CERTIFICATE OF DEDICATION

STATE OF WYOMING } SS
COUNTY OF PARK }
The undersigned, do hereby certify as follows. We are the owners of LOT 61-E, T. 55 N., R. 99 W., Government Resurvey. We have caused said lands to be surveyed and plotted as shown hereon. The subdivision of said lands as appears on this plat, is with the free consent and in accordance with the desires of the undersigned owners and proprietors. The subdivision shall be known hereafter as WHITLOCK II SUBDIVISION. We hereby dedicate and set apart the roads as shown hereon to the use of the general public. We hereby release and relinquish all rights of homestead.
In witness whereof we have hereunto set our hand this _____ day of _____, 1981.

Leonard F. Whitlock

CERTIFICATE OF SURVEYOR

STATE OF WYOMING } SS
COUNTY OF PARK }
I, Richard E. Myrick, a land surveyor registered in Wyoming by registration number 666 P.E. and L.S. hereby certify as follows. Between March 20 and April 20, 1981, the Whitlock II Subdivision shown hereon was surveyed by me or under my supervision by Don Fisher, for whose work I stand personally responsible. The land surveyed is correctly described in the owners certificate of dedication and the subdivision thereof is correctly shown on this plat which is drawn to the scale indicated. Dimensions are given in feet and decimals. Directions are given in degrees and minutes of arc and are referred to the true meridian which was determined from the West line of LOT 61-E, bearing due south. I am familiar with the Park County Subdivision Regulations and believe this subdivision complies with them in every respect. Lost or obliterated government land corner monuments were restored as required. Subdivision of sections, lots or tracts into aliquot parts was done as required. Certified land corner recordation certificates have been recorded in the office of the Park County Clerk for every surveying monument recovered during the survey of this subdivision in accordance with the requirements of W.S. 36-215 through 36-224. Monuments shown and all lot corners marking this survey were actually found set or will be set prior to the issuance of the subdivision permit. All elements of the survey close to an accuracy of one part in five thousand, or better.
Richard E. Myrick
