 County of Yellowstone } ss.
 I, William Condrey, a land surveyor registered in Wyoming by Registration Number 577LS hereby certify as follows: Between September and October, 1980, the Shining Mountain Subdivision, Second Filing shown hereon was surveyed by me. The land surveyed is correctly described in the owners' Certificate of Dedication and the subdivision thereof is correctly shown on this plat which is drawn to the scale indicated. Dimensions are given in feet and decimals. Directions are given in degrees, minutes, and seconds of arc and are referred to the true meridian which was determined from the South line of Shining Mountain Subdivision. I am familiar with the Park County Subdivision Regulations and believe this subdivision complies with them in every respect. Lost or obliterated government land corner monuments were restored as required. Subdivision of sections, lots or tracts etc. adjacent parts was done as required. Certified land corner location certificates have been recorded in the office of the Park County Clerk for each survey of this subdivision in accordance with the requirements of W.S. 36-215 through 36-224. Monuments shown and all lot corners making this survey were actually set and the monuments are as described hereon. All monuments of the survey close to an accuracy of one part in one thousand or better.
