WESTWOOD ADDITION NO. 3 BUILDING RESTRICTIONS

WHEREAS, The Westwood Development Company, a Partnership, is the owner of Lots 614 to 627 inclusive in Westwood No. 3, an Addition to the City of Casper, Natrona County, Wyoming, and desires to establish in said addition a district wherein the construction and use of the land shall conform to certain minimum requirements, and each owner, in consideration of his compliance with such requirements, shall be protected against violation thereof by any other owner:

NOW, THEREFORE, in consideration of the premises, the undersigned Westwood Development Company, a Partnership, does hereby impose upon said lots in Westwood No. 3, an Addition to the City of Casper, Natrona County, Wyoming, the following protective covenants and restrictions, to-wit:

(a) No structure shall be erected, altered, placed or permitted to remain on Lots 618 to 625 inclusive other than a one family dwelling, a multiple family dwelling or an apartment house.

(b) Lots 616, 617, 626 and 627 are reserved for commercial use.

(c) No building, dwelling or apartment house shall be erected, placed or altered on any building site in said addition until the building plans, specifications and plot plan showing the location of such building have been approved in writing as to conformity and harmony of external design with existing structures in the subdivision, and as to location of the building with respect to topography and finished ground elevation by a committee composed of H. J. Clark, Jr., W. H. Currence, and C. R. McDowell or by a representative designated by a majority of the members of said committee. In the event of death or resignation of any member of said committee, the remaining member or members shall have full authority to approve or disapprove such design and location, or to designate a representative with like authority. In the event such committee, or its designated representative, fails to approve or disapprove such design and location within 30 days after said plans and specifications have been submitted to it, or, in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. The powers and duties of such committee, and of its designated representative, shall cease on and after January 1, 1983. Thereafter, the approval described in this covenant shall not be required unless, prior to said date and effective thereon a written instrument shall be executed by the then record owners of a majority of the lots in this subdivision and duly recorded, appointing a representative or representatives, who shall thereafter exercise the same powers previously exercised by said committee.

(d) No building, dwelling, or apartment house so located on any of the above mentioned lots shall be located nearer than 20 feet to the street property line of said street. (e) Yard fences may extend only from the rear of any lot to the front or side setback line; and there shall be no front yard fencing.

(f) No trailer, basement, tent, shack, garage, barn or other outbuilding other than guest houses and servants quarters erected on a building site covered by these covenants shall at any time be used for human habitation temporarily or permanently, nor shall any structure of temporary character be used for human habitation.
