### PLANNING COMMISSION RECOMMENDATION

THE PARK COUNTY PLANNING AND ZONING COMMISSION RECEIVED NO OBJECTIONS OR HEARD ALL OBJECTIONS TO THE PROPOSED SUBDIVISION AND HEREBY RECOMMEND THIS PLAT FOR APPROVAL.

### PLATTING CONDITIONS

- RIGHT-OF-WAY. The right-of-way for ingress and egress for service and emergency vehicles is granted over, across, on, and through any and all private roads and drives now or hereafter established.
- DRIVeways. Driveway grades in excess of 10% shall be prohibited and driveways with an 8-10% average grade shall be no greater than 50 feet in length. The minimum inside turning radius at any point of any driveway shall be 30 feet.
- EROSION CONTROL. All soils exposed by excavation or construction shall be revegetated by the end of the first full growing season following such construction including the construction of roads, driveways, and buildings to prevent erosion. All side slopes and banks shall be constructed to maintain a slope not steeper than 1:1/2:1 (one and one-half units of horizontal length to one unit of vertical length). A vegetative cover shall be maintained on the surface shall be treated in asphalt or gravel to help prevent erosion. Vegetative cover shall be maintained at 30% basal and 50% crown coverage except within areas utilized by livestock where lesser vegetative cover may be maintained. However, any gullying, erosion, or channelization caused by or appearing to have been caused by the use of any lot by livestock or roads shall be cause for the lot owner to implement, within seven (7) days from the time of identification by the property owner, Park County Planning Department, or Board of Park County Commissioners, action to eliminate said gullying, erosion, or channelization.
- COUNTY, STATE AND OTHER REGULATIONS. To the extent that applicable county or other governmental regulations, rules, or laws are more restrictive than the paragraphs herein contained, such applicable regulations shall supersede and govern at all times.
- ROADS AND SIGNAGE. All signage, both construction and final, shall be in accordance with the Manual on Uniform Traffic Control Devices (MUTCD). All roads shall be constructed in compliance with the Park County Subdivision Regulations and any design specifications included herein.
- RESTRICTIONS RUN WITH THE LAND. The restrictions herein set forth are binding upon all owners and respective successors-in-interest and run with the land.
- REVOCATION AND/OR AMENDMENT. The conditions, restrictions, stipulations, agreements, and covenants herein shall not be waived, abandoned, terminated, nor amended except by unanimous written consent of the property owners, and consent of the Board of County Commissioners.
- ENFORCEMENT. In case of any violation of the provisions hereof, the Board of County Commissioners may, in addition to other remedies at law, including an action for damages, have such violations enjoined or, in the case of the revision or maintenance of any building, structure, or thing in violation of any of the provisions hereof, may have such building, structure, or thing removed by proper legal procedure. Inaction by the Board of County Commissioners to perfect and enforce their rights shall not be deemed a waiver of the right of enforcement of same, even though such inaction may be of long duration.
- SALE OF LOTS OR SUBDIVISION IMPROVEMENTS AGREEMENT. No lots, parcels, or other units of land shall be conveyed until and unless: a) the roads, irrigation, and other required improvements have been completed and the Park Board of County Commissioners has authorized said conveyance by recorded letter of approval to convey land within the subdivision; or b) a performance bond, letter of credit, or other sufficient financial commitment to assure that all of the facilities proposed shall be in fact completed as proposed.
- VACATION. This subdivision may be vacated or partially vacated pursuant to applicable State law or County rules and regulations.
- FUTURE SUBDIVISION. No further subdivision of the subject lots, parcels, or other units of land which would increase the number of lots, parcels, or other units of land within this subdivision will be permitted.
- FEES-PAYING MEMBERSHIP IN A PROPERTY OWNERS ASSOCIATION. Fee-paying membership in a property owners' or homeowners' association, district, or other common entity shall be required of all lot purchasers. Further, there shall be provisions in the documents setting up said association, district, other entity which shall assure payment of fees in an amount which is adequate to accomplish the maintenance of common roads and facilities in a safe manner and perform the necessary functions to implement the irrigation plan. Such association, district, or other common entity shall be empowered, authorized, and required to perform such maintenance.
- ROAD CONSTRUCTION AND ACCEPTANCE. The County shall not accept the maintenance of any road and bridge within the boundaries of Shoshone River Estates Subdivision until and unless the road or bridge meets all County road and bridge specifications and all requirements of the Statutes of the State of Wyoming in effect at the time a petition for acceptance is filed with the Park Board of County Commissioners. The Board of County Commissioners shall have sole authority to determine whether or not to accept maintenance. Nothing shall require the Board of County Commissioners to assume maintenance.
- DRAINAGE. Runoff from the sites after construction shall not exceed the level of runoff which occurred prior to construction, unless otherwise approved by the Park County Engineer. Any runoff in excess of pre-construction levels shall be detained on-site, infiltrated, evaporated or handled in a manner acceptable to the Park County Engineer.
- DUST. Dust shall be mitigated during and after construction. In all cases, best management practices established by the Department of Environmental Quality shall be used to reduce or eliminate any impact to adjacent properties from dust.
- SEVERABILITY. Invalidation of any of these restrictions or agreements by judgement or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.
- ABRITICAL DRAINAGE EASEMENTS. A twenty (20) foot right-of-way shall be dedicated to the county for public use for pre-existing agricultural drainage ditches crossing the property. No occupancy, buildings or new construction will be allowed within the easement. The specific location of the easements are shown on the final plat. The easement will revert to the property owner at such time as the wastewater ditches are no longer needed as determined by the Irrigation District and the Board of County Commissioners.
- FIRE PROTECTION. Fire suppression shall include 30,000 gallons of on site water or fire suppression flows of 500 gallons per minute or a combined system acceptable to the Fire Marshal. The property owner shall be responsible for ensuring that said on site storage system is available for fire protection at all times and/or shall have adequate water available through the Northwest Rural Water system.
- PLANNED UNIT DEVELOPMENT AGREEMENT. All property owners shall maintain their properties in compliance with the Planned Unit Development Agreement recorded in Book MF 0288 at Page 776 in the Office of the Park County Clerk and Recorder, as well as with any and all amendments thereto.
- UTILITIES. All utilities shall be underground.
- SETBACKS. Setbacks of 75 feet from front property lines and 30 feet from other lot sides shall be established. Livestock corrals shall be set back a minimum of 150 feet from front lot lines.
- IRRIGATION WATER. Water for irrigation will not be available on a consistent basis. The irrigation water availability will be determined by the Shoshone - Heart Mountain Irrigation District and the subdivision Water Master.
- AGREEMENT AND APPROVAL: In consideration of the Park County Board of County Commissioners' determination of this division of land as a "subdivision" and "subdivided land" as noted herein:

We hereby waive all claims against Park County for damage or loss to our persons and/or property which may be caused by such determination, and we hereby agree to hold harmless, indemnify, and defend Park County in any action which may arise in connection with any and all errors, omissions, or mistakes in this land survey plat and/or other information which we have submitted in connection with this request.

We hereby further acknowledge and state under oath that we are the legal owners of the property described herein.

We hereby further agree that sheets 1 through 2 of this plat when recorded in the Office of the Park County Clerk and Recorder establishes vested property rights.

We hereby agree to abide by the conditions and stipulations contained herein.

In witness whereof, the said owner David Sterling has caused his name to hereon be subscribed this 15<sup>th</sup> day of OCTOBER, 1996.
