RECORDERS ACCEPTANCE

This Plat was accepted for filing in the Office of the Park County Clerk and Recorder on this 16 day of September, 2005, and filed for record as 487 P.m. under Document Number 2005-6411. In Plat Book 22 Page 22.

PLATTING CONDITIONS

1. COUNTY, STATE, AND OTHER REGULATIONS. To the extent that applicable County or other governmental regulations, rules, or laws are more restrictive than the paragraphs herein contained, such applicable regulation shall supersede and govern at all times.
2. RESTRICTIONS RUN WITH THE LAND. The restrictions herein set forth are binding upon all owners and respective successors-in-interest and run with the land.
3. ENFORCEMENT. In case of any violation of the provisions hereon, the Board of County Commissioners may, in addition to other remedies at law, including an action for damages, have such violations enjoined or, in the case of the erection or maintenance of any building, structure, or thing in violation of any of the provisions hereon, may have such building structure, or thing removed by proper legal procedure. Inaction by the Board of County Commissioners to perfect and enforce their rights shall not be deemed a waiver of the right of enforcement of same, even though such inaction may be of long duration.
4. VACATION. This subdivision may be vacated or partially vacated pursuant to applicable State Law of County Rules and Regulations.
5. FUTURE SUBDIVISION. No further subdivision of the subject lots, parcels, or other units of land which would increase the number of lots, parcels, or other units of land within this subdivision will be permitted without approval of the County.
6. DRAINAGE. Runoff from the site after construction shall not exceed the level of runoff which occurred prior to construction. Any runoff in excess of pre-construction levels shall be detained on-site and infiltrated and evaporated.
7. DUST. Dust shall be managed during and after construction. In all cases, best management practices established by the Department of Environmental Quality shall be used to reduce or eliminate any impact to adjacent properties from dust.
8. SEVERABILITY. If any provision of these restrictions or agreements by judgment or court order shall in no way affect any of the other provisions hereon, which shall remain in full force and effect.
