(a) the right of the Association by its Board of Directors to charge reasonable fees for the use and maintenance of the Common Area and for the use of the storage area shown on the plat and of any recreational facility situated upon the Common Area;

 ARTICLE IV
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation
of Assessments. The Declarant, for each Lot owned within the
Properties, hereby covenants, and each Owner of any Lot and any
such Owner's heirs, successors or assigns, by acceptance of a deed
to any Lot or by execution of a contract to purchase the same,
whether or not it shall be so expressed in such deed contract,
shall be deemed to covenant and agree to pay to the Association:
(1) annual assessments or charges, and (2) special assessments
for capital improvements, such assessments to be established and
collected as hereinafter provided. The annual and special assess-
ments, together with interest, costs, and reasonable attorney's
fees, shall be a charge on the Lot and shall be a continuing lien
upon the Lot against which each such assessment is made. Each
such assessment, together with interest, costs, and reasonable
attorney's fees, shall also be the personal obligation of the person
who was the Owner of such property at the time the assessment became
due and payable. The personal obligation for delinquent assessments
shall not pass to Owner's successors in title unless expressly
assumed by them, but the lien thereof shall in any event remain
as a charge against the Lot, the transfer of such Lot notwithstanding.

Section 2. Purpose of Assessments. The assessments
levied by the Association shall be used exclusively to promote
the recreation, health, safety, and welfare of the residents in
the Properties and for the improvement and maintenance of the Common Area and all recreational facilities therein, and of the exterior of the residential units situated upon the Lots.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Thirty-Three Cents ($0.33) for each square foot contained in each Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 6% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 6% by a vote of two-thirds of each class of members voting in person or by proxy at a meeting duly called for such purpose.

(c) The Board of Directors of the Association shall fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members voting in person or by proxy at a meeting duly called for such purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 1(a) of Article II, or Sections 3 or 4 of this Article shall be sent to all members not less than 10 days nor more than 30 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate, except as hereinafter provided, for all Lots and may be collected on a monthly basis or such other basis as may be determined by the Board of Directors of the Association; provided, however, that the assessment for all Lots (including those annexed to the Properties as below provided) owned by Declarant upon which no improvements have been constructed shall be fixed at no more than one-third (1/3) of the assessment rate for other Lots.
Section 7. Date of Commencement of Annual Assessments:
Due Dates. The annual assessments provided for herein shall commence as to all lots on the first day of the month following the date of conveyance of the Common Area to the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period (which unless changed by the Board of Directors shall be the calendar year); provided, however, failure of the Board to fix an assessment within the time provided therefor shall not preclude the Board from thereafter fixing an assessment for the annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto at least thirty (30) days prior to the due date, which shall be established by the Board of Directors. The Association shall, upon request of the Owner or a person authorized by the Owner, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid.

Section 8. Effect of Nonpayment of Assessments:
Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eight percent (8%) per annum. The Association may at its option bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot subject to the delinquent assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or by the Owner's abandonment of the Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and the sale of any Lot pursuant to mortgage foreclosure shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No such foreclosure and sale shall, however, relieve any subsequent Owner of any Lot so foreclosed upon and sold from liability for any assessments on such Lot thereafter becoming due or relieve the Lot from the lien thereof.

ARTICLE V
ARCHITECTURAL CONTROL

No building, fence, wall or other structure or improvement shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography, and compliance with the restrictive covenants herein contained, by the Board of Directors of the Association, or by an architectural committee composed of three (3) representatives appointed by the Board. The Board, or its designated committee, must approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it.
ARTICLE VI
GENERAL RESTRICTIVE COVENANTS

ton pickup truck-camper. All other vehicles, trailers, conveyances, means of transport or mobile housing and mobile or motive equipment of every kind or nature shall be stored in the storage area shown on the plat, or other storage facilities outside the Addition.

(d) No noxious or offensive activity of any kind, including specifically activities productive of noise, odors, or other objectionable manifestations, as determined by the Board of Directors of the Association, shall be conducted or permitted on any of the Lots or Common Area nor shall anything be done which may be or become an annoyance or nuisance to those owning Lots.

(e) Other than the landscaping of the Common Area, and the planting thereof with grasses, shrubbery, trees and flowers and the construction or installation of recreational and related facilities, including a clubhouse and/or swimming pool, no major structures or buildings shall be placed, installed or constructed upon the Common Area by the Association. The clubhouse and/or swimming pool shall not be erected or installed except upon the affirmative vote of two-thirds of both classes of Association members voting in accordance with Article III hereof, and with particular respect to the storm drain easement and Flood Channel shown on the plat of Eastgate Addition, which traverses a Common Area which may be annexed to the Properties at some future time by Declarant in accordance with the subsequent provisions hereof, no structures shall be permitted thereon which are not related to the control of waters therein. No employment of the Common Area, or any lands subsequently annexed hereto as a Common Area, shall be permitted which may be inconsistent with the use thereof as a greenbelt and private park and recreational area for the members of the Association, and their delegates as above provided in Article II hereof.

(f) No exterior clothes lines shall be permitted on any Lot or easement appurtenant thereto, or in the Common Area, and no garments, rags, or other material shall be hung or suspended from any window of any townhouse structure or from the facade of any such structure, nor shall any rugs or other materials be dusted from any window of any townhouse structure nor shall any rug or like material be cleaned by beating the same on any exterior part of any such townhouse structure.

(g) No radio or television aerial or antenna shall be permitted on the exterior of any townhouse structure or upon any easement appurtenant to any Lot.

(h) The Board of Directors of the Association is specifically empowered to enact or enforce such additional rules and regulations, by bylaws or otherwise, as may implement any of the above stated restrictions or to supplement the same by additional restrictions not inconsistent with the foregoing and reasonably intended to further the purposes intended to be served by the fore-
going specific restrictions.

ARTICLE VII
EXTERIOR MAINTENANCE

In addition to maintenance of the Common Area, the Association shall provide exterior maintenance upon each townhouse structure which is subject to assessment hereunder, as follows: paint, repair, replace and care for exterior building surfaces, roofs, gutters, downspouts, driveways, walls, trees, shrubs, grass and other exterior improvements including, but such exterior maintenance shall not include maintenance or replacement of glass surfaces, and shall exclude all mechanical equipment. In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, or any delegate defined in Article II hereof, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such Lot is subject. Provided further that in the event that the need for maintenance or repair is caused by fire or similar hazard or catastrophe and should such fire, or similar hazard or catastrophe cause damage or defacement of the exterior of other neighboring units, the cost of such maintenance and repair both to the individual unit and other neighboring units shall be borne by the unit Owner's Homeowner's insurance policy, which policy is provided for in Article VIII hereof.

ARTICLE VIII
INSURANCE

Section 1. Owner's Insurance. The Association shall purchase a Homeowner's insurance policy for each owner. The coverage of such policy shall afford protection against loss or damage by fire or other hazards covered by a standard extended coverage insurance policy, and such other risks as are customarily covered with respect to buildings similar to buildings on the Properties, such as vandalism and malicious mischief. Such policy shall cover each unit and any damage caused by reason of a fire or other hazard to neighboring units. The minimum amount of such insurance shall be an amount equal to the maximum insurable replacement value of the unit. The insurance policies and endorsements may be deposited with a mortgagee(s) as required, but in any event a certificate of insurance shall be deposited with the Board of Directors of the Association by the Owner.

Section 2. Association's Insurance. The Association shall purchase insurance to cover the following: (1) Public liability in such amounts and with such coverage as shall be required by the Board of Directors of the Association; (2) Such other insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

person to act in his place, and the decision shall be by a majority of all the arbitrators and shall be binding upon the parties to the dispute.

ARTICLE X
GENERAL PROVISIONS

Section 1. Enforcement. The Declarant, the Association, or any Owner, shall have the right to enforce by any proceeding at law or in equity all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this instrument. Failure by the Declarant, Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

The Common Area described in Section 4 of Article I hereof, and any Common Area hereafter annexed to the Properties shall be initially landscaped and planted with grass, trees and shrubbery at the sole cost of Declarant, but Declarant shall not be required to landscape any part of the Common Area not immediately adjacent to improved Lots.

Section 6. Common Area Not Public. The Common Area is not a public area, but is strictly for the use of Association members, and their delegates as hereinabove defined, as a park, recreation area and greenbelt for the exclusive enjoyment of such members and delegates, and nothing in this instrument contained shall in any manner be construed as dedicating any part of the Common Area to the public or for public use, or further use by any other person or persons or entity or entities except those charged with the maintenance and repair of any utility services, or storm sewers in easements for such service facilities or storm sewers as may be located in the Properties and shown on the plat thereof, and then only for the purpose of maintaining and repairing the same.

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1: Creation of the Lien and Personal Obligation of
Assessments. Each Owner of any Lot and any such Owner’s heirs,
successors or assigns, by acceptance of a deed to any Lot or by
execution of a contract to purchase the same, whether or not it
shall be so expressed in such deed contract, shall be deemed to
covenant and agree to pay to the Association: (1) annual assessments
or charges, and (2) special assessments for capital improvements,
such assessments to be established and collected as hereinafter
provided. The annual and special assessments, together with interest,
costs, and reasonable attorney’s fees, shall be a charge on the Lot
and shall be continuing lien upon the Lot against which each such
assessment is made. Each such assessment, together with interest,
costs, and reasonable attorney’s fees, shall also be the personal
obligation of the person who was the Owner of such property at the
time the assessment became due and payable. The personal obligation
for delinquent assessments shall not pass to Owner’s successors in
title unless expressly assumed by them, but the lien thereof shall
in any event remain as a charge against the Lot, the transfer of such Lot notwithstanding.

Section 2: Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area, and of the exterior of the residential units situated upon the Lots.

Section 3: Maximum Annual Assessment.
(a) The maximum annual assessment may be increased each year not more than 10% above the maximum assessment for the previous year without a vote of the membership.

(b) The maximum annual assessment may be increased above 10% by a vote of two-thirds of the members voting in person or by proxy at a meeting duly called for such purpose.

(c) The Board of Directors of the Association shall fix the annual assessment at an amount not in excess of the maximum.

Section 4: Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the members voting in person or by proxy at a meeting duly called for such purpose.

Section 5: Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 1(a) of Article II, or Sections 3 or 4 of this Article, shall be sent to all members not less than 10 days nor more than 30 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the
subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 7: Annual Assessments. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period (which, unless changed by the Board of Directors, shall be the calendar year); provided, however, failure of the Board to fix an assessment within the time provided therefor shall not preclude the Board from there-after fixing an assessment for the annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto at least thirty (30) days prior to the due date, which shall be established by the Board of Directors. The Association shall, upon request of the Owner or a person authorized by the Owner, and for a reasonable charge, furnish a certificate signed by an Officer of the Association setting forth whether the assessments on a specified lot have been paid.

Section 8: Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of one and one-half percent (1 1/2%) per month. The Association may at its option bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot subject to the delinquent assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or by the Owner's abandonment of the Lot.

Section 9: Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and the sale of any Lot pursuant to mortgage foreclosure shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No
such foreclosure and sale shall, however, relieve any subsequent
Owner of any Lot so foreclosed upon and sold from liability for any
assessments on such Lot thereafter becoming due or relieve the Lot
from the lien thereof.

ARTICLE V

No building, fence, wall or other structure or improvement
shall be commenced, erected or maintained upon the Properties, nor

improvements, but shall exclude all mechanical equipment. In the
event that the need for maintenance or repair is caused through the
willful or negligent act of the Owner, the cost of such maintenance
or repairs shall be added to and become a part of the assessment to
which such Lot is subject. Provided further that in the event that
the need for maintenance or repair is caused by fire or similar hazard
or catastrophe and should such fire, or similar hazard or catastrophe
