MARY ANN COLLINS
RECORDED

KNOW ALL MEN BY THESE PRESENTS:

Bret A. Erickson, Et Al being the owner of Mountain Vista 1, and herein referred to as "Owner", a subdivision in the City of Casper, Natrona County, Wyoming, the plat thereof being filed in the office of the County Clerk of Natrona County on the 20 day of May, 1998, has established a general plan for the improvements and development of such premises, and does hereby establish the covenants, conditions, reservations and restrictions upon which, and subject to which, all Lots and portions thereof within Blocks 1 through 6 inclusive, shall be improved or sold and conveyed by it, as owner thereof. Each and everyone of these covenants, conditions, restrictions and reservations is, and all are, for the benefit of each owner of land within said Blocks or any interest therein, and shall inure to, and pass with, each and every parcel within said Blocks and shall apply and bind all subsequent owners thereof, except as otherwise provided herein. These covenants, conditions, reservations and restrictions are, and each thereof is, imposed upon such Lots, all of which are to be construed as covenants running with the title of such Lots, and with each and every parcel thereof and within said Blocks, to-wit:

1. Such Lots, and each and everyone thereof, except as otherwise provided herein, are for single-family residential purposes. No building shall be erected, altered, placed or permitted to remain on any Lot other than one detached, single-family dwelling, not to exceed two stories in height, together with a private garage for not more than three motor vehicles. This provision shall not prevent the combination of two or more adjoining Lots for one such dwelling.

2. No building shall be erected, placed or altered on any building Lot until the construction plans and specifications and a plan showing the location of the structure have been approved by "Owner" as to the quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed or altered on any building Lot nearer to any street than the minimum building set back line unless similarly approved. "Owners" approval or disapproval as required in these covenants shall be in writing. In the event "Owners", or his designated representative, fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with. "Owners" shall not be responsible in any manner whatsoever for any defect in any plans or specifications submitted, or as revised, or for any work done pursuant to any requested changes to said plans and specifications.

3. The ground floor area of the main structure of any residential building, exclusive of one-story open porches and garages, shall be not less than 1,200 square feet for a one-story building, provided, however, that in the erection of the tri-level, garden-level and split entry residences, the minimum applied to the two upper levels or the main floor or the first floor, whichever is applicable, shall be not less than 650 square feet, with a minimum square footage of overall finished living space, as hereinabove set forth.

4. No business uses or activities of any kind shall be permitted or conducted on any Lot, Lots, or portions thereof, except as otherwise provided herein.
