PART C. RESIDENTIAL AREA COVENANTS

C-1. Land Use and Building Type

No lot shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any lot other than one detached single-family dwelling not to exceed two stories in height and a private garage for not more than two cars.

C-1.a Multiple Unit

Building type in this area may be single or multiple unit attached duplex, triplex or fourplex but not to exceed a four-family structure of 35 feet in height (if two-story) and garage or garages for not more than four cars.

C-2 Architectural Control

No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the architectural control committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence, hedge or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line. There shall be no front yard fencing, hedges or walls.

C-3 Dwelling Cost, Quality and Size

No dwelling shall be permitted on any lot at a cost of less than \$8,500.00, based upon cost levels prevailing on the date these covenants are recorded, it being the intention and purpose of the covenant to assure that all dwellings shall be of a quality of workmanship and materials substantially the same or better than that which can be produced on the date these covenants are recorded at the minimum cost stated herein for the minimum permitted dwelling size. The ground floor area of the main structure, exclusive of one-story open porches and garages, shall be not less than 720 square feet for a one-story dwelling, nor less than 720 square feet for a dwelling of more than one story.

C-3.a Floor Area per Multiple Unit

The floor area per unit of multiple unit dwellings or apartments shall not be less than 600 square feet.

The front setback for any multiple unit dwelling shall be a minimum of 20 feet.

C-4. Building Location

No building shall be located on any lot nearer than 25 feet to the front lot line, or nearer than 15 feet to any side street line. No building shall be located nearer than five feet to an interior lot line, except that no side yard shall be required for a garage or other permitted accessory building located 35 feet or more from the minimum building setback line. No building shall be located on any interior lot nearer than 25 feet to the rear lot line. In event a house is turned on a corner lot to face the side street, the setback shall not be less than 25 feet from each street. For the purposes of this covenant, eaves, steps and open porches shall not be considered as a part of a building; provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot.

C-5. Lot Area and Width

No dwelling shall be erected or placed on any lot having a width of less than 60 feet at the minimum building setback line, nor shall any dwelling be erected or placed on any lot having an area of less than 5,800 square feet.

C-6. Easements

Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat and over the rear five feet of each lot; also sewer line easement over the south five feet of Lot 142.

C-7. Nuisances

No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

C-8. Temporary Structures

No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently. All construction shall be new excepting used brick, and no building or buildings may be moved from another location to any site within this subdivision.

C-9. Signs

No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than one square foot, one sign of not more than five square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.

C-10. Oil and Mining Operations

No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

C-11. Livestock and Poultry

No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose.

C-12. Garbage and Refuse Disposal

No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

PART G. ARCHITECTURAL CONTROL COMMITTEE

G-1. Membership

The architectural control committee is composed of

W.G. Specht	1209 South Beverly Casper, Wyoming
Robert A. Galley	1209 South Beverly Casper, Wyoming
Donald E. Chapin	514 First National Bank Building Casper, Wyoming

A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. At any time, the then record owners of a majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.

G-2. Procedure

The committee's approval or disapproval as required in these covenants shall be in writing. The committee or its designated representative shall, within thirty days or as soon thereafter as is practicable, approve or disapprove any plans and specifications submitted to it or him in writing. The failure of such representative to approve or disapprove any proposed building plan shall not in any way relieve the owners or the builder from their legal responsibility to comply with the covenants, conditions and restrictions contained herein.

PART H. GENERAL PROVISIONS

H-1. Term

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty-five years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.
