WATER AND SEWER CONTRACT

THIS CONTRACT, made and entered into this 28th day of December, 1981, by and between the BOARD OF PUBLIC UTILITIES OF THE CITY OF CASPER, WYOMING ("Board"), and Heritage Homes of Nebraska, Inc., referred to as ("Owner");

WITNESSETH:

WHEREAS, it is the mutual desire of the parties hereto to provide for the construction of proper and adequate water lines and sewer lines to service Heritage ("Addition") to the City of Casper ("City"), the plat of which is to be presented to the Mayor and Council of the City for approval, conditioned on the execution of this contract, and a separate contract between the City and Owner relating to the construction of certain special improvements in said Addition;

NOW, THEREFORE, IT IS HEREBY AGREED:

1. The Owner shall extend the City's water mains and distribution system from existing mains up to and through the subdivision. All work shall be in accordance with plans and specifications to be prepared by the Owner's engineer and approved by the Board. Water mains and sizes shall be determined by the Board.

All work shall be at the expense of the Owner except that upon final completion and acceptance of the work by the Board, the Board shall reimburse the Owner the costs of water line materials in excess of the materials cost for an 8-inch system. Such excess costs will be determined by the Board based upon its most recent applicable materials cost at the time of contract execution.

At the time the water lines are extended through the Addition, the Owner shall install water service lines and curb boxes, in accordance with Board standards, to serve each lot or building site in the Addition. Curb boxes shall be left near the property line in front of each lot and the Owner shall protect, during the subsequent course of developing the Addition, valve boxes and curb boxes from damage and be wholly responsible for the repair and replacement to the Board's satisfaction of such that are damaged or
destroyed. If Owner shall fail or refuse to promptly repair or replace such boxes as required, the Board may do so and deduct the cost thereof from the Board’s oversizing contribution or, alternately, charge Owner directly for said cost. Owner shall adjust said valve and curb boxes to finished grade, at the time the paving work is completed in the Addition.

2. Owner shall construct the necessary sewer lines to and through the Addition. All work shall be in accordance with plans and specifications to be prepared by the Owner’s engineer and approved by the Board. Sewer sizes shall be as determined by the Board. Owner, at its own cost shall install sewer service lines, in accordance with Board specifications, to the property line so as to serve each lot or building site in the Addition.

Owner shall protect manhole covers and rings from damage in the course of constructing the line and shall be solely responsible for repair or replacement to the Board’s satisfaction. If Owner fails, refuses or neglects to repair or replace said damaged items, the Board may do so and deduct the cost thereof from the Board’s oversizing contribution or, alternately, charge Owner directly for said cost. Owner shall adjust such manhole rings and covers to finished grade. Owner agrees to protect and save the Board harmless from any loss or claim suffered by other sewer users to their real or personal property and from personal injury or damages by reason of obstruction or damage to the sewer lines or any part thereof occasioned by present or future construction work on said Addition by Owner, and said obligation shall continue until the sewer line and the system within the Addition is accepted by the Board’s representatives, provided, however, that acceptance of part of the system shall not relieve Owner of the obligations herein imposed in the event of damage by reason of future sewer construction within said Addition.

At such time as said sewer line is completed by Owner and the cost thereof fully paid and the work is accepted by the Board, the Board shall reimburse the owner the costs of sewer line materials in excess of the material cost of the eight-inch sewer system.
3. In the event water and sewer mains are existing in streets adjacent to the Addition, and the cost of such lines was not borne by the present or previous owners of the Addition, the Owner agrees to pay the then current street lateral charge for each lot prior to connecting to said water and sewer mains. The Board will install water and sewer service lines and curb boxes to connect to existing water and sewer lines at the request of the Owner in accordance with the then prevailing costs and procedures.

4. Prior to the issuance of a building permit for any new structure, or prior to the issuance of a plumbing permit to connect existing buildings to the water or sewer systems, the then existing water connection charge, sewer connection charge, and water meter charge shall be paid to the Board.

5. The Owner agrees that he shall make necessary provisions so that each building in the Addition shall install the following water saving devices: pressure reducing valve limiting pressure to a maximum of 60 psi, toilets with a maximum flush of 3½ gallons, aerators (which provide for a maximum flow of 1.0 gpm) on all bathroom sinks and water saving shower heads to limit flows to a maximum of 3.0 gpm. Water and sewer service will not be provided to any building not meeting these requirements.

6. All necessary easements up to and through the subdivision shall be obtained by the Owner. Owner promptly shall deliver easements in form acceptable for recording, wherever reasonably required for the purposes of enabling the Board to install, maintain and repair its sewer lines, water lines and fire hydrants.

7. No occupancy of buildings in the Addition will be made until acceptance of the water and sewer system by the Board. Before acceptance will be made the final operational inspection shall be performed and as-built drawings, including location of water and sewer service lines, shall be provided.
8. This entire agreement shall be binding upon the current owner and all heirs, successors in interest, and assigns.

EXECUTED the day and year first above written.

1) Annual assessments or charges, and 2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. Each such assessment, together with interest, costs and a reasonable attorney's fee, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successor in title unless expressly assumed by them.

No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his unit.

Sale or transfer of any unit shall not affect the lien. However, the sale or transfer of any unit pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such unit from liability for any assessments thereafter becoming due or from the lien thereof.

shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section No. 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section No. 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section No. 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section No. 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section No. 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators.

ARTICLE VII
GENERAL PROVISIONS

Section No. 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this declaration. Failure by the Association or by any Owner to enforce any covenant or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section No. 3. Amendment. The covenants and restrictions of this declaration shall run with and bind the land, for a term of twenty (20) years from the date this declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. Any amendment must be recorded.

Section No. 4. Annexation. Additional residential properties and Common Areas may be annexed to the Properties with the consent of two-thirds of each class of members.
Section No. 5. FHA/VA Approval. shall be appurtenant to and shall pass with the title to every Unit, subject
to the following provisions:

(a) the right of the Association to charge reasonable
admission and other fees for the use of any recreational facility situated
upon the Common Area;

(b) the right of the Association to suspend the voting rights

instrument agreeing to such dedication or transfer signed by two-thirds of
each class of members has been recorded.

Section No. 2. Delegation of Use. Any owner may delegate,
in accordance with the By-Laws, his right of enjoyment to the Common Area
and facilities to the members of his family, his tenants, or contract purchasers
who reside on the property.

MEMBERSHIP AND VOTING RIGHTS

Section No. 1. Every owner of a unit which is subject to
assessment shall be a member of the Association. Membership shall be

Class A. Class A members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each unit owned. The vote for such unit shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any unit.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section No. 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each unit owned within the Properties, hereby covenants, and each Owner of any Unit by acceptance of a deed therefor, whether or not it shall so be expressed in such deed, is deemed to covenant and agree to pay to the Association: 1) annual assessments or charges, and 2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and a reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successor in title unless expressly assumed by them.

Section No. 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area.

Section No. 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first unit to an Owner, the maximum annual assessment shall be Three Hundred Sixty Dollars ($360.00) per Unit.

(a) From and after January 1 of the year immediately following the conveyance of the first unit to an Owner, the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first unit to an Owner, the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessments at an amount not in excess of the maximum.
Section No. 4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including furnishings and personal property related thereto, provided that any such assessment shall have the assent of two-thirds of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section No. 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4 of This Article. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 and 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all of the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements, and the quorum quorum at the subsequent meeting shall be one-half of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section No. 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all units and may be collected on a monthly basis.

Section No. 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all units on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the numbers of months remaining in the calendar year. The board of directors shall fix the amount of the annual assessment against each unit at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the board of directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specific unit have been paid. A properly executed certificate on a unit is binding upon the Association as of the date of its issuance.

Section No. 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his unit.

Section No. 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any unit shall not affect the assessment lien. However, the sale or transfer of any unit pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such unit from liability for any assessments thereafter becoming due or from the lien thereof.
ARTICLE V

ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the board of directors of the Association, or by an architectural committee composed of three or more representatives appointed by the board. In the event that said board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

Section No. 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section No. 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section No. 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.
