**CERTIFICATE OF SURVEYOR**

I, William Condrey, a land surveyor registered in Wyoming by Registration Number 577, hereby certify as follows. Between January, 1977 and August, 1977 the QUARTER CIRCLE FOUR R RANCH, A RECREATIONAL SUBDIVISION shown hereon was surveyed under my direction by Christian, Spring, Sibley & Associates for whose work I stand personally responsible. The land surveyed is correctly described in the owners Certificate of Dedication and the subdivision thereof is correctly shown on this plat which is drawn to the scale indicated. Dimensions are given in feet and decimals. Directions are given in degrees, minutes and seconds of arc and are referred to the true meridian which was determined from the bearing base of this subdivision complies with them in every respect. I am familiar with the Park County Subdivision Regulations and believe as required. Subdivision of sections, lots or tracts into aliquot parts was done as required. Certified land corner recordation certificates have been recorded in the office of the Park County Clerk for every surveying monument recovered during the survey of this subdivision in accordance with the requirements of W.S. 36-217. Monuments shown and all lot corners marking this survey were actually set and the monuments are as described hereon. All elements of the survey close to an accuracy of one part in five thousand or better.
