An "Owner" shall mean all of the owners of a particular Lot collectively and shall be jointly regarded as a single owner for purposes of this Declaration. Any owner of an equity interest of record in a Lot, and any partner, officer or shareholder of an entity which is an Owner of record, may be treated by the Association as the representative of all the Ownership of such Lot for purposes of giving notices, voting and other matters.

ARTICLE II

THE ASSOCIATION

Section 1. Membership. Every Owner shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from Ownership of any Lot, and Ownership of a Lot shall be the sole qualification for Membership. Each Ownership shall constitute one Member.

Section 2. Voting. Voting by Members of the Association upon any matter allowing or requiring a vote of Members shall be as follows: there shall be one (1) vote allowed for each Lot. If an Owner includes more than one person and/or entity, the vote for said Member shall be cast in such manner as the persons and/or entities constituting the same shall determine, but the decision of the Management Committee as to the authority conferred upon one or more Owners or other representatives by the Ownership in casting the one vote of the Ownership shall be conclusive and binding.

Section 3. Management Committee. (a) The administration of the Property on behalf of the Association shall be conducted by a board of directors, which is referred to herein as the Management Committee, consisting of up to five natural persons (or such lesser number as may be determined by the Declarant pursuant to paragraph (j) below), who are not required to be Owners and shall not be required to be residents of the State of Wyoming.

(b) At each annual meeting of the Association, subject to the provisions of paragraph (j) below, the Association shall elect members to fill any vacancies on the Management Committee.

(c) Each Member of the Management Committee shall serve for a term of two (2) years. The members of the Management Committee shall serve until their respective successors are elected, or until their earlier death, resignation, or removal. Any member of the Management Committee may resign at any time by giving written notice to the Association. Any member of the Management Committee may be removed from membership on the Management Committee by a two-thirds majority vote of a quorum of the Association. Whenever there shall occur a vacancy on the Management

Committee due to death, resignation, removal or any other cause, the remaining members of the Committee shall appoint a successor member to serve until the next annual meeting of the Association, at which time said vacancy shall be filled by the Association for the unexpired term, if any. If no such successor is appointed due to a deadlock between the remaining Committee members, a special meeting of Members may be called by any Management Committee member to elect a successor.

(d) The members of the Management Committee shall receive no compensation for their services, other than reimbursement of expenses, unless expressly approved by a majority of a quorum of the Association; provided, however, that any member of the Management Committee may be employed by the Association in another capacity and receive compensation for such employment.

(e) The Management Committee, for the benefit of the Property and the Association, shall manage the business, property and affairs of the Association and shall enforce the provisions of the Declaration, and may adopt rules and regulations (including without limitation schedules of fines for violations) governing the Property. The Management Committee shall have the powers, duties, and responsibilities with respect to the Property as contained in the other provisions of this Declaration and its articles of incorporation and by-laws, as well as any other applicable law.

(f) Regular or special meetings of the Management Committee shall be held at such places within or without the State of Wyoming as all members of the Management Committee shall determine. Otherwise, meetings shall be held at the Property. A simple majority of the members of the Management Committee shall constitute a quorum, and if a quorum is present, unless otherwise required by law or the Declaration, the decision of a majority of the entire Management Committee shall be binding on the Management committee. The Management Committee shall appoint all of the officers of the Association. A meeting for the annual appointment of officers shall be held at the first meeting of the Management Committee immediately following the annual meeting of the Association.

(g) Regular meetings of the Management Committee may be held without call or notice; provided, however, that if the meeting is to be held at a place other than as decided at the annual meeting each year, at least 10 days prior notice shall be given to all Management Committee members. The person or persons calling a special meeting of the Management committee shall, at least ten (10) days before the meeting, give notice of the time and place thereof by any usual means of communication. Such notice should specify the general purposes for which the meeting is called; provided that the meeting need not be restricted to discussions of those items listed on the agenda.

(h) Special meetings of the Management Committee may be called by the

president of the Association or by any two Management Committee members.

(i) Any member of the Management Committee may, at any time, waive notice of any meeting of the Management Committee in writing, and such waiver shall be deemed equivalent to the giving of notice to the member. Attendance by a member of the Management Committee at a meeting shall constitute a waiver of notice of such meeting except when a Management Committee member attends the meeting for the express purpose of objecting to the transaction of any business because the meeting was not lawfully called. If all the members of the Management Committee attend a meeting, no notice shall be required and any business may be transacted at such meeting.

(j) Until a date which is five years from the date of recordation of this Declaration, the Declarant shall have the option to appoint and remove all members of the Management Committee and to exercise the powers and responsibilities otherwise assigned by the Declaration to the Association. The initial membership of the Management Committee may be less than five, as determined by Declarant during the period referred to in the preceding sentence. Declarant shall have the option at any time, by an express written declaration, to turn over to the Association the total responsibility for electing and removing members of the Management Committee and the officers.

(k) The fiscal year of the Association shall end on December 31 of each year, or as otherwise determined by the Management Committee.

Section 4. Meetings of the Association. (a) The presence in person or by proxy at any meeting of the Association of 30% in interest of the Owners shall constitute a quorum. In the event that such quorum is not present in person or by proxy, the meeting shall be adjourned for up to two weeks as designated by the chairman presiding at the meeting, at which time it shall reconvene and any number of Owners present at such subsequent meeting shall constitute a quorum. Unless otherwise expressly provided in the Declaration, any action may be taken at any meeting of the Owners upon a vote of a majority in interest of the Owners who are present in person or by proxy.

(b) At all meetings of the Association, Owners may vote in person or by proxy executed in writing by the Owner or their duly authorized attorney in fact. Proxies shall be filed with the secretary of the Management Committee before or at the time of the meeting.

(c) There shall be an annual meeting of the Association each year as set by the Management Committee, either at the Property or at such other place in Wyoming as may be designated by the Management Committee. The Management Committee shall give written notice of the time and place of the annual meeting, said notice to be

delivered to the Members not less than ten (10) days prior to the date fixed for said meeting.

(d) Special meetings of the Association may be held at any time at the Property or at some other place in Wyoming to consider matters which, by the terms of the Declaration, law, or the by-laws, require the approval of all or some of the Owners, or for any other reasonable purpose. Special meetings shall be called by written notice, signed by a majority of the Management Committee, or by Members representing at least 20% in interest of all Owners and delivered to all Members not less than fifteen (15) days prior to the date fixed for said meeting. The notice shall specify the date, time and place of the meeting, and the matters to be considered.

Section 5. Officers. (a) The Management Committee shall perform its functions and responsibilities through those members of the Committee who are elected as officers annually by the Committee, and through such agents or employees as the Management Committee may appoint. The primary officers shall consist of a president, a secretary and a treasurer. The offices of secretary and treasurer may be combined as one office. The Management Committee may appoint such assistant officers as the Management Committee may deem to be necessary or desirable. No officer shall receive compensation for serving as such unless a majority in interest of a quorum of the Members vote otherwise.

(b) Any officer shall be subject to removal, with or without cause, at any time by the affirmative vote of a majority of the members of the Management Committee then serving.

Section 6. Other Matters. The Association may adopt by-laws containing more detailed provisions governing the internal affairs of the Association, to the extent the Management Committee deems such by-laws to be consistent with this Declaration.
