All garbage containers shall be
completely enclosed and covered at all times.

3. No tents, house trailers or other temporary living quarters, or shed or temporary building of any kind shall be moved on, set up or built on any lot; provided, however, that temporary sheds or shelters erected by building contractors or builders of residences shall be permitted during the period of construction of a residence or other permitted building, but in no event for a period longer than one year.

The term of each such person so elected at such annual meeting shall be for a period of three years and until his successor is elected and qualified, or for the balance of the term of office of the former member whose position has been vacated. Removal from the subdivision, death or resignation of any member shall create a vacancy in the committee, which vacancy shall be filled until the next annual meeting of owners by the concurrence of the remaining members of the committee. Any member may be reelected and may succeed himself. Each lot in the subdivision shall have one vote in each annual election, the same to be cast by the owners thereof, or their agent or proxy duly appointed.
