1.1 Such lots shall be used exclusively for residential purposes; no building or structure shall be erected, placed, or be permitted to remain on any such lot other than one private, single-family dwelling specifically designed for the use and occupancy of one family, together with an attached or detached garage.

1.2 No manufacturing, commercial, business, or other enterprises, including any religious undertaking or activity of whatsoever kind or nature including churches and religious meeting or gathering places whether or not conducted for profit, shall be operated, maintained, or conducted on any such lot or in any structure erected or placed therein; nor shall any structure therein or any part thereof be used as a boarding or rooming house; nor shall any extractive operation for mineral or oil and gas development of any kind be conducted or permitted thereon; nor shall any signs, billboards, or advertising devices (except suitable signs used to facilitate the sale thereof) be erected, placed, or be permitted to remain on any such lot.
