of the 30 day notice period referenced above. In the event such percentage of Owners should specifically object to the special assessment as indicated above and within the time frames required, then such special assessment shall be deemed defeated. Any further adoption of such special assessment by the Board of Directors shall require the same procedure to be followed as referenced above, or pursuant to a special meeting of the Association called for the purpose of approving such special assessment, which approval shall require 67% of the Class A members present in person or by proxy at such meeting, provided a quorum (as defined in the By-Laws) is present. The provision of this Section 7.6 regarding a special assessment veto shall only be in effect if there is a Class B membership as per Section 5.3 hereinabove.

Section 7.7. Assessment Lien. All sums assessed but unpaid for the share of Common Expenses or special assessments chargeable to any Lot, including any fees, late charges, fines or interest, shall constitute a lien on such Lot superior to all other liens and encumbrances except (a) tax and special assessment liens on the Lot in favor of a
taxing authority and (b) all sums unpaid on a First Mortgage of record, including all unpaid obligatory sums as may be provided by such encum-

brance. To evidence the lien as herein permitted, the Board of Direc-
tors may, but shall not be required to, prepare a written notice
setting forth the amount of such unpaid indebtedness, the amount of
accrued penalty thereon, the name of the Owner, and a description of
the Lot and record the same in the Office of the Clerk and Recorder of
the County of Laramie, Wyoming. Such lien for assessment shall attach
from the due date of the assessment. The lien may be enforced by
foreclosure of the defaulting Owner's Lot by the Association in the
manner for foreclosing a mortgage on real property upon recording of a
notice for claim thereof. In the event of any such foreclosure, the
Owner shall be liable for the amount of unpaid assessments, any penali-
ties thereon, the costs and expense of such proceedings, the costs and
expense for filing the notice of the claim and lien, and all reasonable
attorneys' fees in connection therewith.

The Association shall have the power to bind on a Lot at foreclo-
sure sale and to acquire and hold, lease, mortgage and convey the same.
Any Mortgagee holding a Mortgage on a Lot may pay any unpaid assessment
payable with respect to such Lot and any and all costs and expenses
with respect thereto, and the lien on such Lot for the amounts paid
shall have the same priority as the lien of the Mortgage. The lien for
assessments referred to herein shall be at all times subordinate to the lien
of any First Mortgage held by a First Mortgagee. By accepting a deed to a Lot, each Owner shall thereby waive and release any and all
rights and claims said Owner may have in and to the Lot as a homestead
exemption or any other exemption.

Section 7.8. Personal Obligation. The amount of any assessment
chargeable against any Lot shall be a personal and individual debt of
the Owner thereof. No owner may become exempt from liability for the
assessment by abandonment or waiver of the use or enjoyment of any of
the Common Areas or Common Area Improvements. Suit to recover a money
judgment for unpaid Common Expenses plus interest and expenses, includ-
ing attorney fees, shall be maintainable without foreclosing or waiving
the assessment lien provided herein.

Section 7.9. Notice to First Mortgagees. If requested in writing,
the Association shall report to the First Mortgagee of a Lot any
default hereunder or unpaid assessments remaining in default or unpaid
or unsecured for longer than 60 days.

Section 7.10. Statement of Status of Assessment Payment. Upon
payment of a reasonable fee of not less than Twenty-Five Dollars
($25.00) (except for First Mortgagees who shall be exempt from such
fee) and upon the written request of any Owner, Mortgagee, prospective
Mortgagee, or prospective purchaser of a Lot, the Association shall
issue a written statement setting forth the amount of the unpaid
assessments, if any, with respect to such Lots. Unless such request
shall be complied with within 20 days after receipt of said request by
the Association, and if the request was properly addressed and sent by
certified or registered mail, then all unpaid assessments which became
due prior to the date of making such request shall be subordinate to
the lien of a Mortgagee which acquired its interest subsequent to
requesting such statement. If the request is made by a prospective
purchaser, the lien for the unpaid assessment shall be released auto-
matically if the statement is not furnished within the 20 day period
herein; provided thereafter, an additional written request is made by
such purchaser, and the submission of the additional request is proper-
ly addressed and evidenced by a certified or registered mail receipt
and the request is not complied with within ten (10) days and the
purchaser subsequently acquires the Lot.

Section 7.11. Personal Liability of Purchaser For Assessments. A
purchaser of a Lot shall not be personally liable for unpaid assess-
ments against the Lot up to the time of conveyance to purchaser.

Section 7.12. Working Capital and Assessment Reserves. Each
Owner originally purchasing a Lot from the Declarant shall be required
to deposit and maintain continuously with the Association an amount
equal to one-sixth (1/6) of the amount of the first annual assessment,
such reserve amount to be held without interest accruing to the Owner,
which sum shall be used by the Association or Management Contractor as
a working capital fund. This amount may be recovered by a Seller from
a purchaser at the time of resale. After the expiration of Class B
membership, in the event the Board decides there is and will be suffi-
cient working capital without this fund, and the reserve for repair and
replacement of the Common Elements is equal to or greater than the
amount of the working capital fund, then this amount may be returned to
each current owner. Such advance payment shall not relieve an Owner
from making the regular monthly installment payment of the Annual
Common Assessment as the same becomes due, nor shall the Association be
required to deduct from such advance payment sums due for Common
Assessments by an Owner prior to instituting any proceedings against
the Lot owner for delinquent Common Assessments.

The Association shall establish an adequate reserve fund for the
maintenance, repair and replacement of the Common Areas and Common Area
Improvements maintained by the Association. This reserve fund shall be
maintained through regular installments of Common Assessments.

Section 7.13. First Mortgagee-Foreclosure-Liability for Unpaid
Assessments. Each First Mortgagee of a Lot within the Project who
obtains title to the Lot pursuant to the remedies provided in the
Mortgage or foreclosure of the Mortgage, or any purchaser at foreclo-
sure sale, will take the Lot free of all claims for unpaid assessments
and charges against the Lot which accrue prior to the time such First
Mortgagee or purchaser at foreclosure sale obtains title to the Lot,
but shall not relieve the First Mortgagee or purchaser from liability
for, or lien from, any assessments made thereafter. Any unpaid assess-
ment, which was rendered uncollectible by the effect of this Section,
may be reallocated and assessed to all Lots as a Common Expense.

In addition to the other remedies provided for the Association upon the default of an Owner in the payment of an annual assessment, special assessment, or any installment thereof, and in the event an Owner shall default in the payment of any installment of an annual or special assessment, then the Association shall have the immediate right of acceleration of the total amount of such annual or special assessment as remains outstanding at the time of such installment default. This right of acceleration in the event of installment default shall apply whether the Association pursues the obligation personally against the Owner or through foreclosure of the Owner's Lot, as provided hereinafter.

ARTICLE VIII. RESTRICTIVE COVENANTS AND OBLIGATIONS

USE OF DWELLING UNITS

Section 8.1. Residential. The Lots are hereby restricted to residential use and uses related to the convenience and enjoyment of such residential use. No Buildings or structures shall be moved from other locations onto the Lots or Common Area; and no Common Area Improvements other than those originally planned and/or installed by Declarant shall be erected or constructed on the Common Area upon any Lot unless approved by the Architectural Control Committee or designated representative. No garage, barn, or other out-building shall be used or permitted to be kept or stored on any portion of the Lots or Common Areas at any time, either temporarily or permanently, unless otherwise provided for herein.

Section 8.2. Sales Facilities of Declarant. Notwithstanding any provision in Section 8.1, Declarant and Participating Builders, their agents, employees and contractors shall be permitted to maintain during the period of construction and sale of the buildings in the Project upon such portion of the Property as Declarant or Participating Builders may choose, such facilities as in the sole opinion of the Declarant or Participating Builders may be reasonably required, convenient, or incidental to the construction, sale or rental of Lots and Dwelling Units including, but without limitation, a business office, construction and storage area, signs, model Dwelling Units, sales offices, construction and sales trailers, parking areas and lighting, and temporary parking facilities for all employees of Declarant and Participating Builders and all prospective tenants or purchasers of Declarant and Participating Builders; provided, however, said right shall terminate no later than December 31, 1993 and provided further, that such use shall not interfere in any way with the right of ingress or egress to any privately owned Dwelling Unit and the use and enjoyment thereof as a private residence, nor the right of ingress or egress to the Common Area and Improvements thereon, nor the use thereof for recreation or other proper purposes by the Owners and the Members, agents and officers of the Association.

Section 8.3. Right of Association to Own Units and to Use Common Areas. Notwithstanding any provision contained herein to the contrary,
the Association shall have the right, but not the obligation, to purchase and own any Dwelling Unit for the purpose of maintaining an office for the Association, for storage, recreation, or conference area or any other use which the Association determines is reasonable.

Section 8.4. Compliance With Law. No improper or unlawful use shall be permitted or made of the Properties or any part thereof. All valid laws, ordinances, and regulations of all governmental bodies having jurisdiction over the Project shall be observed.

Section 8.5. Rules and Regulations. Rules and Regulations may be adopted by the Board of Directors concerning and governing the use of the Common Areas and Common Area Improvements, provided such Rules and Regulations shall be furnished to Owners prior to the time they are adopted and that Owners be notified as provided in the By-Laws of the Association that the Board of Directors will consider adoption of the Rules and Regulations so that Owners will have an opportunity to be heard or furnish input regarding the adoption and so that such Rules and Regulations shall be uniform and nondiscriminatory. After adoption, a copy of such Rules and Regulations shall be provided to all Owners. The Association may also adopt a fine system to impose monetary penalties for such infractions, or take judicial action against any Owner to enforce compliance with such Rules, Regulations, or other obligations including injunctive relief or to obtain damages for noncompliance, all to the extent permitted by law. The Board of Directors may adopt and publish a fine schedule which shall list fines which shall be imposed for violations of this Declaration, By-Laws, Articles and any Rules and Regulations.

E. Nuisances. No noise or other nuisance shall be permitted to exist or operate upon any Lot so as to be, in the opinion of the Board, offensive or detrimental to any other property or its occupants. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes) shall be located, used or placed on any Lot without the prior written approval of the Board. No rubbish or debris of any kind shall be placed or permitted to accumulate upon any Lot and no odors shall be permitted to arise therefrom so as to render any such property or any portion thereof, in the opinion of the Board, unsanitary, unsightly, offensive or detrimental to any other property or to its occupants.

J. Garage Sales. No garage, patio, porch or lawn sale shall be held on any Lot, except that the Owner of any Lot may conduct such a sale if the items sold are only his own furniture and furnishings, not acquired for purposes of resale; if such sale is held at such time and in such manner as not to disturb any other resident of the area; and if such sale is held in full compliance with all applicable governmental ordinances, statutes, resolutions, rules and regulations, on an infrequent, occasional basis.

N. Landscaping on Lots. Lots within the Properties, or any additions thereto, shall be fully landscaped (front, side, and rear) by the Owner within nine months after the initial occupancy of the residents on the Lot. The Lot Owner shall maintain such landscaping in an attractive condition. (For purposes of this subsection, initial occupancy shall mean the date of conveyance of the Lot from the builder to a third party purchaser.)

ARTICLE IX. ARCHITECTURAL CONTROL COMMITTEE

Section 9.1. Membership.

A. The Board of Directors may appoint an Architectural Control Committee (hereinafter referred to as the "Committee") which may be composed of three (3) or more members. In the event no such
appointment is made, then the Board of Directors shall constitute the Architectural Control Committee and shall have all of the duties and responsibilities of said Committee as set forth herein.

B. In the event of death, disability, or resignation of any member of the Committee, the Board of Directors shall have full authority to designate a successor or successors.

C. An affidavit executed by a majority of the members of the Committee, and recorded in the office of the Clerk and Recorder of Laramie County, Wyoming shall be sufficient evidence of the membership and of the other recitals herein contained.

Section 9.2. Evidence of Action. The Committee's approval or disapproval as required in these covenants shall be in writing, as indicated by the signatures of a majority of the Committee. The Committee shall not be required to maintain records of plans submitted. Approval by the Committee shall be conclusive evidence of compliance with these covenants provided that the improvements are constructed in substantial compliance with the plans as approved. In the event the Committee fails to approve or disapprove a proposal within 30 days after plans and specifications have been submitted to it and the submission is evidenced by a certified or registered mail receipt; or, in any event, if no suit to enjoin the proposed construction has been commenced within one (1) year after the proposed construction had begun and became apparent, such approval will not be required, and the related covenants shall be deemed to have been complied with fully.

Section 9.3. Duties. The Committee shall act upon and approve or disapprove any and all matters to be submitted to the Committee pursuant to any of the provisions of this Declaration and shall have all duties and powers as are hereinafter provided and set forth. Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed, nor shall the Committee or any member thereof be liable, in any manner, for any action or failure of action done in good faith arising out of their service on the Committee.

Section 9.4. Approval of Plans.

A. All plans and specifications in connection with the construction of any residence, fence, wall, driveway, or other structure, and in connection with any exterior maintenance and remodeling of any residence or other structure, including, but not limited to, changing the initial color of the residence, or any alteration of any wall, fence, or driveway shall be submitted to the Committee or its designee, and prior written approval shall be required.

B. Before any construction or alteration begins, plans and specifications showing the nature, kind, shape, height, materials and location, the exterior design, the exterior materials to be used, the color scheme, the site plan, a topographic survey, the location of the
driveway and plans for the proper drainage of the Lot with respect to adjacent Lots must be submitted to the Committee for its prior written approval.

C. In passing upon such plans, specifications and other requirements, the Committee may take into consideration whether the proposed residence or other structure or alteration and the materials of which it is to be built are reasonably suitable for the Lot upon which the residence or other structure or alteration is to be erected, the harmony thereof with the surroundings, and the effect of the residence or other structure or alteration as planned on the outlook from adjacent or neighboring property. The Committee shall, in the exercise of its judgment and determination, use reason and good faith.

D. No residence, fence, wall, driveway, structure, alteration of any kind, which has not received such prior written approval by the Committee and which does not fully comply with such approved plans and specifications, shall be erected, constructed, placed, or maintained upon any Lot. No changes or deviations in and from such plans and specifications as so approved shall be made without the prior written consent of the Committee. The Committee shall not be responsible for any structural defects in such plans or specifications or in any building or structure erected according to such plans and specifications.

Section 9.5. Reserved Right of Declarant. Notwithstanding the above provisions, and until the Declarant has conveyed its last Lot to a purchaser, Declarant shall have the right, and said right is hereby specifically reserved unto Declarant, to appoint the members of such Architectural Control Committee and to fill any vacancies therein created. (This Section supersedes the authority granted in Section 9.1 above.)

Section 9.6. Binding Agreement to Pay Legal Costs. In the event that an Owner shall dispute the determination of the Architectural Control Committee and files a lawsuit to overrule, vacate or otherwise mitigate the effect of any determination of the Committee, or if an Owner(s) fails to submit for approval any action as required by Section 9.4 and the Committee or any Owner brings an action to enforce these provisions; then the Owner(s) and the Association are hereby bound to the agreement that any and all costs, including reasonable attorney fees, associated with the institution and defense of such a suit, shall, to the extent permitted by a court of competent jurisdiction, be paid to the prevailing party by the losing party.

Section 9.7. Variance. The Architectural Control Committee may grant reasonable variances or adjustments from any conditions or restrictions imposed by this Declaration. Such variances or adjustments shall only be granted if it is not material, detrimental or injurious to the other property of improvements to the neighborhood, and shall not defeat the general intent and purpose hereof.
Section 9.8. Minor Violations of Setback Restrictions. If, upon erection of any Dwelling Unit upon any of the Lots which are subject to these restrictions, it is disclosed by survey that a minor violation and infringement of setback lines has occurred, such violation and infringement shall be deemed waived by the Owners of the Lots immediately adjoining the Lot upon which the violation and infringement occurs, and such waivers shall be binding upon all other Owners who are subject to this Declaration. Nothing herein contained shall prevent the maintenance of suit for any other violation of the restrictions contained in this Declaration. A "minor violation" for the purpose of this Section is a violation of not more than 30 inches beyond required setback lines or Lot lines. This provision shall only apply to the original structures and shall not be applicable to any alterations or repairs to such structures.

ARTICLE X. INSURANCE

Section 10.1. Comprehensive General Liability and Property Insurance. Comprehensive general liability and property damage insurance shall be purchased by the Board of Directors and shall be maintained in force at all times, the premiums thereon to be paid by the Association as a Common Expense. If Declarant pays the premium, it shall be entitled to reimbursement from the Association. The insurance shall be carried with reputable companies authorized to do business in the State of Wyoming, in such amounts as the Board may determine; the insurance carrier should have a current rating by Best's Insurance Reports of VI or better, or a financial rating of Class VI and a general policyholder's rating of at least A. If the insurer does not meet this rating requirement, the insurer must be reinsured by a company that does have a current rating by Best's Insurance Reports of VI or better.

A comprehensive policy of general liability insurance including broad form comprehensive or general liability insurance shall be in force for a minimum amount of One Million Dollars ($1,000,000.00) per occurrence, covering all claims for bodily injury and/or property damage arising out of a single occurrence, such coverage to include protection against liability for non-owned and hired automobiles, liability for property of others, and, if applicable, host liquor liability and other risks which are customarily covered with projects similar in construction, location, and use. The policy or policies shall name as insured all of the Owners and the Association. Declarant shall be named as an additional insured on such policy or policies until such time as Declarant shall have conveyed all the Dwelling Units in the Project. The policy or policies shall insure against loss arising from perils in the Common Areas and in any other areas which the Association has a maintenance responsibility and shall include contractual liability coverage to protect against such liabilities as may arise under the contractual exposures of the Association or the Board of Directors.

The policy or policies shall contain a "severability of interest" clause or endorsement which shall preclude the insurer from denying a
claim of an Owner or the Association because of negligent acts of the
Association or other Owners.

Section 10.2. Fire and Hazard Insurance. Fire and hazard insurance
shall be purchased by the Board of Directors and shall thereafter
be maintained in force at all times, the premiums thereon to be paid by
the Association as a Common Expense, such policy to cover all Common
Area Improvements. The policy or policies shall be of a master or
blanket type with a standard all risk endorsement, and insure against
loss from perils therein including coverage on all of the Improvements
in the Common Areas, except such as may be separately insured, and
except land, foundation, excavation and other items normally excluded
from coverage. Such policy or policies shall contain extended cover-
age, vandalism, and malicious mischief endorsements. The Improvements
to be insured under this clause shall be continually insured to value,
and the policy or policies shall contain replacement cost insurance.
If reasonably available, the policy or policies shall contain a stipu-
lated amount clause, or determinable cash adjustment clause, or similar
clause to permit a cash settlement covering specified value in the
event of destruction and a decision not to rebuild. The policy or
policies shall name as insured the Association, and the Declarant. The
policy or policies shall also cover personal property owned by the
Association or in common by the Owners, their tenants, invitees or
agents, and shall further contain a waiver of subrogation rights by the
carrier as to negligent Owners. If Declarant pays the premium for said
policy or policies, it shall be entitled to reimbursement from the
Association.

The insurance shall be carried with reputable companies authorized
to do business in the State of Wyoming, in such amounts as the Board
may determine. The insurance carrier should have a current rating by
Best's Insurance Reports of VI or better or a financial rating of Class
VI and a general policyholder's rating of at least A. If the insurer
does not meet this rating requirement, the insurer must be reinsured by
a company that does have a current rating by Best's Insurance reports
of VI or better.

Section 10.3. No Individual Fire Insurance on Common Areas. The
blanket policy or policies to be carried by the Association and refer-
cenced under Section 10.2 above must provide that it is primary over any
policy or policies separately carried by an individual Lot Owner and
that the proceeds of the individual policy or policies carried by such
Owner shall only be used to the extent that the proceeds of the insur-
ance carried by the Association are insufficient to cover any losses to
the Common Areas.

Section 10.4. Owner's Personal Liability and Property Insurance.
An Owner may carry such property, fire and personal liability insurance
as such Owner may desire. It is understood that the Association
policies described herein will provide no insurance coverage for the
Lots or the improvements situate thereon.
Section 10.5. Fidelity Insurance Coverage. The Association shall provide for fidelity coverage against dishonest acts on the part of the Officers, Directors, Management Contractors, employees or volunteers responsible for handling funds belonging to or administered by the Association. The fidelity bond or insurance must name the Association as the named insured and shall be written in an amount sufficient to provide protection, which is in no event less than 1.5 (one and one-half) times the insured's estimated annual operating expenses and reserves. In connection with such coverage, an appropriate endorsement to the policy to cover any person or persons who serve without compensation shall be added if the policy would not otherwise cover volunteers.

Section 10.6. Other Insurance. The Board of Directors may purchase and maintain in force as a Common Expense, debris removal insurance, plate or other glass insurance, fidelity bonds, and other insurance or bonds that it deems necessary. The Board shall purchase and maintain workmen's compensation insurance to the extent that the same shall be required by law respecting employees of the Association. Notwithstanding any other provisions herein, the Association shall continuously maintain in effect such casualty, flood and liability insurance, and a fidelity bond, meeting the insurance and fidelity bond requirements for such project established by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association and Government National Mortgage Association, so long as any are a Mortgagor or Owner of a Lot within the Properties, except to the extent such coverage is not available or has been waived in writing by either or all of the above.

Section 10.7. Attorney in Fact. The Association is hereby appointed the attorney in fact for all Owners to negotiate loss adjustment on the policy or policies carried by the Association under this Article X.

Section 10.8. Proceeds. The Association shall receive the proceeds of any casualty insurance payments received on the policies obtained and maintained pursuant to this Article. To the extent that repairs and reconstruction are required herein and there is a determination that the Properties shall not be rebuilt, the proceeds shall be distributed in the manner provided in Article XI regarding casualty damage or destruction.

Section 10.9. Notice of Cancellation or Modification. The policy and/or policies required by Sections 10.1, 10.2 and 10.3 must provide that they cannot be cancelled or substantially modified, by any party, without at least ten (10) days prior written notice to the Association, and to each holder of a First Mortgage which has requested in writing that it be listed as a scheduled holder of a First Mortgage in the insurance policy.

Section 10.10. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board of Directors to
ascertain whether the coverages contained in the policies are sufficient for the upcoming year, whether any necessary repairs or replacements of the property which occurred in the preceding year were covered by insurance, and that all possible insurance claims have been filed.

Section 10.11. Deductibles. No insurance policy applicable to either fire or extended coverage shall contain a deductible clause which exceeds the greater of:

A. $500.00; or

B. One percent (1%) of the face amount of the policy.

If an Owner, who by negligent or willful act, causes damage to the Common Area or other Properties which are insured as a Common Expense, then said Owner shall bear the whole cost of the deductible required in the blanket insurance policy for the Association on the Common Area and other such Properties. An Owner shall be responsible for any action of members of his family, his tenants or his guests which cause damage to said Common Areas or other Properties.

Section 10.12. Directors' and Officers' Liability Insurance. The Association shall maintain adequate liability coverage to protect against any negligent act upon the part of the Directors or Officers of the Association.

Section 10.13. Waivers. All such policies of insurance shall contain waivers of subrogation and waivers of any defense based on an invalidity arising out of the acts of a Member of the Association.

ARTICLE XI. CASUALTY

Section 11.1. Association As Agent and Attorney In Fact. All of the owners irrevocably constitute and appoint the Association as their true and lawful agent and attorney in fact in their name, place and stead for the purposes of dealing with the Property upon its damage, destruction, obsolescence and/or condemnation as hereinafter provided. Acceptance by any grantee of a deed from the Declarant or from any Owner shall constitute appointment of the Association as agent and attorney in fact as herein provided.

Section 11.2. General Authority of Association. As attorney in fact, the Association shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or other instrument with respect to the interest of an Owner which may be necessary or appropriate to exercise the powers herein granted. Repair and construction of the Common Area Improvements as used in this Article means restoring Project to substantially the same condition in which it existed prior to damage. The proceeds of any insurance collected shall be used by the Association for the purpose of repair or reconstruction unless Owners, to which at least 67% of the votes are
allocated, and 67% of the First Mortgages agree not to rebuild in accordance with the provisions set forth hereinafter.

Section 11.3. Notices and Cost Estimates. As soon as practical after an event causing damage to, or destruction of any part of the Common Area, the Association shall immediately obtain estimates that it deems reliable of the cost of repair or reconstruction of that part of the Project damaged or destroyed.

Section 11.4. Insurance Proceeds Sufficient to Repair. In the event that proceeds from insurance coverage are sufficient to cover the cost of repair or construction after a casualty pursuant to the estimate of costs obtained by the Association, then such repair or reconstruction shall be promptly performed by the Association as attorney in fact for the Owners pursuant to this Article.

Section 11.5. Insurance Proceeds Insufficient to Repair. If the insurance proceeds are insufficient to repair or reconstruct the damage or destroyed Common Area or Common Area Improvements, such damage shall be repaired as promptly as possible by the Association and any costs of such repair or reconstruction in excess of insurance proceeds available shall be assessed against all Owners as a Common Expense pursuant to Article VII.

ARTICLE XII. CONDEMNATION

Section 12.1. Consequences of Condemnation. If at any time during the continuance of the Ownership pursuant to this Declaration, all or any part of the Common Areas shall be taken, or condemned by any public authority, or sold, or otherwise disposed of in lieu of or in avoidance thereof, the provisions of this Article XII shall apply.

Section 12.2. Proceeds and Notice. All compensation, damages, or other proceeds therefrom, the sum of which is hereinafter called the "Condemnation Award" shall be payable to the Association; provided, however, that the Association shall provide timely notice of such condemnation proceeding or condemning authority acquisition to all Owners and First Mortgages of record of Dwelling Units within the project who request such notice.

ARTICLE XIII. GENERAL RESERVATIONS

Section 13.1. Reservation of Easements, Exceptions, and Exclusions. Declarant reserves the right to establish from time to time by dedication or otherwise, utility (including Cable TV) and other easements, for purposes including but not limited to streets, paths, walkways, drainable recreation areas, parking areas, ducts, shafts, flues, conduit installation areas, and to create other reservations, exceptions and exclusions consistent with the ownership of the Properties for the best interest of all Owners and the Association in order to serve all the Owners within the Project. The rights herein reserved
unto Declarant shall continue until the Declarant no longer retains an interest in the Project, or December 31, 1993, whichever occurs first.

Section 13.2. Rights of Declarant and Participating Builders Incident to Construction. An easement is hereby retained by and granted to Declarant and any Participating Builder for access, ingress, and egress over, in, upon, under and across the Project, including but not limited to the right to store materials thereon and to make such other use thereof as may be reasonably necessary or incidental to Declarant's or any such Participating Builder's construction on the Properties; provided, however, that no such rights or easements shall be exercised by Declarant in such a manner as to unreasonably interfere with the occupancy, use, enjoyment, or access by any Owner, his family members, guests, or invitees, to or of that Owner's Lot.

ARTICLE XIV. ENLARGEMENT OF PROJECT (ANNEXATION)

Section 14.1. Special Rights Reserved to Declarant: Enlargement of Project. The Declarant shall have the absolute right, but not the obligation, and same is hereby specifically reserved unto Declarant to be exercised prior to December 31, 1993, to annex to the land and improvements described in this Declaration and to the Subdivision Plan herein referred to, and thereby to submit to each and every provision of this Declaration the land described on Exhibit C, attached hereto and incorporated herein by this reference, or any portions thereof as further referenced hereunder, together with the improvements to be constructed thereon as further referenced herein. It is the intention of the Declarant that the lands described on Exhibit C may be annexed to the land covered by this Declaration by additional phases. The legal descriptions for each of said phases anticipated are as set forth as subparts to Exhibit C, properly labeled as to each phase. Such phases may be added by the Declarant either in the aggregate or on a phase by phase basis, by a portion of a phase, or any combination thereof, with the result being that this project may be increased up to a maximum number of 125 Lots, or such lesser amount of Lots as may be reflective of the Declarant's decision to add either no additional phases or such lesser number of phases desired.

Any such expansion or annexation as herein reserved unto Declarant shall be accomplished by the recording of a supplement or supplements to this Declaration, and such documents shall be recorded in the records of the office of the Clerk and Recorder for Laramie County, Wyoming.

There is hereby reserved unto Declarant the irrevocable power of attorney, coupled with an interest, to execute, acknowledge and deliver such further instruments and to do such further acts and/or things as may be from time to time required in order to accomplish the purposes of this Article XIV, including the right, if necessary, to amend the Articles of Incorporation or By-Laws, and to act on behalf of the Association to obtain such accomplishment. Each Owner and each and every Mortgagee of a Lot in the Project shall be deemed to have.
acquiesced to the supplements to this Declaration and to any required supplements to the Subdivision Plat for the purpose of adding additional Lots and Common Areas to the Project in the manner set forth in this Article XIV, and shall be deemed to have granted unto said Declarant an irrevocable power of attorney, coupled with an interest, to effectuate, execute, acknowledge and deliver any such instruments, if any, and to do such other acts and things as may be deemed necessary or desirable by the Declarant, its successors or assigns, to properly accomplish the supplements contemplated by this Article XIV. Such supplements shall contain at least the following information:

1. A legal description of the particular phase(s) being annexed, including a proper legal description of the Lots and the Common Areas located therein;

2. A statement that said lands are being annexed pursuant to the particular provisions of Article XIV hereof; and

3. A further statement to the effect that said phase(s), when annexed, shall be deemed to be included within the Project covered by this Declaration and, thereby, subject to all of the terms, provisions, covenants, conditions, reservations, charges, and liens, including assessments, applicable hereunder as well as expressly subject to all of the provisions of the Articles of Incorporation and the By-Laws of the Association referenced hereunder.

All such supplements shall be subject to the prior approval of the Veterans Administration, if required, and shall be consistent with the original Plat as approved by the Veterans Administration, unless amendments thereto promulgated by Declarant have been properly processed and approved by the Veterans Administration and any governmental entity having jurisdiction thereof.

Section 14.2. Assessments and Voting Rights. On the date of recordation of any annexation by supplement to these Declarations, the assessment responsibility indicated in Section 7.1 and the voting rights outlined in Section 5.3, appurtenant to the annexed Lots, shall become effective.

Section 14.3. Future Improvements. All future improvements to the Project shall be consistent with initial improvements in terms of quality of construction.

ARTICLE XV. PRE-EXISTING RESERVATIONS, RESTRICTIONS, EASEMENTS AND COVENANTS

The property was subject to the following reservations, restrictions, conditions, exceptions, easements and covenants at the time of the recordation of this Declaration:
Section 15.1. County of Laramie. Any restrictions in the use of property created by plats or zoning ordinances approved or adopted by the County of Laramie, Wyoming.

Section 16.2. Duration and Amendment. The covenants and restrictions of this Declaration shall run with and bind the Properties for a term of 20 years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration shall not be amended, except as otherwise herein provided, without the consent of Owners of Lots to which at least 67% of the votes in the Association are allocated, and approval of 67% of the First Mortgagors. Such amendment may be evidence by either a recorded instrument indicating such consent or by a recorded certificate of the Secretary of the Association certifying that at a meeting of the Owners, duly called, the Owners of Lots, to which 67% of the votes in the Association are allocated, consented to the Amendment, and that 67% of the First Mortgagors have given approval (as provided in Section 17.8 below) to the Amendment, and that copies of such written consent are in the corporate records of the Association.

All present or future owners, tenants, future tenants, or any other person using the facilities of the Properties in any manner are subject to the regulations set forth in these By-Laws. The mere acquisition or rental of any of the Lots of the Project or the mere act of occupancy of the Lots shall constitute ratification of these By-Laws.

Section 1.3. Definitions. Unless otherwise specified, the following terms shall have the same meaning in these By-Laws as such terms have in the Declaration: Association, Board of Directors, Building, Common Area, Common Area Improvements, Common Expense, Declareant, Declaration, Dwelling Unit, First Mortgagor, Lot, Lot Improvements, Member, Mortgage, Mortgagor, Owner, Properties, Subdivision Plat.

Upon becoming an Owner of a Lot, any person automatically shall become a member of this Association and shall be subject to the provisions of the Articles of Incorporation, the Declaration, and to these By-Laws. Such membership shall terminate without any Association action whenever such person ceases to own a Lot, but such termination shall not relieve or release any such former Owner from any liability or obligation.
incurred under or in connection with the Association during the period of ownership and membership in this Association, nor shall such termination impair any rights or remedies which the Board of Directors of the Association or others may have against such former Owner and Member arising out of, or in any way connected with, such ownership and membership, and the covenants and obligations incident thereto. No certificates of stock shall be issued by the Association, but the Board of Directors may, if it so elects, issue one membership card to the Owner(s) of a Lot. Such membership card shall be surrendered whenever ownership of the Lot designated thereon shall terminate.

Section 2.2. Classes of Membership and Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A Members shall be all Owners with the exception of the Declarant and shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Class B. The Class B Members shall be the Declarant and shall be entitled to three (3) votes for each Lot owned by Declarant. The then existing Class B memberships shall cease and be converted to Class A memberships upon the happening of either of the following events, whichever occurs first:

EVIDENCE OF OWNERSHIP AND REGISTRATION OF MAIL ADDRESS

Section 10.1. Proof of Ownership. Any person, on becoming an Owner of a Lot, shall furnish to the Management Contractor or Board of Directors a photocopy (or, if requested by the Board, certified copy) of the recorded instrument vesting that person or entity with an interest or ownership, which instruments shall remain in the files of the Association. A member shall not be deemed to be in good standing nor shall he, she, it or they be entitled to vote at any annual or special meeting unless this requirement is first met.

Section 10.2. Registration of Mailing Address. The Owners of each Lot shall have one registered mailing address for use by the Association for mailing statements, notices, demands and all other communications; and such registered address shall be the only mailing address for a person or persons, firm, corporation, partnership, association, or other legal entity, or any combination thereof, to be used by the Association. Such registered address of an Owner or Owners shall be furnished by such Owners to the Secretary within five (5) days after transfer of title; such registration shall be in written form and signed by all of the owners of the Lot or by such persons as are authorized by law to represent the interest of (all of) the Owners thereof. Registered addresses may be changed in similar fashion. If no such address is registered, or if all of the Owners cannot agree, then the address of the Owners shall be the address of the Lot.

Section 10.3. Completed Requirement. The requirements contained in this Article shall be first met before an Owner of a Lot shall be deemed in good standing and entitled to vote at any annual or special meeting of members.
