which each such assessment is made. Each such assessment, together
with interest, costs and reasonable attorney's fees, shall also be
the personal obligation of the owner of the tract at the time the

to fix an assessment within the time provided therefor shall not
preclude the Board thereafter fixing an assessment for the annual
assessment period. Written notice of the annual assessment shall be
sent to every owner subject thereto at least thirty (30) days prior
to the due date. The due dates shall be established by the Board of
Directors. The Association shall, upon demand of the owner or a
