RESTRICTIVE COVENANTS
TRACTS ONE AND TWO, RESUBDIVISION
SOUTH GARDEN CREEK ACRES NO. 3, NATRONA COUNTY, WYOMING

WHEREAS, M. J. Wallway and Beatrice E. Wallway are the owners of Tracts 1 and 2, Resubdivision South Garden Creek Acres No. 3, Natrona County, Wyoming, and desire to establish on said two tracts an exclusive residential district wherein the construction and use of dwelling houses shall conform to certain minimum requirements, and each home owner, in consideration of his compliance with such requirements, shall be protected against violation thereof by any other home owner;

NOW, THEREFORE, In consideration of the premises, the undersigned, M. J. Wallway and Beatrice E. Wallway, do hereby impose upon said Tracts 1 and 2 in said Addition, the following protective covenants and restrictions, to-wit:

(a) No structure shall be erected, altered, placed or permitted to remain on said Tracts 1 and 2, other than one detached single-family dwelling or one semi-detached single-family dwelling, not to exceed two stories in height and a private garage for not more than three cars, or other buildings approved by a committee set out below.

(b) No building shall be erected, placed or altered on said Tracts 1 and 2 until the building plans, specifications and plot plan showing the location of such building have been approved in writing as to conformity and harmony of external design with existing structures in the remainder of the subdivision consisting of Tracts 3 to 11, inclusive, and as to location of the building with respect to topography and finished ground elevation, by a committee composed of three resident members of this subdivision (the committee to be elected by the residents of the subdivision), or by a representative designated by a majority of the members of said committee. In the event of death or resignation of any member of said committee, the remaining member or members shall have full authority to approve or disapprove such design and location, or to designate a representative with like authority. In the event said committee, or its designated representative, fails to approve or disapprove such design and location within 30 days after said plans and specifications have been submitted to it, or in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. Neither the members of such committee, nor its designated representative, shall be entitled to any compensation for services performed pursuant to this covenant. The powers and duties of such committee, and of its designated representative, shall cease on and after January 1, 1963. Thereafter, the approval described in this covenant shall not be required unless, prior to said date and effective thereon, a written instrument shall be executed by the then record owners of a majority of the lots in said subdivision and duly recorded, appointing a representative or representatives, who shall thereafter exercise the same powers previously exercised by said committee.
(c) No building shall be located on said Tracts 1 and 2 nearer than 35 feet to the front lot line. Prior to starting construction on either of these tracts, plot plan showing proposed set back of dwelling shall be submitted to the committee referred to in clause (b) for their written approval.

(d) These two tracts shall not be subdivided by an owner without written approval of the committee referred to in clause (b).

(e) No store, shop, repair shop, storage or repair garage, restaurant, dance hall, or other public place of amusement, or any similar business or commercial enterprise shall be carried on or conducted upon either Tract 1 or 2, nor shall anything be done on said tracts which may be an annoyance or nuisance to the neighborhood.

(f) No trailer, basement, tent, shack, garage, barn or other outbuilding erected on either of said two tracts shall at any time be used as a residence, temporarily or permanently, nor shall any structure of a temporary character be used as a residence.

(g) No dwelling shall be permitted on either of said two tracts, of which the ground floor area of the main structure, is less than 1400 square feet in the case of a one story structure, exclusive of garage, nor less than 1000 square feet in the case of a one and one-half story or two story structure, exclusive of garage.

(h) Sewage and other utility easements affecting the two tracts are reserved at the discretion of the committee.

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 1963, at which time said covenants shall be automatically extended for successive periods of 10 years unless by vote of a majority of the then owners of the lots it is agreed to change said covenants in whole or in part.

If the parties hereto, or any of them, or their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said development or subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

WITNESS the hands of the parties hereto this 2nd day of May, 1955.
