CERTIFICATE OF SURVEYOR

COUNTY OF PARK }
I, George W. Truesler, a land surveyor registered in Wyoming by registration No. 315 RE, A.S.S. hereby certify as follows: That on March 27, 1978 and September 2, 1978 the Spirit Mountain Subdivision shown herein was surveyed by me and under my direction by G. Lee Truesler for whose work I stand secondarily responsible. The lot, survey, courses, bearings, distances, minutes and seconds of arc and are referred to the parcel described in the owners certificate of dedication except for the secondary highway right-of-way and the subdivision thereof is correctly shown on this plat which is drawn to scale indicated. Dimensions are given in feet and decimals thereof. The true meridian which was determined from an initial bearing of 54°14'E at the southwest corner of Lot 1 and the southeast corner of Lot 6, T.52N, R.102W, Resurvey, I am familiar with the Park County Subdivision Regulations and believe this subdivision complies with them in every respect. All certificates have been recorded in the office of the Park County Clerk for every surveying monument recovered during the survey of this subdivision in accordance with the requirements of W.S. 2-2-16 through 2-2-22. Monuments shown and all lot corners marking this survey were carefully set and the monuments are as described in the platements of the survey close to an accuracy of one part in two thousand or better.
