COVENANTS RESTRICTING AND GOVERNING
LAND USE AND DEVELOPMENT

KNOW ALL MEN BY THESE PRESENTS:

THAT WHEREAS, Homer R. Lathrop and Virginia Lathrop, husband and wife, are the owners of Brookhurst, a subdivision of parts of Section 32, Township 43 North, Range 78 West, 6th P.M. and Section 5, Township 33 North, Range 78 West, 6th P.M., Natrona County, State of Wyoming, as shown on the plat thereof duly recorded on November 1, 1972, in the office of the County Clerk and Ex-Officio Register of Deeds in and for Natrona County, State of Wyoming, in Book 244 of Deeds at Page 22, all of the lands and lots contained in which subdivision are intended to be affected and covered by the covenants hereinafter set forth, and

WHEREAS, in order to promote the general purpose of maintenance of Brookhurst as a semi-rural, non-commercial area, suitable for rural living with a minimum of congestion, and to promote the ownership and use of pleasure horses, the undersigned owners desire hereby to make and impose upon said real property the restrictions and limitations hereinafter set forth.

NOW, THEREFORE, for and in consideration of premises, the undersigned parties do hereby make, publish, declare and impose upon all of the real property situate and included within the aforementioned subdivision, the following restrictions and limitations governing the use and development of all Lots within said subdivision, and do hereby specify and declare said restrictions and limitations shall be and constitute covenants running with all of the land in said subdivision, to be binding upon the undersigned and all persons claiming by, through or under them and likewise to be for the benefit of, as well as limiting and restricting, all future owners of Lots within said subdivision.

I.

Permitted Uses and Limitations

1.1 No building or structure shall be erected, placed, or permitted to remain on any Lot other than one, private, single family dwelling, specifically designed for the use and occupancy of one family, together with such outbuildings as are required under paragraph 1.3 below. Trailer houses or mobile homes installed in accordance with the standards and requirements hereinafter set forth are specifically permitted; with the exception of such properly installed trailer houses and mobile homes, no temporary building or dwelling shall be erected, placed or be permitted to remain on any Lot, provided, however, that temporary structures may be permitted for a period of no longer than one year during the course of construction of an approved permanent structure.

1.2 Further subdivision of any Lot or Lots is prohibited.

Restrictions indicating a preference, limitation or discrimination based on race, color, religion, sex, handicap, familial status, or national origin are hereby deleted to the extent such restrictions violate 42 USC 3604(c).

1.3 Subject to the approval of the Committee, the care and feeding of livestock or poultry is permitted. With such exception, use of the premises for commercial, business and trade purposes is prohibited. Use of the premises for a boarding or rooming house shall be deemed a prohibited commercial or business use. Adequate shelter shall be provided for any domestic animals, poultry, fowl and livestock kept on the premises and the same shall be contained on the owner's Lot or Lots.

1.4 The entire premises shall be kept clean and sanitary at all times, free of nuisance. The accumulation of weeds, rubbish or junk of any kind is not permitted. All garbage containers shall be completely enclosed and covered at all times. Storage of unlicensed road vehicles is not permitted and same may be removed by the Committee after thirty (30) days notice to the owner of the Lot where found. The Committee is likewise authorized to remedy any unsanitary or unsightly condition if not remedied by the owner upon thirty (30) days notice. All costs incurred by the Committee in any such connection shall be borne by the Lot owner and shall constitute a lien against the Lot or Lots involved, foreclosable by action on default of the owner in bearing such costs.

1.5 No parking is permitted within the right-of-way of roadways or bridle paths. Each property owner within the subdivision must provide adequate "off-street" parking for themselves, their guests and invitees.

II.

Construction Standards and Requirements

2.1 Each tract containing one or more Lots under one ownership must be enclosed by a fence within ninety (90) days of occupancy. The fence shall be a 32-inch woven wire with two strands of barbed wire above, the posts to be no more than 20 feet apart, provided, however, that a substantially equivalent fence may be constructed if approved by the Committee.

2.2 Permanently installed trailer houses and mobile homes are permitted, the same to be "set" no more than 24 inches above ground level and to be properly skirted and provided with adequate tie-downs. Proper maintenance so as to avoid unsightly conditions shall be required.

2.3 Grading or contouring which may unreasonably impede, dam, divert or otherwise interfere with the natural drainage of surface waters or streams shall not be permitted.

2.4 No structure shall be placed within 25 feet of the front line of a Lot, except in the instance where the general purpose might be better served by an exception, which exception must be specifically approved by the Committee.

2.5 Each Lot on which a dwelling is constructed, erected or installed shall have adequate provision for disposition of sewage, which provisions shall be subject to the approval of

the governmental authority having jurisdiction in the premises. Any water supply for domestic purposes shall be subject to the approval of the appropriate governmental authority.

2.6 No improvement shall be erected or placed on any Lot in said subdivision, nor shall any improvement be enlarged, remodeled or altered until the plans, design and specifications therefor, together with a plot plan showing the location thereof on such Lot, shall have been submitted to the Committee and approved in writing by the Committee. In the event the Committee neither approves nor disapproves such plan within thirty (30) days from the date of submission thereof, such plan shall be deemed to have been approved.

III.

Easements

3.1 An easement and right-of-way for the construction, operation, maintenance and removal of utilities serving all or any part of the subdivision or adjacent lands is hereby established in all roads and along the boundary lines of all Lots, as depicted on the recorded plan.

3.2 An easement consisting of a strip ten (10) feet in width on each side of every roadway, for use as a bridle path, is hereby established. No fence will be permitted to obstruct the easement so established.

IV.

Control Committee

4.1 There is hereby established a control committee ("Committee"), consisting of three (3) members. Homer R. Lathrop, Gordon Shipman and Morris R. Massey, all of Casper, Wyoming, shall serve as the initial members of the Committee. Homer R. Lathrop shall have the unqualified right to designate replacement members, including replacement of himself, at any time and from time to time, at his sole discretion, provided only that at such time as two-thirds, by number, of the Lots in the subdivision have been sold or subjected to contract for sale, ownership of at least one Lot within the subdivision shall be a necessary qualification for membership on the Committee.

4.2 The Committee shall have all requisite power and authority to administer and enforce the foregoing covenants, to the end that the general purpose shall be served, and shall have the right and power to grant and approve such exceptions and variances therefrom as are consistent with the general purpose.

4.3 The foregoing covenants are subject to repeal or substantial and material amendment only upon the majority vote of Lot owners. For voting purposes, each Lot shall be assigned one vote and a majority only of those voting shall carry the affirmative on any question submitted for vote. A
