EASTDALE ADDITION BUILDING RESTRICTIONS

WHEREAS, Housing, Inc., a corporation, is the owner of Lots 1 through 9 inclusive, Block 1: Lots 1 through 20, Block 2: Lots 1 through 24, Block 3: Lots 1 through 25, Block 4: Lots 1 through 14, Block 5: Lots 1 through 5, Block 6: Lot 1, Block 7: in Eastdale Addition to the City of Casper, Natrona County, Wyoming, and desires to establish in said addition an exclusive residential district wherein the construction and use of dwelling houses shall conform to certain minimum requirements, and each home owner, in consideration of his compliance with such requirements, shall be protected against violation thereof by any other home owner;

NOW THEREFORE, In consideration of the premises, the undersigned Housing Inc., a corporation does hereby impose upon the Lots of Eastdale Addition to the City of Casper, Natrona County, Wyoming, the following protective covenants and restrictions, to-wit:

(a) In said Eastdale Addition, no structures shall be erected, altered, placed, or permitted to remain on any residential building lot, other than one detached single-family dwelling, or one semi-detached single-family dwelling, not to exceed two and one-half stories in height and a private garage for not more than three cars.

(b) No building shall be erected, placed or altered on any building plot in said addition until the building plans, specifications and plot plan showing the location of such building have been approved in writing as to conformity and harmony of external design with existing structures in the subdivision, and as to location of the building with respect to topography and finished ground elevation, by a committee composed of E. E. Allen, Chas. Chapin and M. M. Wheeler, or by a representative designated by a majority of the members of said committee. In the event of death or resignation of any member of said committee, the remaining member or members shall have full authority to approve or disapprove such design and location, or to designate a representative with like authority. In the event said committee, or its designated representative, fails to approve or disapprove such design and location within 30 days after said plans and specifications have been submitted to it or, in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. Neither the members of such committee, nor its designated representative, shall be entitled to any compensation for services performed pursuant to this covenant. The powers and duties of such committee, and of its designated representative, shall cease on and after July 1, 1959. Thereafter, the approval described in this covenant shall not be required unless, prior to said date and effective thereon, a written instrument shall be executed by the then record owners of a majority of the Lots in this subdivision and duly recorded, appointing a representative or representatives, who shall thereafter exercise the same powers previously exercised by said committee.
(c) No building shall be located on any of said lots nearer than 25 feet to the front line, or nearer than 5 feet to any side street line. No building except a detached garage or other outbuilding located 75 feet or more from the front lot line shall be located nearer than 3 feet to any side lot line.

(d) No residential structure shall be erected or placed on any building plot, which plot has an area or less than 4500 square feet or a width of less than 40 feet at the front building setback line.

(e) No store, shop, repair shop, storage or repair garage, restaurant, dance hall or other public place of amusement, or any similar business or commercial enterprise shall be carried on or conducted upon any lots in said addition, nor shall anything be done on any of said lots which may be an annoyance or nuisance to the neighborhood.

(f) No trailer, basement, tent, shack, garage, barn or other out-building erected in the tract shall at any time be used as a residence temporarily or permanently, nor shall any structure of a temporary character be used as a residence.

(g) No dwelling costing less than $6,500.00 as of January 1, 1950, shall be permitted on any lot in the tract. The ground floor area of the main structure, exclusive of one-story open porches and garages, shall be not less than 720 square feet in the case of a one-story structure nor less than 700 square feet in the case of a one and one-half, two or two and one-half story structure.

(h) Easements are reserved, as shown on the recorded plat, for utility installation and maintenance.

(i) Yard fences may extend only from the rear of any lot to the rear of the house thereon, and there shall be no front yard fencing.

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 1975, at which time said covenants shall be automatically extended for successive periods of 10 years unless by vote of a majority of the then owners of the lots it is agreed to change said covenants in whole or in part.

If the parties hereto, or any of them, or their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said development or subdivision to prosecute any proceedings at law or in equity against the persons or person violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any one of these covenants by judgment of court order shall in no wise affect any of the other provisions which shall remain in full force and effect.
