- (a) The right of the Association to charge reasonable fees for the use and maintenance of the common area or any part thereof.

120 N. Center Street • Casper, WY 82601 • (307) 237-8486

(b) The right of the Association to suspend voting rights of, and the use of any of the common area, by an owner for any period during which any assessment against the owner's tract is due but unpaid. Utilization of the common area and suspension of voting rights may be enforced for a period not to exceed sixty (60) days and for any infraction of the published rules and regulations of the Association.

(c) The right of the Association to dedicate or transfer all or any part of the common area to any public agency, authority, or utility for such purposes and upon such conditions as agreed to by the members of the Association. Provided, however, no such dedication or transfer shall be effective unless a resolution has been adopted by two-thirds of each class of members who cast votes in person or in proxy at a meeting duly called for such purpose.

2. Delegation of Use: Any owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Area to the members of his family, his tenants, invitees, customers, guests or contract purchasers.

ARTICLE IV

1. Every Owner of a tract which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any tract which is subject to assessment.

2. The Association shall have two classes of voting membership:

Class A. Class A members shall be all owners with the exception of Interchange Investment Company and shall be entitled to one vote for each tract owned. When more than one person holds an interest in any tract, all such persons shall be members; provided, however, there shall exist only one vote for each tract which vote shall be exercised as the owners of the tract determine.

Class B. The Class B members shall be Interchange Investment Company and Interchange Investment Company shall be entitled to three (3) votes for each tract owned. The Class B membership shall cease and be converted to Class A membership (i.e. one vote for each tract owned) on the happening of either of the following events, whichever occurs earlier:

- (a) when the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership, or
- (b) on the 1st day of January, 1981, or
- (c) in the event that Interchange Investment Company retains tracts within the subdivision for development purposes, each such tract, when development is completed, will obtain Class A status under Interchange Investment Company ownership if such development occurs before 1981.

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

1. Creation of the Lien and Personal Obligation of Assessments.

Landowners, for each tract owned by it within the properties, hereby covenants, and the owner of each tract, his heirs, successors and assigns, by acceptance of a deed or execution of a contract to purchase thereof, whether or not expressed in such deed or contract, is and shall be deemed to covenant and agree to pay the Association:

- (1) annual assessments or charges, and
- (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall constitute a charge on the land and shall be a continuing lien upon the tract (being deemed to be each tract shown on the original Subdivision plat) against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner of the tract at the time the assessment is due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them, though the lien shall, in any event, continue as a charge against the tract despite a transfer of title.

2. Purpose of Assessment: The assessment levied by the Association shall be used exclusively to maintain, repair, or rebuild roads, drainage ditches and easements including that certain county road referred to on the plat as Revenue Boulevard and which extends from the Subdivision in a westerly direction parallel to the north boundary line of the NE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 31 and the NW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 32, T34N, R79W, 6th P.M., Natrona County, Wyoming until it intersects with the old Salt Creek Highway; all of which are for the welfare of owners in the Subdivision and any other property brought into the Subdivision in the future.

It is recognized that that portion of Revenue Boulevard which is comprised of a county road is bordered by property which is not a part of Interstate Industrial Park, and therefore the Interstate Owner's Association is unable to assess those property owners for their share of the maintenance of the road. In the event, however, that any or all of said owners contribute their proportionate share of the maintenance of such county road, in whole or in part, then the assessments of the Association members for such road shall be reduced accordingly.

3. Maximum Annual Assessment: Until such time as Seventy-five percent (75%) of the tracts of said property are sold by Interchange Investment Company, it shall bear all costs of road maintenance.

- (a) From and after such time, the maximum annual assessment will be \$60.00 per acre per year and may be increased each year not more than 6% above the maximum assessment for the previous year without a vote for the membership.
- (b) From and after such time, the maximum annual assessment may be increased above 6% by a vote of two-thirds (2/3) of each class of members who cast votes in person or by proxy at a meeting duly called for this purpose.
- (c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

4. Special Assessments for Capital Improvements: In addition to the annual assessment authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the common area, including the county road known as Revenue Boulevard described in Paragraph 2 above and including fixtures and personal property related thereto, provided that any such assessment for capital improvements shall have the assent of two-thirds (2/3) of the votes of each class of membership who cast votes in person or by proxy at a meeting duly called for this purpose.

5. Notice and Quorum for Any Action Authorized Under Sections 1, 2, 3, and 4: Written notice of any meeting called for the purpose of taking any action authorized under Section 1, 2, 3, or 4, above, shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all of the votes of each class of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the meeting originally called for such purpose.

Compliments of:
FIRST AMERICAN TITLE INSURANCE CO., INC.
120 N. Center Street • Casper, WY 82601 • (307) 237-8486

Restrictions indicating a preference, limitation or discrimination based on race, color, religion, sex, handicap, familial status, or national origin are hereby deleted to the extent such restrictions violate 42 USC 3604(c).

6. Uniform Rate of Assessment: Both annual and special assessments must be fixed at a uniform rate, except as hereinafter provided, for all tracts and may be collected on a monthly basis or such other basis as agreed upon by the Board of Directors. It is further provided that the assessment for all tracts owned by Interchange Investment Company upon which no improvements have been constructed shall be fixed at no more than one-third (1/3) of the assessment rate for other tracts until January 1, 1981.

7. Date of Commencement of Annual Assessments: Due Dates: The annual assessments provided for herein shall commence January 1, 1976. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each tract at least thirty (30) days in advance of each annual assessment period (which unless changed by the Board of Directors shall be the calendar year); provided, however, failure of the Board of Directors to fix an assessment within the time provided therefor shall not preclude the Board thereafter fixing an assessment for the annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto at least thirty (30) days prior to the due date. The due dates shall be established by the Board of Directors. The Association shall, upon demand of the Owner or a person authorized by the owner, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified tract have been paid.

8. Effect of Non-payment of Assessments: Remedies of the Association: Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 8 percent per annum. The Association may at its option bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his tract.

9. Subordination of the Lien to Mortgages: The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any tract shall not affect the assessment lien. However, the sale or transfer of any tract pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer shall relieve such tract from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE VI
GENERAL RESTRICTION ON ALL TRACTS IN SUBDIVISION

Zoning Regulations: No land within the Subdivision shall be occupied, used by, or for, any structure or purpose which is contrary to the zoning regulations of Natrona County, Wyoming.

- (a) Fence rows shall be kept clean and clear of weeds, trash and debris and by each owner of each tract.
- (b) Noxious weeds shall not be permitted to exist or flourish unchecked but diligent action toward their eradication must be taken on discovery of their presence.
- (c) Drainage ditches shall be kept clear, open and in good condition at all times when use of the said ditches for any purpose shall be desirable. The duty of opening and maintaining in proper condition such ditches shall be the duty of each owner and for the benefit of his own tract and the tracts of the other owners served thereby.

- (g) No junk yards or any uses inconsistent with the General Industrial Use as defined and set forth in Resolution Number 38-172 of the Board of Commissioners of Natrona County, Wyoming, adopted September 15, 1972 and filed on April 22, 1975 (File No. 169021) in the office of the County Clerk, Natrona County, Wyoming shall be permitted to exist.
- (h) Tracts 1 through 5, inclusive, are adjacent to Interstate Highway 25 and the Interstate 25 bypass, and each owner of such lots shall, at his own expense, construct a woven wire fence along the boundary of each such lot facing said highway. Said fence shall be six (6) feet in height and the posts shall be set in concrete. Those portions of lots facing said highway shall be maintained in a clean and orderly manner and owners shall not allow trash or debris to build up along the required fences.

- (j) Owner shall, at his own expense, install a culvert with a minimum size of 18 inches in diameter in each entrance to his property.

2. Building and Construction Requirements and Restrictions: All sewer systems and water systems on the said tracts shall be subject to Natrona County and State of Wyoming rules, regulations and laws.

3. Water: Interchange Investment Company has entered into an agreement with the Wardwell Water and Sewer District (District) wherein District has agreed to furnish water to the Subdivision upon certain conditions. One of these conditions is that a tap fee in the amount of One Thousand Five Hundred Dollars (\$1,500.00) must be paid by owner or developer to the District for each tap.

Interchange Investment Company will pay all costs for bringing the water and lines to the Subdivision and, until and including the year 1981, will pay the initial tap fee of \$1,500.00 for each tract; provided, however, that in no event will Interchange Investment Company pay for more than one tap fee for each tract as set forth in the plat of the subdivision. Each owner shall be responsible for any additional taps and tap fees for each such tract as well as any charges for use of water and such use shall not exceed 30,000 gallons per month per tap during peak use periods for commercial usage. Pursuant to said agreement, any water in excess of 30,000 gallons per month per tap shall be purchased by owner at a rate of One Thousand Five Hundred Dollars (\$1,500.00) for each additional 30,000 gallons per month or any portion thereof.

The Association shall, after such transfer, assume all responsibilities and obligations of maintenance and improvement of roads, drives and lanes until such time as the same may be transferred to and accepted by Natrona County, Wyoming or such other duly constituted governmental agency as may take over such roads for public purposes.

ARTICLE IX
ENFORCEMENT

1. Enforcement Actions: The Board of Directors shall have the right to prosecute any action enforcing the provisions of all covenants by injunctive relief, on behalf of itself and all or part of the Interstate Industrial Park owners. In addition, each owner shall have the right to prosecute for injunctive relief and for damages by reason of any covenant violation.

2. Limitations on Action: In the event any construction, alteration or site landscape work is commenced upon any portion of the Subdivision in violation of these covenants and no action is commenced to restrain such violation within thirty (30) days after the violation if recognizable, then injunctive or equitable relief shall be denied, but action for damages shall still be available to any party aggrieved. Said thirty (30) day limitation shall not apply to injunctive or equitable relief against other violations of these covenants.

ARTICLE X
GENERAL PROVISIONS

1. Severability: Should any part or parts of these covenants be declared invalid or unenforceable by any court of competent jurisdiction, such decision shall not affect the validity of the remaining covenants.

Any such amendment shall be ineffective until it shall have been placed of record in the office of the County Clerk, Natrona County, Wyoming.
