The annual and special assessments, together with interest, costs and reasonable attorney’s fees, shall constitute a charge on the land and shall be a continuing lien upon the tract (being deemed to be each tract shown on the original Subdivision plat) against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney’s fees, shall also be the personal obligation of the owner of the tract at the time the assessment was due. The personal obligation for delinquent assessments shall not pass to
his successors in title unless expressly assumed by them, though the lien shall, in any event, continue as a charge against the tract despite a transfer of title.

2. Purpose of Assessment: The assessments levied by the Association shall be used exclusively to maintain, repair, or rebuild roads, drainage ditches and easements for the welfare of owners in the addition and other adjoining property.

3. Maximum Assessment: Until September 1, 1976, Teton Exploration Drilling Company shall bear all costs of road maintenance. From and after September 1, 1976, the maximum assessment will be determined from the total cost of maintenance or improvements, divided by the number of Tracts being serviced by that road. Tracts 1 thru 6 inclusive shall bear the expense of maintenance and improvements to Energy Lane. Tracts 7 thru 20 inclusive shall bear the expense of maintenance and improvements to Prospector Drive and that portion of Link lying East of the boundary of Teton Terraces and the Dowler Subdivision.

If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the meeting originally called for such purpose.

6. Effect of Nonpayment of Assessments: Remedies of the Association: Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 8 percent per annum. The Association may, at its option, bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his tract.

7. Subordination of the Lien to Mortgages: The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any tract shall not affect the assessment lien. However, the sale or transfer of any tract pursuant to mortgage foreclosure or any
proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer shall relieve such tract from liability for any assessments thereafter becoming due or from the lien thereof.
